2025 Nominated for John N. Forrest Jr., MD Prize for Mentorship in Student Research

**Grant/Clinical Trials History:**

**Current Grants:**

Agency: Lesbian, Gay, Bisexual, and Transgender Studies

CHATogether-PRIDE: A theatrical vignette tool to promote mental wellness in LGBTQ transitional-age youth through improving family communication

ID#: Fund for Lesbian and Gay Studies (FLAGS) Awards

Co-P.I.: Eunice Yuen, MD PhD, Yun Feng, MD and Thomas Laux, MD

Percent effort: 1%

Total costs for project period: \$5,000

Project period: 05/2025-4/2025

Agency: Josiah Macy Jr. Foundation

Title: "Acting Together: Culturally-Informed Clinical Education for Asian-American Pacific Islander Professional Trainees.

ID#: Medical Educational President Grant

P.I.: Eunice Yuen, MD PhD

Percent effort: 1%

Total costs for project period: \$25,000

Project period: 05/2023-4/2024

Agency: Yale New Haven Health System, Center for Health Care Innovation

Title: "CHATogether Family Intervention"

ID#: Yale New Haven Health System Innovation Awards (Hospital Innovation Track)

P.I.: Eunice Yuen, MD PhD

Percent effort: 1%

Total costs for project period: \$50,000

Project period: 08/2022-2/2024

Agency: American Academy of Child and Adolescent Psychiatry

Title: "The AAPI trauma healing program: learning cultural literacy, emotional and relational health through child-parent theater"

ID#: AACAP Advocacy and Collaboration Grant

P.I.: Eunice Yuen, MD PhD

Percent effort: 1%

Total costs for project period: \$4000

Project period: 03/2022-3/2023

**Past Grants:**

Agency: Lesbian, Gay, Bisexual, and Transgender Studies

Title: "Theatrical vignettes as an educational tool to promote emotional wellness in LGBTQ Asians through strengthening child-parent relationship"

ID#: Fund for Lesbian and Gay Studies (FLAGS) Awards

P.I.: Eunice Yuen, MD PhD

Percent effort: 100%

Total costs for project period: \$3,450

Project period: 03/2020-3/2022

Agency: American Psychiatric Association and SAMHSA

Title: "Theatrical Vignettes as an educational tool to promote success and mental wellness in Asian international students and families"  
ID#: American Psychiatric Association SAMHSA Minority Fellowship Awards  
P.I.: Eunice Yuen, MD PhD  
Percent effort: 100%  
Total costs for project period: \$27,000  
Project period: 10/2020-9/2021

Agency: American Academy of Child and Adolescent Psychiatry  
Title: "Biological action of ketamine in developing neurons: Hope in treating maternal depression to reduce children mood disorders"  
ID#: Pilot Research Award  
P.I.: Eunice Yuen, MD PhD  
Percent effort: 100%  
Total costs for project period: \$15,000  
Project period: 8/2019-8/2020

Agency: National Alliance for Research on Schizophrenia and Depression  
Title: "Inhibitory Synaptic Dysfunction in Autism Spectrum Disorder"  
ID#: Young Investigator Award  
P.I.: Eunice Yuen, MD PhD  
Percent effort: 100%  
Total costs for project period: \$70,000  
Project period: 1/15/18-1/15/20

Agency: Yale University  
Title: "Inhibitory Synaptic Dysfunction in Autism Spectrum Disorder"  
ID#: Ritvo Pilot Research Award for Yale Child Study Center Trainees.  
P.I.: Eunice Yuen, MD PhD  
Percent effort: 100%  
Total costs for project period: \$10,000  
Project period: 3/10/17-3/10/19

Agency: Yale University  
Title: "Looking for Luke": Promoting Success and Mental Wellness of College Students Through Film.  
ID#: Student Wellness Grant  
P.I.: Eunice Yuen, MD, Ph.D. and Minh Vu (undergraduate student)  
Percent effort: 100%  
Total costs for project period: \$1,000  
Project period: 12/01/2018 - 04/31/2019

Agency: National Alliance for Research on Schizophrenia and Depression  
Title: "Serotonergic regulation of NMDA receptors in prefrontal cortex"  
ID#: Young investigator award for postdoctoral fellowship  
P.I.: Eunice Yuen, Ph.D.  
Percent effort: 100%  
Total costs for project period: \$60,000  
Project period: 07/01/2007 – 06/30/2009

