

JEANNETTE R. ICKOVICS, PHD
The Samuel and Liselotte Herman Professor of Social and Behavioral Sciences
Yale School of Public Health, and Professor of Psychology
Yale University and the Graduate School of Arts & Sciences
60 College Street, New Haven CT 06520-8034, Jeannette.Ickovics@yale.edu

EDUCATION

DSc, Honorary	Muhlenberg College	2012
MA, Honorary	Yale University	2008
Post-Doctoral Scholar	Yale University, Health Psychology/Behavioral Medicine	1989-1991
PhD	George Washington University, Applied Social Psychology	1989
BA	Muhlenberg College, Psychology	1984

PROFESSIONAL EXPERIENCE

- 2022- **Affiliated Faculty, Yale Institute for Global Health, Yale Center for Climate Change and Health, Yale Planetary Solutions Project**
- 2016- **Inaugural Chair, The Samuel and Liselotte Herman Professor of Social and Behavioral Sciences**
- 2006- **Professor of Epidemiology & Public Health and of Psychology, Yale University School of Medicine and the Graduate School of Arts and Sciences, Founding Director, Social and Behavioral Sciences**
- 2018-2021 **Dean of Faculty, Yale-NUS [National University of Singapore] College, Singapore**
- Responsible for curriculum and faculty development (e.g., recruitment, mentoring, promotion), 140 faculty members across Sciences, Social Sciences and Humanities in the leading college of liberal arts and sciences in Asia
 - Key initiatives included: Emergency response – COVID-19, including implementation of remote teaching, guidelines for faculty teaching and research, policy development/adaptation; recruited 32 faculty members from leading institutions worldwide; managed promotion and tenure process; initiated faculty mentoring program for junior faculty; leadership in building research infrastructure such as initiating a program of peer review of grants, creating incentives, providing enhanced resources for pre- and post-grant support, established new internal sources of competitive funding from endowment; faculty workload and workload equity, including development of IT platform to monitor and enable better strategic and long-term planning; external reviews of academic programs of study including our Common Curriculum (2020) and majors' reviews; experiential/integrated learning; increasing visibility of the sciences, integration of laboratory facilities and staff; developed and implemented a global artist-in-residence program; involved in strengthening ties with our parent institutions – Yale University and the National University of Singapore – as well as other educational institutions in the United States and Asia; restructured our Centre for Teaching and Learning, initiated Teaching and Research Awards - Distinguished and Early Career; medical humanities – integration of the humanities, arts and sciences within the college and across two graduate medical schools in Singapore; student mental health/wellness.
 - Administrative supervision for the Centre for Teaching and Learning and the Writers' Centre
 - Director, Concurrent Degree Program with the Yale School of Public Health
 - Manage staff of approximately 20 and S\$30 million (US\$22.6 million) budget; initiated/implemented various process improvements and efficiencies
 - College committees:
 - Chair: Research Resources Committee (grant review and funding); Teaching Award; Committee on Awards, Medals and Prizes; Faculty Search Committees.

- Member: Yale-NUS – Academic Steering Committee; Academics Committee; Appointments Committee; Committee on Faculty Affairs; Common Curriculum Council of Facilitators (ex officio); Research Committee; Campus Events Approval Committee; Study Abroad Petition Committee; NUS – President’s Young Professorship Award Committee; NUS University Research Committee Expert Panel Humanities and Social Sciences (grant review); with Yale: Philanthropy Advisory Committee.

- Participated in Yale-NUS Brand Audit, Values Clarification, Sexual Misconduct and Human Resources reviews; refined select faculty-related policies in the Faculty Handbook

2017-2018 **Visiting Professor, Yale-NUS College**

2017-2018 **Associate Dean for Strategic Advancement, Yale School of Public Health**

Additional Academic Leadership Positions at Yale (through 2017, before Visiting Professor/Dean of Faculty at Yale-NUS College in Singapore, and upon return 2022-present)

- Provost’s Standing Advisory & Appointments Committee, Yale School of Management and the Jackson School of Global Affairs (2023-)
- Space Advisory Committees: Provost/University (2022-), and School of Public Health (2023-)
- Provost’s Standing Advisory & Appointments Committee, Yale School of Public Health (2015-2017)
- Yale Sustainability Strategic Plan Steering Committee (2015-2017)
- Tobacco-free Yale Advisory Committee (2015-2017)
- Faculty Chair, Association of Yale Alumni Assembly (2015); developed interactive program of >70 speakers highlighting the future of public health for >500 returning Yale alumni
- Yale School of Public Health, Centennial Committee (2014-2015)
- Yale University Health Leadership Council, Founding Member (2012-2017); develop health and wellness policies, including tobacco-free campus and healthy vending initiatives
- Curator, *Big Food: Health, Culture and the Evolution of Eating*, Yale Peabody Museum of Natural History (2012); >150,000 visitors, broke records for general and school student attendance
- Founding Director, CARE: Community Alliance for Research & Engagement (2006-2017); conduct community engagement, research and policy making to reduce health inequities
- Deputy Director, Yale Center for Interdisciplinary Research on AIDS (2006-2017); provide leadership and guidance to NIH-funded Research Center
- Director, Development Core; Director, Education and Training. NIMH T32 Interdisciplinary Training grant for Pre- and Post-doctoral Scholars (1999-2014; Co-Director, 2015-2017)
- Founding Chair, Social and Behavioral Sciences, Yale School of Public Health. Developed and implemented curriculum to Council on Education in Public Health accreditation standards; hired and mentored faculty; fastest growing and largest MPH program, trained >250 MPH students (2002-2012)
- Chair, Committee on Academic and Professional Integrity (2002-2016)
- Founding Deputy Director, Community Engagement, Yale Center for Clinical Investigation (2006-2011)
- Founding Chair, Community Advisory Board, Claude D. Pepper Older Americans Independence Center (2008-2009)

