

## CURRICULUM VITAE

Date of Revision: September 25, 2021  
Name: Kenneth Hung, MD, MS  
School: Yale School of Medicine

### Education:

BS, Rice University 2009  
BA, Rice University 2009  
MD, Baylor College of Medicine 2013  
MS, Columbia University Mailman School of Public Health 2019

### Career/Academic Appointments:

2013 - 2016 Resident, Internal Medicine, University of Colorado, Aurora, CO  
2016 - 2019 Clinical Postdoctoral Fellow, Medicine, Division of Digestive and Liver Diseases, New York Presbyterian Hospital - Columbia University Medical Center, New York, NY  
2019 - present Assistant Professor, Digestive Diseases, Yale School of Medicine, New Haven, CT

### Professional Honors & Recognition:

#### International/National/Regional

2019 New York Society for Gastrointestinal Endoscopy, Distinguished Poster First Place Award  
2015 University of Colorado Internal Medicine Residency Program, Best Resident Research Publication (First Runner-Up)  
2014 American College of Physicians, Colorado Chapter, Do No Harm Project Quarterly Winner for Best High-Value Care Clinical Vignette  
2013 Gold Humanism Honor Society  
2010 National Institute of Diabetes and Digestive and Kidney Diseases, Medical Student Research Program in Diabetes  
2009 Rice University Department of Kinesiology, Gilbert L. Hermance Award in Kinesiology  
2009 Phi Beta Kappa

### Grants/Clinical Trials History:

#### Pending Clinical Trials

Agency: NO FUNDING  
I.D.#: HIC# 2000031119EXEMPT  
Title: Aspirin for Primary Prophylaxis of Cardiovascular Events and Risk of Gastrointestinal Hemorrhage  
P.I.: Darrick K. Li

Role: Sub-Investigator  
Percent effort: N/A  
Total costs for project period: N/A  
Project period: 8/5/2021

Agency: NO FUNDING  
I.D.#: HIC# 2000030644EXEMPT  
Title: Cascade of care in peptic ulcer disease bleeding and predictors of H. pylori testing and confirmation of eradication  
Role: Principal Investigator  
Percent effort: N/A  
Total costs for project period: N/A  
Project period: 5/19/2021

Agency: NO FUNDING  
I.D.#: HIC# 2000029959EXEMPT  
Title: Investigation of factors associated with endoscopy efficiency and the association of efficiency with endoscopy quality measures  
Role: Principal Investigator  
Percent effort: N/A  
Total costs for project period: N/A  
Project period: 2/16/2021

Agency: NO FUNDING  
I.D.#: HIC# 2000031169  
Title: Efficacy, Safety, and Tolerability of MoviPrep® versus GoLYTELY® bowel preparation in hospitalized patients undergoing colonoscopy: a randomized control trial  
P.I.: Darrick K. Li  
Role: Sub-Investigator  
Percent effort: N/A  
Total costs for project period: N/A

**Invited Speaking Engagements, Presentations, Symposia & Workshops Not Affiliated With Yale:**

**International/National**

2018: Oregon Health Sciences University Division of Gastroenterology, Portland, OR. "Measuring and Improving Quality in Gastroenterology: Unmet Needs in Gastrointestinal Bleeding"

## Regional

- 2021: Norwalk hospital, Norwalk, CT. "Approach to Gastrointestinal Bleeding"
- 2019: New York Presbyterian Hospital Allen Pavilion, New York, NY. "Gastrointestinal Emergencies"
- 2018: Columbia University Division of Digestive and Liver Diseases, New York, NY. "Update on Eosinophilic Esophagitis - Diagnosis and Treatment"
- 2018: Columbia University Internal Medicine Residency Program, New York, NY. "Introduction to Paracentesis"

## Professional Service:

### Journal Service

#### *Reviewer*

- 2020 - present Reviewer, Microorganisms
- 2019 - present Reviewer, American Journal of Case Reports
- 2019 - present Reviewer, Annals of Transplantation
- 2019 - present Reviewer, Medical Science Monitor
- 2019 - present Reviewer, Journal of Clinical Medicine

## Professional Service for Professional Organizations

### *American Gastroenterological Association*

- 2019 - present Delegate, American Gastroenterological Association, I am a member of the American Gastroenterological Association (AGA) Young Delegates, a group of junior faculty and fellows who assist the AGA in program development such as preparation of our annual meeting and testing educational material.
- 2019 - present Committee Member, American Gastroenterological Association

## Meeting Planning/Participation

- 2020 - present Abstract Grader , American Gastroenterological Association, I served on the committee that reviewed abstracts for the fellow-led quality improvement project session submitted to the annual national meeting of the American Gastroenterological Association (Digestive Disease Week).
- 2019 - 2020 Abstract Grader , American Gastroenterological Association, I reviewed abstracts submitted to the annual national meeting of the American Gastroenterological Association (Digestive Disease Week) for the Stump the Professor session.

## Yale University Service

### *Departmental Committees*

- 2020 - present Committee Member, Yale Digestive Disease Fellowship Program, I am a member of the fellowship program evaluation committee, which assesses the strengths and weakness of the gastroenterology fellowship program. We also devise strategies to improve the fellowship program. As part of this committee, I have developed a

database of potential research mentors to pair fellows with faculty for scholarly projects.

2019 - present Interviewer, Yale Department of Internal Medicine Section of Digestive Diseases, I conduct interviews of prospective gastroenterology fellows for our fellowship training program and discuss my recommendations with the program coordinator and program director to assist with selection of future Yale gastroenterology trainees.

#### *Government and NGO Committees*

2020 - present Member, American Gastroenterological Association, I serve as a member on the AGA quality committee. We work to develop and test evidence-based quality measures and seek to increase awareness of the importance of quality in gastroenterology and hepatology.

#### **Public Service**

2018 - present Volunteer, God's Love We Deliver, I volunteer in the kitchen of God's Love We Deliver, a nonprofit organization that cooks and delivers healthy meals to people living with chronic medical conditions such as cancer and AIDS.