## Invited Speaking Engagements, Presentations, Symposia & Workshops:

### Regional/Local:

- 2025 “Breaking the silence of mental health: Theater-based intervention builds communication and relational health in adolescents and their families” Zucker Hillside Hospital and Cohen’s Children’s Medical Center, NYC, NY. Invited GR speaker
- 2025 “CHATogether the bridging of Art, Climate Change, and Mental Health”. Art exhibition reception at Governor Island, NYC, NY. Keynote speaker
- 2025 “Building Communication and Relational Health in Asian American Families through Theater” at Asian American / Asian Research Institute Symposium co-organized by City University of New York and NYU. NYC, NY. Invited speaker
- 2025 “Hanging with your younger self: meet and greet with AAPI mental health professionals”. University of Connecticut. Hartford, CT. Invited guest speaker.
- 2024 “Community Listening Session: The Asian American & Pacific Islander Legislative Caucus and Asian Pacific American Coalition of CT”. Harford, CT. Invited speaker.
- 2024 “CHATogether theater-based family interventions for Gender and Sexual Minority Youth” Dartmouth-Hitchcock Medical Center. Hanover, NH. Invited speaker
- 2024 “Asian American Mental Health Matters: Engage, Envision, and Empower” Asian Pacific American Coalition of Connecticut Mental Health. Hartford, CT. Invited speaker

## **Education Service**

### **Teaching Service:**

*SUNY at Buffalo as medical student and Research Assistant Professor at the time:*

2006-2011: Graduate Course of Clinical Neuroscience

2006-2011: Graduate Course of laboratory techniques in Neuroscience Research

2012-2013: Teaching instructor in Gross Anatomy and Neuroscience

*Yale Department of Psychiatry and Child Study Center (During psychiatry residency and fellow period)*

2017-2018: Children and Adolescent Psychopharmacology Seminar for Pediatric residents.

2017-2018: Pediatric Physician Behavioral Health Series. "Managing bullying in pediatric patients".

2019-2020: Child Fellow Didactic Seminar. Practice Parameter Cultural Competency and Ethnopsychopharmacology and Pharmacogenetics testing.

2019-2020: Co-develop and design curriculum for psychiatric assessment in young children through play therapy, case sharing, and journal club.

*Yale Adolescent IOP and inpatient Adolescent floor at LV2-YPH: (During period of Psychiatry Attending)*

2021-present: Clinical supervision and teaching psychiatry PGY1 residents and medical students the fundamental bio-psycho-social-cultural formulation and assessment in adolescent patients.

2021-present: Provide onsite teaching of child and adolescent psychiatry concepts including Circle of Security, Mentalization-based family therapy using theater narrative approach, Minding-The-Baby (MTB) reflective parenting in family meeting, Parenting Management Therapy (PMT) and Supportive Parenting for Anxious Childhood Emotions (SPACE).

2021-present: Clinical supervision and curriculum development with psychiatry PGY1 resident on Family System Training Curriculum including family sessions, teen groups, and parent groups.

2022-present: Develop nationwide theater-based educational webinars for AAPI mental health professional trainees on cultural competency and cultural humility education.

2025-present: Course director of Human Experience track in the Social Justice Health Equity Curriculum for General Psychiatry residents.

2024-present: "Culturally informed interprofessional education through interactive theater" for students from Yale School of Nursing.

2024-present: in-service training for Yale New Haven Hospital in-patient medical staff meeting, in-patient adolescent service, and adult and young adult ambulatory services

"CHATogether family intervention for parents or caregivers struggling with mental illnesses"

"CHATogether family intervention for child-parent relational health and conflict resolutions"

2024-present: Develop improv/theater-based educational training program for pre-clinical medical students, physician assistant students, and nursing students on family dynamics and conflict resolutions in various clinical settings

2023-present: "Simulation-based curriculum to build cultural competency in psychiatry and interprofessional trainees." Cultural Psychiatry Webinar 101 at the Society for the Study of Psychiatry and Culture.

2023-present: Develop film-based curriculum in cultural humility education for Child and Adolescent Psychiatry fellows and public community.

2023-present: Clinical Simulation Initiative on Cultural psychiatry e-Module curriculum for medical students. "Implicit Bias and Culturally Informed Care in Psychiatry" published at Association of Directors of Medical Student Association Education in Psychiatry.

2023-present: Reading club and psychodrama to promote cultural humility and resident wellness support among Yale AAPI psychiatry residents.

