

## CURRICULUM VITAE

Kenneth William Hung, MD, MS

Version Date: 4/3/2025

### Contact Information:

Address Department of Medicine (Digestive Diseases)  
P.O. Box 208019  
New Haven, CT 06520-8019  
Phone: 1 (203) 737-6887  
Email: kenneth.hung@yale.edu

School: Yale School of Medicine

### Education:

xxxx - 05/2009 BS, Rice University, Biochemistry and Cell Biology, Houston, TX  
xxxx - 05/2009 BA, Rice University, Kinesiology - Sports Medicine Focus, Houston, TX  
xxxx - 05/2013 MD, Baylor College of Medicine, Houston, TX  
xxxx - 05/2019 MS, Columbia University Mailman School of Public Health, Patient Oriented  
Research - Biostatistics, New York, NY

### Career/Academic Appointments:

06/2013 - 06/2016 Resident, Internal Medicine, University of Colorado, Aurora, CO  
07/2016 - 06/2019 Clinical Postdoctoral Fellow, Medicine, Division of Digestive and Liver Diseases,  
New York Presbyterian Hospital - Columbia University Medical Center, New York,  
NY  
07/2019 - 06/2026 Assistant Professor, Digestive Diseases, Yale School of Medicine, New Haven, CT

### Administrative Positions:

2022 - Present Associate Fellowship Program Director, Digestive Diseases, Yale School of  
Medicine, New Haven, CT  
2022 - Present Gastroenterology Elective Director - YNHH, Digestive Diseases, Yale School of  
Medicine, New Haven, CT

### Board Certification:

2016 - 2025 AB of Internal Medicine, Internal Medicine  
2019 - 2025 AB of Internal Medicine, Gastroenterology

## Professional Honors & Recognition:

### International/National/Regional

2009	Phi Beta Kappa
2009	Gilbert L. Hermance Award in Kinesiology, Rice University Department of Kinesiology
2010	Medical Student Research Program in Diabetes, National Institute of Diabetes and Digestive and Kidney Diseases
2013	Gold Humanism Honor Society
2014	Do No Harm Project Quarterly Winner for Best High-Value Care Clinical Vignette, American College of Physicians, Colorado Chapter
2015	Best Resident Research Publication (First Runner-Up), University of Colorado Internal Medicine Residency Program
2019	Distinguished Poster First Place Award, New York Society for Gastrointestinal Endoscopy
2021	Outstanding Poster Presenter, American College of Gastroenterology
2024	Outstanding Reviewer Award - Gastrointestinal Endoscopy Journal , American Society for Gastrointestinal Endoscopy
2025	ACG Reviewer Award, American College of Gastroenterology

### Yale University/Yale School of Medicine/Hospital System

2022	Howard M. Spiro M.D. Digestive Diseases Fellowship Teaching Award, Yale School of Medicine
------	--

## Grants/Clinical Trials History:

### Current Clinical Trials

Agencies:	Medtronic, Inc.
I.D.#:	2000036541
Title:	Randomized Controlled Multi-Center Non-Inferiority Trial of UI-EWD (Nexpowder TM) vs. Conventional Treatment as First-Line Endoscopic Therapy for Patients with High-Risk Bleeding Ulcers (TREET)
P.I.:	Kenneth Hung
Role:	Principal Investigator
Percent effort:	N/A
Total costs:	-
Project period:	08/09/2024 - ongoing

## Invited Speaking Engagements, Presentations & Workshops Not Affiliated With Yale:

### International/National

1. "Measuring and Improving Quality in Gastroenterology: Unmet Needs in Gastrointestinal Bleeding". Oregon Health Sciences University Division of Gastroenterology, Oregon Health and

Science University Division of Gastroenterology Research Conference, Portland, OR, January 2018. (Lecture)

