8. "Advocacy, Human Rights and the Role of Professional Organizations". Society of General Internal Medicine, Advocacy, Human Rights and the Role of Professional Organizations, Washington, DC, January 2019. (Address)

9. "Documenting Physical Sequelae of Torture and Ill Treatment". University of Virginia School of Medicine, Documenting Physical Sequelae of Torture and Ill Treatment, Charlottesville, VA, January 2020. (Lecture)
10. "Addressing the Public Health Crisis at Border Detention Centers". Harvard Medical School, Addressing the Public Health Crisis at Border Detention Centers, Boston, MA, January 2020. (Lecture)
11. "The Clinician as Advocate". North American Refugee Healthcare Annual Conference, The Clinician as Advocate, Cleveland, OH, January 2020. (Other)
12. "Advocacy Forum". North American Refugee Healthcare Annual Conference, Advocacy Forum, Cleveland, OH, January 2020. (Address)
13. "Forensic Evaluation of Asylum Seekers Training Course". Society of Refugee Healthcare Providers, Forensic Evaluation of Asylum Seekers Training Course, Cleveland, OH, January 2020. (Lecture)
14. "Forced Displacement during COVID-19". University of California, San Francisco, Forced Displacement during COVID-19, San Francisco, CA, January 2020. (Address)
15. "Asylum Medicine for Undergraduates". Williams College, Asylum Medicine for Undergraduates, Williamstown, MA, January 2021. (Lecture)
16. "Society of Asylum Medicine". Massachusetts General Hospital, Society of Asylum Medicine, Boston, MA, January 2021. (Oral Presentation)
17. "Strategies for revised immigration practices and policies to promote social connections and rebuild family attachment relationships". American Public Health Association Annual Meeting, Strategies for revised immigration practices and policies to promote social connections and rebuild family attachment relationships, Denver, CO, January 2021. (Oral Presentation)
18. "Clinician Advocacy to Support Refugees, Immigrants, and Asylum Seekers". University of Toronto, Clinician Advocacy to Support Refugees, Immigrants, and Asylum Seekers, Toronto, ON, Canada, January 2021. (Oral Presentation)
19. "A Years-Long Commitment: Supporting Refugees and Asylum Seekers Throughout Our Professional Lifespan.". North American Refugee Healthcare Conference, North American Refugee Healthcare Conference, Cleveland, OH, June 2022. (Address)
20. "Forensic Evaluation of Asylum Seekers". North American Refugee Healthcare Conference, North American Refugee Healthcare Conference, Cleveland, OH, June 2022. (Address)
21. "Asylum Medicine Overview". Midwest Human Rights Consortium, Midwest Human Rights Consortium, Chicago, IL, October 2022. (Address)
22. "The Clinician as Advocate". University of Texas Human Rights and Asylum Medicine Class, San Antonio, Texas, February 2023. (Lecture)
23. "Introduction to Providing Forensic Mental Health Evaluations and Testimony for Asylum Seekers". National Consortium of Torture Treatment Centers, Washington, DC, March 2023. (Lecture)
24. "Asylum Seekers in a Time of Record Global Displacement". The Center for Victims of Torture, The Center for Victims of Torture National Capacity Building Project, New York, NY, August 2023. (Lecture)
25. "The Clinician as Advocate". Society of Refugee Healthcare Providers Advocacy Committee, International audience, November 2023. (Lecture)
26. "The Physician as Advocate". University of Texas San Antonio School of Medicine , University of Texas San Antonio Medical School, Virtual San Antonio, Texas, February 2024. (Lecture)

Regional

1. "Physical Evaluation of Asylum Seekers". Weill Cornell Center for Human Rights, Physical Evaluation of Asylum Seekers, New York, NY, January 2015. (Lecture)
2. "Evaluating Asylum Seekers". International Institute of Connecticut, Evaluating Asylum Seekers, Bridgeport, CT, January 2015. (Lecture)
3. "Save the Affordable Care Act Rally". Citizens for the Affordable Care Act, "Save the Affordable Care Act Rally", New Haven, CT, January 2017. (Other)
4. "Asylum Seekers in a Time of Record Forced Displacement: The Role of the Clinician". Stony Brook University, Asylum Seekers in a Time of Record Forced Displacement: The Role of the Clinician, Stony Brook, NY, January 2018. (Address)
5. "Medical Advocacy on Behalf of Detained Immigrants". Physicians for Human Rights, Medical Advocacy on Behalf of Detained Immigrants, New York, NY, January 2018. (Other)
6. "Medical Forensic Evaluations of Asylum Seekers". Columbia Law School, Medical Forensic Evaluations of Asylum Seekers, New York, NY, January 2020. (Lecture)
7. "Medical Evaluation of Asylum Seekers". Columbia Law School, Medical Evaluation of Asylum Seekers, New York, NY, January 2021. (Lecture)
8. "Advocating for Asylum Seekers in a Time of Record Forced-Displacement A Collaborative, Interdisciplinary Approach". Columbia Law School, Advocating for Asylum Seekers in a Time of Record Forced-Displacement A Collaborative, Interdisciplinary Approach, New York, NY, January 2021. (Lecture)
9. "Immigrant and Refugee Health Workshop". Yale School of Medicine, Clinical Skills Session, New Haven, CT, September 2023. (Lecture)