2024-present: Develop and direct elective rotation for psychiatry PGY2 resident on family-centered treatment including individualized family sessions, DBT-multi-family intervention, parent support groups, family feedback session, and parent and family development program.

2024-present: Develop and direct elective rotation for 2<sup>nd</sup> year child and adolescent psychiatry fellows to learn family-centered treatment and research to evaluate effectiveness of the clinical intervention.

2024-present: Develop nationwide psychodynamic psychotherapy family intervention for child and adolescent fellows through AACAP PsyFI award.

### **Mentorship between 2019-present:**

#### **Medical Students:**

**Nealie Ngo, M4** student from University of Toledo and master's in public health students in Columbia University on project to address AAPI mental health using graphic medicine. Mentorship results in 2 peer-reviewed publications, 5 national oral/poster presentations, 2 nationally recognized awards to attend professional conferences. The trainee was matched to Cambridge Health Alliance/Harvard for Psychiatry residency program.

**Alan Lee, M4** student from Yale School of Medicine currently psychiatry PGY1 resident at The Beth Israel Deaconess at Harvard Psychiatry. Project to address AAPI mental health and family conflicts

during the COVID-10 pandemic. Mentorship results in medical school thesis project, “Family Affair: A qualitative study on Asian American young adult child-parent relationships during the COVID-19 pandemic quarantine period”, as well as the APA Helping Hand Grant to explore “Pilot surveys on access to mental health and student-parent relationship in Asian/Asian American students”. The trainee was recently matched to Beth Israel Deaconess/Harvard for Psychiatry residency program.

**Yu Kyung Lee, M5** student from Yale School of Medicine. Project addresses AAPI family mental health, “A pilot study on Asian American youths’ experiences of intergenerational conversations on adversity, resiliency, and well-being”. Mentorship results in AACAP conference poster presentation and AACAP Summer Medical Student Fellowship, and Yale Student Wellness Grant. The trainee was recently matched to Brigham and Women’s Hospital/Harvard Medical School Psychiatry residency program.

**Elizabeth Li, M4** student from Yale School of Medicine. Project involves using theater as medical education tools to address culturally-informed care in medical students. Mentorship results in 5 national and international conference presentations including APA, AACAP, SSPC and Grand Rounds at University of São Paulo. The trainee was recently matched to Stanford Psychiatry residency program and received AACAP Educational Outreach Program for General Psychiatry Residents to attend AACAP annual meeting. Dr Li was matched for the General Psychiatry Residency Training Program at Stanford University.

**Alicia Leong, M2** student from Icahn School of Medicine at Mount Sinai. Project involves a qualitative study exploring BIPOC and immigrant artists and aims to understand their cross-cultural identity-based artistic creation will shed light to develop arts-based mental health interventions for racial/ethnic minority and immigrant youth minority youth. Mentorship results in 3 national presentations and AACAP Summer Medical Student Fellowship (SMSF) Program, supported by AACAP’s Campaign for America’s Kids, Break the Cycle Initiative.

**Sarah Ho, M3; Catherine Yu, M3; Jasmine Jiang, M3; Emily Xu, M2** students from Yale School of Medicine. Project involves a qualitative study to explore perceptions of AAPI women residents in academic medicine. The mentorship results in 1 poster presentation and 1 oral presentation at APAMSA regional conference, as well as a peer-reviewed publication in JAMA Network Open with supported by the Lowe Levy Award and Yale Office of Diversity, Inclusion, Community Engagement and Equity.

**Priscilla Li, M4** student from Medical University of South Carolina. Project involves writing media forum articles on children’s book related to psychological development in AAPI children in a culturally-responsive manner. Another media forum using film scenes to identify child-parent conflicts in a sighted children raised by parents with blindness. The mentorship results in a peer-reviewed article in Journal of the American Academy of Child and Adolescent Psychiatry, as well as Psychology Today blog.

#### **Psychiatry residents/fellows:**

**Janie Cao, MD, MPH**, currently child and adolescent psychiatry fellows at Georgetown Medstar Health. Project focuses on developing culturally informed competency curriculum for child psychiatry fellows, “Developing a Film-Based Cultural Humility Curriculum”. This project is supported by APA SAMHSA minority fellowship. Mentorship also results in a total of 4 national and international presentations on AAPI mental health in children and families.