2. "Helicobacter pylori". Yale New Haven Hospital Digestive Health, Helicobacter pylori, Lecture on Helicobacter pylori infection, January 2021. (Lecture)
3. "Approach to Gastrointestinal Bleeding". Norwalk hospital, Norwalk Hospital Internal Medicine Residency Noon Conference, Lecture on gastrointestinal bleeding to Norwalk Hospital internal medicine residents., January 2021. (Lecture)
4. "Approach to Gastrointestinal Bleeding". Waterbury Hospital, Approach to Gastrointestinal Bleeding, Lecture on gastrointestinal bleeding for Waterbury Hospital internal medicine residents., January 2022. (Lecture)
5. "Slowing the Flow: the Pathway to Manage Gastrointestinal Bleeding". Yale New Haven Health, Yale New Haven Health System Hospitalist Grand Rounds, Hospitalist Grand Rounds Presentation on the approach to gastrointestinal bleeding, May 2022. (Lecture)
6. "Approach to Nonvariceal Upper GI Bleeding and Hemostasis". American Society for Gastrointestinal Endoscopy (ASGE), ASGE Endo Hangout for GI Fellows, Zoom, October 2023. (Lecture)

#### Regional

1. "Introduction to Paracentesis". Columbia University Internal Medicine Residency Program, New York Presbyterian Columbia University Intern Boot Camp, New York, NY, June 2018. (Demonstration)
2. "Update on Eosinophilic Esophagitis - Diagnosis and Treatment". Columbia University Division of Digestive and Liver Diseases, Grand Rounds - Division of Digestive and Liver Diseases, Department of Medicine, Columbia Vagelos College of Physicians and Surgeons, New York, NY, September 2018. (Lecture)
3. "Gastrointestinal Emergencies". New York Presbyterian Hospital Allen Pavilion, New York Presbyterian Columbia University Internal Medicine Residency Noon Conference, New York, NY, January 2019. (Lecture)

#### Peer-Reviewed Presentations Given at Meetings Not Affiliated With Yale:

##### International/National

1. Impact of a Gastroenterology Hospitalist Model on Management of Bleeding Peptic Ulcer Disease. American College of Gastroenterology, Impact of a Gastroenterology Hospitalist Model on Management of Bleeding Peptic Ulcer Disease, Las Vegas, NV, January 2021. (Poster Presentation)
2. **Hung KW**, Li DK, Hughes ML. Impact of a Gastroenterology Hospitalist Model on Management of Bleeding Peptic Ulcer Disease. American College of Gastroenterology (ACG), American College of Gastroenterology (ACG) Annual Meeting, Las Vegas, NV, October 2021. (Poster Presentation)

#### Professional Service:

##### Peer Review Groups/Grant Study Sections

2020 - Present      Member, American Gastroenterological Association, I serve as a member on the AGA quality committee. We work to develop and test evidence-based quality

measures and seek to increase awareness of the importance of quality in gastroenterology and hepatology. I am currently co-lead of the general gastroenterology/colorectal cancer workgroup.

2021 - Present      Committee Member, American Gastroenterological Association, I serve on the continuing medical education (CME) subcommittee of the American Gastroenterological Association (AGA), which entails reviewing educational programs for content validity, educational format, and bias.

## Journal Services

### *Editorial boards*

2022 - Present      Editorial Board Member, Gastro Hep Advances

### *Reviewer*

2019 - Present      Reviewer, Journal of Clinical Medicine

2019 - Present      Reviewer, Medical Science Monitor

2019 - Present      Reviewer, Annals of Transplantation

2019 - Present      Reviewer, American Journal of Case Reports

2020 - Present      Reviewer, Microorganisms

2021 - Present      Reviewer, Techniques and Innovations in Gastrointestinal Endoscopy

2021 - Present      Reviewer, Digestive Diseases and Sciences

2022 - Present      Reviewer, World Journal of Gastroenterology

2022 - Present      Reviewer, Alimentary Pharmacology & Therapeutics

2023 - Present      Reviewer, Gastrointestinal Endoscopy

2023 - Present      Reviewer, Clinical and Translational Gastroenterology

2023 - Present      Reviewer, Clinical Gastroenterology and Hepatology

2024 - Present      Reviewer, American Journal of Gastroenterology

2024 - Present      Reviewer, ACG Case Reports Journal

## Professional Organizations

### *American College of Gastroenterology*

2018 - Present      Member, American College of Gastroenterology

### *American Gastroenterological Association*

2017 - Present      Member, American Gastroenterological Association

2019 - Present      Delegate, American Gastroenterological Association, I am a member of the American Gastroenterological Association (AGA) Young Delegates, a group of junior faculty and fellows who assist the AGA in program development such as preparation of our annual meeting and testing educational material.