Peer-Reviewed Presentations Given at Meetings Not Affiliated With Yale:

International/National

1. Medical Evaluations of Refugees and Asylum Seekers. Society of General Internal Medicine, Medical Evaluations of Refugees and Asylum Seekers, Orlando, FL, January 2012. (Other)
2. Teaching Medical Students About Forensic Evaluations of Asylum Seekers: Five Clinical Models. Northeast Group on Educational Affairs, Teaching Medical Students About Forensic Evaluations of Asylum Seekers: Five Clinical Models, Providence, RI, January 2016. (Poster Presentation)
3. Resilience in Asylum, Immigrant, and Refugee Medicine: Self-Care and Support to Promote Long-Term Involvement and Well-Being of Clinicians. Society of General Internal Medicine, Resilience in Asylum, Immigrant, and Refugee Medicine: Self-Care and Support to Promote Long-Term Involvement and Well-Being of Clinicians, Washington, DC, January 2017. (Other)
4. Demonstrating Resilience After Fleeing Persecution: A Man Tortured for His Political Opinion is Granted Asylum. Society of General Internal Medicine, Demonstrating Resilience After Fleeing Persecution: A Man Tortured for His Political Opinion is Granted Asylum, Washington, DC, January 2017. (Poster Presentation)
5. A Woman Seeking Asylum Who Was Subjected to Female Genital Cutting. Society of General Internal Medicine, A Woman Seeking Asylum Who Was Subjected to Female Genital Cutting, Washington, DC, January 2017. (Poster Presentation)
6. An Innovative Approach to Teaching Asylum Medicine and Promote Resilience in Trainees Who Evaluate Torture Survivors: The Observership Model in a Simulation Center. Society of General

- Internal Medicine, An Innovative Approach to Teaching Asylum Medicine and Promote Resilience in Trainees Who Evaluate Torture Survivors: The Observership Model in a Simulation Center, Washington, DC, January 2017. (Poster Presentation)
7. Engaging Students in the Evaluation of Asylum Seekers: Building Capacity, Teaching Service and Resilience. Society of General Internal Medicine, Engaging Students in the Evaluation of Asylum Seekers: Building Capacity, Teaching Service and Resilience, Washington, DC, January 2017. (Poster Presentation)
 8. Advocating for Asylum Seekers in a Time of Record Forced Displacement: A Collaborative, Interdisciplinary Approach. International Society for Traumatic Stress Studies, Advocating for Asylum Seekers in a Time of Record Forced Displacement: A Collaborative, Interdisciplinary Approach, Washington, DC, January 2018. (Other)
 9. Medical Evaluation of Asylum Seekers: Lessons from Two University-Based Models. Society of Teachers of Family Medicine, Medical Evaluation of Asylum Seekers: Lessons from Two University-Based Models, Washington, DC, January 2018. (Poster Presentation)
 10. Resilience in Asylum, Immigrant, and Refugee Medicine; Self-Care and Support to Promote Long-Term Involvement and Well-Being of Clinicians. Society of General Internal Medicine New England Regional Meeting, Resilience in Asylum, Immigrant, and Refugee Medicine; Self-Care and Support to Promote Long-Term Involvement and Well-Being of Clinicians, Boston, MA, January 2018. (Other)
 11. Update in Asylum Law and Asylum Medicine. North American Refugee Health Conference, Update in Asylum Law and Asylum Medicine, Toronto, ON, Canada, January 2019. (Address)
 12. When Torture Survivors Recover and Heal: Exploring the Human Capacity for Resilience. International Society for Traumatic Stress Studies, When Torture Survivors Recover and Heal: Exploring the Human Capacity for Resilience, Boston, MA, January 2019. (Poster Presentation)
 13. Incorporating Health and Human Rights into Medical Education. North American Refugee Healthcare Conference, Incorporating Health and Human Rights into Medical Education, Toronto, ON, Canada, January 2019. (Other)
 14. Asylum Evaluations for Experienced Clinicians: A Deep Dive into Challenges and Pitfalls. North American Refugee Healthcare Conference (Virtual), Asylum Evaluations for Experienced Clinicians: A Deep Dive into Challenges and Pitfalls, Cleveland, OH, January 2020. (Oral Presentation)
 15. The Role of Social Determinants of Mental Health among Asylum Seekers: Implications for Sustainable Development Goal. North American Refugee Healthcare Conference, The Role of Social Determinants of Mental Health among Asylum Seekers: Implications for Sustainable Development Goal, Toronto, ON, Canada, January 2021. (Poster Presentation)
 16. How to Write an OpEd: Supporting Migrants Through Opinion Essay Advocacy. North American Refugee Healthcare Conference, How to Write an OpEd: Supporting Migrants Through Opinion Essay Advocacy, Toronto, ON, Canada, January 2021. (Lecture)
 17. United We Stand, Divided We Fall: a descriptive study on the current state of asylum medicine workforce in the US. North American Refugee Healthcare Conference, United We Stand, Divided We Fall: a descriptive study on the current state of asylum medicine workforce in the US, Toronto, ON, Canada, January 2021. (Poster Presentation)
 18. See How It's Done: A Standardized Video Format Demonstrating the Forensic Evaluation of Survivors of Trauma. North American Refugee Healthcare Conference, North American Refugee Healthcare Conference, Cleveland, OH, June 2022. (Oral Presentation)