**Elaine Shen, MD**, currently general psychiatry resident at Northwestern University. Project focuses on developing arts-based intervention to engage teens with LGBTQ identity. This project is supported by APA SAMHSA minority fellowship. Mentorship results in 5 national conference presentations, first authorship in JAACAP, entitled, “*Navigating Intersectional Identities: Clinical Considerations for Working with LGBTQ Asian American Youth*”. Dr Shen is also the lead project direct collaborating with

ADAMSEP on an e-module psychiatry clerkship for medical students, entitled, “Implicit Bias and Culturally Informed Care in Psychiatry”. Dr Shen is matched into Columbia Child and Adolescent Psychiatry Fellowship.

**Richard Zhang, MD**, currently general psychiatry resident at University of Connecticut. Project focuses on Op-Ed piece on “Internet Gaming Addiction in Asian-American Youth”, as well as mentorship on leadership development and involvement of resident leadership at APA. Dr Zhang was matched into Yale Child Study Center for Child and Adolescent Psychiatry. Dr Zhang is also as an APA/APAF Leadership Fellow, a GAP (Group for the Advancement of Psychiatry) Fellow, and an affiliated faculty at the UConn Asian and Asian American Studies Institute.

**Sirikanya (Sanya) Sellers, MD**, general psychiatry resident at Yale. Mentoring resident in leading a program co-planned by undergraduate organizations Yale FGLI Advocacy Movement (YFAM) and Yale Questbridge (QSN) for AAPI first-generation low-income woman students and trainees. Sanya’s work evaluation of an AAPI FGLI student mentorship program. We have collaborated on an Op-Ed submitted to Psychology Today on intersectionality of AAPI, woman, and first-generation low-income transitional youth mental health. Supported this trainee to publish a narrative column at Psychiatric Service, “The Invisibility Cloak: Narrative from an Asian American Woman Physician-In-Training”.

**Younji Lee, MD**, general psychiatry resident at Yale. Mentoring resident for a qualitative study, “Identity Formation and Relationship to Family in Transgender and/or Gender-Non Conforming Korean American Adults”. Mentorship also includes a scholarship writing Cultural influences on development and pediatric behavioral health in Lewis’s Child and Adolescent Psychiatry.

**Abiba Salahou, MD**, currently general psychiatry resident at Yale. Mentorship results a co-authorship on Cultural influences on development and pediatric behavioral health in Lewis’s Child and Adolescent Psychiatry and AACAP news article.

**Henry Kietzman, MD PhD**, currently NRTP psychiatry resident at Yale. Mentorship includes a co-authorship clinical perspective article on family-based engagement interventions for adolescent mental health at intensive outpatient program.

**Caylan Bookman, MD**, currently general psychiatry resident at Yale. Project focuses on developing clinical CHATogether family interventions at Yale Adolescent IOP. Caylan is working on a case report on three families whose teens struggle with mental illness complicated with significant family conflicts. CHATogether theater intervention was reported as innovative approach in patient’s family mental health. Mentorship results in a co-first author-publication reporting clinical CHATogether intervention.

**Julio Nunes, MD** currently general psychiatry resident at Yale. Project focuses on developing Clinical CHATogether teen group therapy at Yale Adolescent IOP. Julio is working on a case report using theater and other creative art-based therapy in adolescents. Mentorship also results in one international conference with the University of São Paulo ground round presentation. Mentorship results in a co-first author-publication reporting clinical CHATogether intervention.

**Andrea Matayoshi Perez, MD** currently general psychiatry resident at Yale. Project focuses on developing clinical case reports on CHATogether interventions in Latine adolescents and families. Mentorship also involves working on a chapter book at APA publication press, “Child and Family Psychiatry: Integrating Therapy with Children, Youth, and Families in the 21st Century”.

**Idil Kina, MD** currently general psychiatry resident at Yale. Project focuses on understanding faith-based mental health practice through mental providers in Uganda. Mentorship also include working on a chapter book at APA publication press, “Child and Family Psychiatry: Integrating Therapy with Children, Youth, and Families in the 21st Century”.

**Sophia Youn, MD** currently general psychiatry resident at Jamacia Hospital, NYC. Mentorship involve a project focuses on a retrospective study on mental health needs in Indo-Guyanese population and development on a culturally informed community mental health program using graphic medicine and theater resulting in posters at AACAP annual conference and funded by APA SAMHSA minority fellowship. Dr Youn was matched into Child Psychiatry fellowship in Thomas Jefferson Medical Center.