### *American Society for Gastrointestinal Endoscopy*

2016 - Present      Member, American Society for Gastrointestinal Endoscopy

## Yale University / Hospital System

### *Medical School*

2023 - Present      Committee Member, Yale School of Medicine, I serve as a member of the elective review committee of the Yale School of Medicine. We review clinical elective objectives, structure, and evaluations to ensure that our electives align with the educational goals of the medical school and accrediting bodies (Liaison Committee on Medical Education)

### *Department*

2019 - Present      Interviewer, Yale Department of Internal Medicine Section of Digestive Diseases, I conduct interviews of prospective gastroenterology fellows for our fellowship training program and discuss my recommendations with the program coordinator and program director to assist with selection of future Yale gastroenterology trainees.

2020 - Present      Committee Member, Yale Digestive Disease Fellowship Program, I am a member of the fellowship program evaluation committee, which assesses the strengths and weakness of the gastroenterology fellowship program. We also devise strategies to improve the fellowship program. As part of this committee, I have developed a database of potential research mentors to pair fellows with faculty for scholarly projects.

2022 - Present      Committee Member, Yale Digestive Disease Fellowship Program, I serve on the clinical competency committee of the digestive diseases fellowship program where we evaluate the performance of our fellows and develop plans for promotion or remediation.

### *Hospital*

2022 - Present      Committee Member, Yale New Haven Health, I serve on the Yale New Haven Health pharmacy and therapeutics committee where we review medications for addition to our health system formulary

## Public Service / Media Presence

### *Public Service*

2018 - Present      Volunteer, God's Love We Deliver, I volunteer in the kitchen of God's Love We Deliver, a nonprofit organization that cooks and delivers healthy meals to people living with chronic medical conditions such as cancer, heart failure, and AIDS.

## Bibliography:

## Peer-Reviewed Original Research

1. Stotts MJ, **Hung KW**, Benson A, Biggins SW. Rate and predictors of successful cardiopulmonary resuscitation in end-stage liver disease. *Digestive Diseases And Sciences* 2014, 59: 1983-6. [PMID: 24599771](#) , [DOI: 10.1007/s10620-014-3084-8](#) .
2. Dirchwolf M, Dodge JL, Gralla J, Bambha KM, Nydam T, **Hung KW**, Rosen HR, Feng S, Terrault NA, Biggins SW. The corrected donor age for hepatitis C virus-infected liver transplant recipients. *Liver Transplantation : Official Publication Of The American Association For The Study Of Liver Diseases And The International Liver Transplantation Society* 2015, 21: 1022-30. [PMID: 26074140](#) , [PMCID: PMC4809736](#) , [DOI: 10.1002/lt.24194](#) .
3. **Hung K**, Gralla J, Dodge JL, Bambha KM, Dirchwolf M, Rosen HR, Biggins SW. Optimizing repeat liver transplant graft utility through strategic matching of donor and recipient characteristics. *Liver Transplantation : Official Publication Of The American Association For The Study Of Liver Diseases And The International Liver Transplantation Society* 2015, 21: 1365-73. [PMID: 25865434](#) , [DOI: 10.1002/lt.24138](#) .
4. Laskey HL, Schomaker N, **Hung KW**, Asrani SK, Jennings L, Nydam TL, Gralla J, Wiseman A, Rosen HR, Biggins SW. Predicting renal recovery after liver transplant with severe pretransplant subacute kidney injury: The impact of warm ischemia time. *Liver Transplantation : Official Publication Of The American Association For The Study Of Liver Diseases And The International Liver Transplantation Society* 2016, 22: 1085-91. [PMID: 27302834](#) , [DOI: 10.1002/lt.24488](#) .
5. **Hung K**, Abdelmessih R, Faye A, Pont A, Lebwohl B, Freedberg D. Adherence to Helicobacter pylori Testing After Hospitalization for Bleeding Peptic Ulcer Disease. *The American Journal Of Gastroenterology* 2018, 113: s628. [DOI: 10.14309/00000434-201810001-01088](#) .