Regional

1. Case Studies of Asylum Seekers. Society of General Internal Medicine New England Region, Case Studies of Asylum Seekers, New Haven, CT, January 2013. (Poster Presentation)
2. Teaching Cultural Sensitivity: Medical Evaluations of Asylum Seekers. Northeast Group on Educational Affairs, Teaching Cultural Sensitivity: Medical Evaluations of Asylum Seekers, New Haven, CT, January 2014. (Poster Presentation)
3. Medical Evaluation of Asylum Seekers. North American Refugee Health Conference, Medical Evaluation of Asylum Seekers, Niagara Falls, NY, January 2016. (Lecture)
4. Local Global Health: Evaluating Asylum Seekers, Caring for Refugees. Society of General Internal Medicine Regional Meeting, Local Global Health: Evaluating Asylum Seekers, Caring for Refugees, New Haven, CT, January 2016. (Address)
5. Medical Evaluation of Asylum Seekers. North American Refugee Health Conference, Medical Evaluation of Asylum Seekers, Niagara Falls, NY, January 2016. (Oral Presentation)
6. Advocating for Asylum Seekers in a Time of Record Forces Displacement: A Collaborative, Interdisciplinary Approach. Columbia University Teachers College, Advocating for Asylum Seekers in a Time of Record Forces Displacement: A Collaborative, Interdisciplinary Approach, New York, NY, January 2018. (Oral Presentation)
7. Compounded Trauma While Seeking Refuge: a Case of Family Separation in Asylum Medicine. Society of General Internal Medicine New England Regional Meeting, Compounded Trauma While Seeking Refuge: a Case of Family Separation in Asylum Medicine, New Haven, CT, January 2019. (Poster Presentation)

Professional Service:

Professional Organizations

Asylum Medicine Training Initiative

2022 - Present Steering Committee member, Asylum Medicine Training Initiative, Creating novel, evidence-based, peer reviewed asylum training curriculum

HealthRight International

2010 - 2024 Volunteer, HealthRight International

Integrated Refugee and Immigration Services

2020 - Present Board Member, Integrated Refugee and Immigration Services

MacMillan Center, Program on Refugees, Forced Displacement, and Humanitarian Responses

2016 - 2024 Member, MacMillan Center, Program on Refugees, Forced Displacement, and Humanitarian Responses

Physicians for Human Rights

2010 - 2024 Expert, Physicians for Human Rights, Pro bono medical expert
2021 - Present Committee Member, Physicians for Human Rights, Forensic Asylum Evaluation
Expert Group

Project Access New Haven

2018 - 2024 Board Member, Project Access New Haven

Society of Asylum Medicine

2021 - Present Co-Director, Society of Asylum Medicine, Co-founder and Co-director

Society of Refugee Healthcare Providers

2019 - Present Board Member, Society of Refugee Healthcare Providers

Yale University / Hospital System

Medical School

2002 - 2020 Interviewer, Yale Traditional Residency Program, Interviewer 2002-2011; 2018-
2020
2020 - 2024 Affiliate, Office of Global Health, Affiliated Faculty

Department

2023 - 2024 Co-Chair, Society of Refugee Healthcare Providers Advocacy Committee

Public Service / Media Presence

Public Service

2000 - 2007 Mentor, Yale University Medical Shadow Program, Mentored students who
shadowed me
2013 - 2020 Advisor, Yale School of Medicine-Physicians for Human Rights Interest Group
2016 - 2024 Committee Member, MacMillan Center Program on Refugees, Forced
Displacement and Humanitarian Responses
2019 - 2020 Advisor, Yale Traditional Residency Program Residency Advocacy Group
2020 Advisor, Physicians for Human Rights, American Civil Liberties Union and Others,
Expert consultant on health of migrants in detention during COVID-19 pandemic
2023 - 2024 Board Member, St Thomas's Day School Foundation Board of Directors