**Zilin Cui, MD** currently general psychiatry resident at Boston University School of Medicine, MA. Mentorship involves an educational project partnering with Medical Student Association Education in Psychiatry (ADAMESP) to design e-module, entitled "Implicit bias and culturally informed patient encounter for medical student education". The mentorship results in one oral presentation and one poster presentation at APA on ADHD presentations in AAPI young adults, peer-reviewed review article, "Intersectional Considerations for Clinical Care of Asian American Pacific Islander LGBTQ+ Youth". The trainee also won the APA SAMSHA minority fellowship in 2025.

#### **Healthcare professional students:**

**Shirley Deng**, psychiatric mental health nurse practitioner school at Yale currently a licensed NP. Project focuses on a research project to explore COVID-19 pandemic experiences and novel therapeutic intervention using filmmaking in a multi-site global initiative. Mentorship results in two working manuscript publications and two national conference poster presentations at AACAP and APA.

**Peggy Wong**, currently psychiatric mental health nurse practitioner student at Yale. Project focuses on a research project exploring theater as therapeutic intervention for AAPI young adults. Mentorship results in a co-first author manuscript publications and 4 national conferences on AAPI mental health. Presented an abstract entitled, "A Novel Digital Interactive Theater-Based Intervention to Promote Empathy, Mental, Emotional Wellbeing Among AAPI Individuals" at Yale New Haven Health Nursing Research Conference, CT APRN annual conference, and Yale School of Nursing Cultural Competency Lectures for pre-clinical nursing students. Peggy is now a psychiatric nurse practitioner at UCSF.

#### **Master in public health students:**

**Amelea Lowery, BS** currently MPH student at Yale. Project focuses on using interactive theater to address biracial AAPI child-parent trauma. Mentorship results in one national conference on AAPI intergenerational trauma partnered with AACAP and regional AACAP at MD and CT.

**Monica Chen, BS**, currently MPH student at Yale. Mentored trainee to complete master thesis project focuses on a mixed method study, entitled, "Asian American Family Structure and Family Harmony/Conflict".

#### **High school/undergraduate students**

**Mary Lee**, high school student from Deerfield Academy. Project focuses on publishing a handbook to school administration on how to help their Asian students face racism. Mentorship results in two cross-boarding school presentation on AAPI mental health and anti-Asian cultural literacy education in states of CT and MA, as well as publication of handbook entitled, "entitled "Healthy Minds for Asian Americans".

**Benetta Wang and Srisindhu Medukonduru**, high school students from Independent High School in Texas. Project focuses on building webinars and digital resources to inspire high school students in mental health and psychiatry professions. Mentorship results in a cross-high schools presentation on early career consultation to high school students. Held career development event, 'Hanging out with younger self: uplifting the future AAPI mental health providers.

**Max Su**, high school student currently undergraduate student at Yale University. Project focuses on developing an AAPI mental wellness program for Asian international students at Choate Rosemary Hall. Mentorship results in 3 cross-boarding school presentations on AAPI child-parent conflicts and mental health awareness, as well as one national conference poster presentation.

**Abby Lu**, high school student currently undergraduate student at Princeton University. Project focuses on developing anti-Asian racism responsive protocol and education for Asian international students during the COVID-19 pandemic. Abby also has developed child-parent conflict resolution dialogues using *shadow puppet* show. Mentorship results in presentations in two cross-bordering schools and one national presentation at AACAP annual meeting. Co-presented two national oral presentations on art-based intervention for AAPI mental health.

**Richard Chen**, high school student currently undergraduate student at Yale University Project focuses on developing a DEI mental wellness to global young scholar program at Yale. Mentorship results in one virtual presentation with high school attendees internationally, as well as a national presentation at AACAP annual meeting.

**Yoyo Zhang**, high school student at Choate Rosemary Hall. Mentoring project involves a student-run TEDx salon initiative on post-pandemic adolescent suicide prevention at school-based community. Mentorship results in poster presentations at the Society for the Study of Psychiatry and Culture Annual Conference, AACAP annual conference, and also an article at a student-run Woman-in-STEM GirlTech Magazine. Yoyo is now an undergraduate student at University of Chicago.

**Jessica Xu**, undergraduate student from University of Pennsylvania. Mentoring project involves a mixed-method study of high school student-created short films as emotion expressing tools to share with their families. The study involved collaboration with interdisciplinary mental health providers, filmmakers, and artists in US and Hong Kong. The mentorship results in 3 poster presentations, 1 oral presentation, and the acceptance of the Stanford CARE Scholars Program for Asian health research.

## Professional Service

### Journal Service:

#### Editorial Board

Associate Editor (2025- present): Child and Adolescent Psychiatry and Mental Health (Official journal of The International Association for Child and Adolescent Psychiatry and Allied Professions (IACAPAP))

#### Reviewer

Ad hoc reviewer, Asian American Journal of Psychology

Ad hoc reviewer, Academic Psychiatry

Ad hoc reviewer, Journal of the American Academy of Child and Adolescent Psychiatry

Ad hoc reviewer, Journal of Social Work and Welfare Policy

Ad hoc reviewer, *Child and Adolescent Psychiatry and Mental Health*

Ad hoc reviewer, *Journal of Family Psychology*

Ad hoc reviewer, *Plos One*

Ad hoc reviewer, *Molecular Neurobiology*

Ad hoc reviewer, *Molecular Brain*

Ad hoc reviewer, *Molecular Neurodegeneration*

### Professional Service for Professional Organizations:

2022-present Group for Advancement of Psychiatry (GAP) Child Committee, Co-Chair

2025-present AACAP's Executive Committee Children, Families, and Immigration Taskforce, Member

2025-present World Psychiatry Association, Child and Adolescent Psychiatry Section Member

2023-2025 The Society for the Study of Psychiatry and Culture, Education Committee Member

2023-2025 AACAP Family Committee Member

2023-present Association of Directors of Medical Student Association Education in Psychiatry Clinical Simulation Initiative, Committee Member.

2022-present Connecticut Council of Child and Adolescent Psychiatry, Executive Member  
 2021-2022 Group for Advancement of Psychiatry (GAP). Child Committee Member  
 2021-present Program Director, Student Mental Wellness Program, Choate Rosemary Hall, CT  
 2021-2022 Resources Workgroup of the American Psychiatry Association (APA)'s Presidential Task Force to Address Structural Racism Throughout Psychiatry. Serve as Chair for Communication Subgroup. Member for Clearinghouse and Model Curriculum Development Subgroup.

2020-present Massachusetts General Hospital Center for Cross-Cultural Student Emotional Wellness, Collaborating Faculty.

2019-2021 Group for Advancement of Psychiatry (GAP). Child Committee Fellow  
 2020-present American Psychiatric Association (APA). APA Minority Fellow.  
 2020-present APA School-based Council. Notice.Talk. Act. at school. Developed In-Depth OARS training resource.

**Yale University Services:**

2022-present Yale Psychiatry Residency Training Program Recruitment Committee  
 2022-present NüWell: Inclusive wellness solution for graduate & professional students, Mental Health Consultant

2022-present Yale New Haven Hospital in-service training on Asian American Mental Health  
 2022-2023 Yale New Haven Hospital Ambulatory Psychiatry & Behavioral Health (PBeH) Measurement-Based Care (MBC) Implementation Team, Faculty Committee

2021-2022 Yale School of Medicine Inclusive Language Initiative, Faculty Committee on Racial Ethnicity

2021-present Yale Asian and Pacific Islander Psychiatry Residents Association. Faculty Advisor  
 2018-present Yale Asian American Cultural Center. Mental Wellness Consultant  
 2018-2022 Yale Post-doctoral Association. Mental Wellness Consultant

**Public Services:**

2022-present United Chinese Americans. Mental Health Professional Partner  
 2022-present Project Director, NYC Art Bridge: Wellness through Arts  
 2020-present Healing the Whole Family (HTWF): Graphic Novel for AAPI Mental Health. Mental Health Consultant

2020-present Compassionate Home, Action Together (CHATogether). Founder and Director trainees-run initiative to promote Asian family emotional wellness through drama vignettes.

2020-present Global Filmmaking Initiative for emotional wellness in school-age children Children's Mental Wellness Consultant.

2020-present Cultural Adaptation Steering Committee and Clinical supervisor. Yale Mental Health Outreach for MotherS Partnership (MOMS) for Asian immigrants in New York City. Partnership with Charles B. Wang Community Health Center.

2018-present Peer-to-peer Emotional Education and Relational Support (PEERS). NPO Advisor.

**Media:**

1. Interviewed as Founder and Director of Compassionate Home, Action Together (CHATogether) by Yale School of Medicine Magazine 2020: "CHATing about problems before they turn toxic", a wellness initiative uses drama vignette to promote Asian American mental health. Also reported in World Journal Chinese Newspaper.