2003-2006 **Associate Professor of Epidemiology & Public Health and of Psychology, Yale University School of Medicine, Yale University, with appointment to the Graduate School of Arts and Sciences (without term, awarded tenure, July 2003)**

2002-2012 **Founding Director, Social and Behavioral Sciences, School of Public Health**

1999-2017 **Yale Center for Interdisciplinary Research on AIDS: Deputy Director (2006-2017); Director of Education and Training (T-32 Pre- and Post-Doctoral Training Grant in HIV Prevention; Founding Director 1999-2014, Co-Director, 2015-17); Director, Development Core (2005-08).**

1999-2003 **Associate Professor of Epidemiology & Public Health and of Psychology, Yale University School of Medicine (with term)**

1997-1999	Assistant Professor of Epidemiology & Public Health and of Psychology, Yale University School of Medicine
1993-1997	Assistant Professor of Medicine & Psychology, Yale University School of Medicine, Department of Internal Medicine
1991-1993	Associate Research Scientist and Lecturer Department of Psychology, Yale University and Fellow, MacArthur Foundation Network on Health and Behavior
1989-1991	Post-Doctoral Associate Department of Psychology, Yale University and Fellow, MacArthur Foundation Network on Health and Behavior
1985-1989	Research Associate, Walter Reed Army Institute of Research
1986-1987	Graduate Fellow, American Psychological Association, Office of Legislative Affairs
1985	Intern, US House of Representatives, Office of Peter Kostmayer (D-PA)
1983	Research Assistant, Medical College of Pennsylvania, with Philadelphia Geriatric Center

ELECTED HONORS

Climate Change Psychology Advisory Group, Inaugural Member, American Psychological Association, 2023-2026
Board Member, Board of Scientific Affairs, American Psychological Association, 2023-2025

- Liaison to the Board of Educational Affairs
- Board Chair, January 2024 through December 2025

Fellow, Public Voices/The OpEd Project, Ford Foundation, 2022-2023

Fellow, Academy of Behavioral Medicine Research, 2020

- International Society of Behavioral Medicine
- Federation for the Associations in Behavioral and Brain Sciences
- 2024, co-facilitator, Early Stage Investigator training

Fellow, European Society of Preventive Medicine, 2016

Fellow, American Psychological Association, Division of Health Psychology (Division 38), 2002

Fellow, American Psychological Association, Society for the Psychology of Women (Division 35), 2002

Fellow, American Psychological Association, Society for the Psychological Study of Social Issues (Division 9), 2002

Fellow, Bush Center in Child Development and Social Policy, Yale University, 2000

American Psychosomatic Society, 1997

New York Academy of Sciences, 1997

HONORS & AWARDS

American Public Health Association. Martha May Elliot Award, honoring exception achievements in the field of maternal and child health, 2023

Yale University. *Women in Science and Engineering at Yale University: The Evolution*. Part of the exhibition, *50 Women at Yale 150*, celebrating the anniversaries of the first women students in Yale College and the University. One of a select number of faculty profiles highlighted, 2020

American Psychological Association, The Strickland-Daniel Mentoring Award, 2018

New Haven Public Schools, Board of Education. Partner for Healthy Change Award, New Haven Public Schools Health and Wellness Summit, 2016

American Psychological Association, Board of Scientific Affairs, Master Lecturer, 2015

Connecticut Public Health Association, CEA Winslow Award, 2015

Highest honor, leadership in public health practice and research with commitment to social justice

Connecticut Technology Council, Women of Innovation Award, Research Innovation and Leadership, 2015

Association of Yale Alumni, Winslow Centennial Honor Roll for Excellence and Service, 2015
Honoring 100 faculty/alumni who made outstanding contributions to public health in the first 100 years of the Yale School of Public Health

Expect With Me, our evidence-based model of group prenatal care, recognized as an innovation in health care

- Minnesota Business Leaders in Health CARE, Software/Web Application Award; SpyderTrap, the Information Technology company that developed the Expect With Me Website, Finalist, 2015.
- Harvard Health Acceleration Challenge (Harvard Schools of Business and Medicine), Finalist (top 3% of 478 applicants), 2014
- Hemsley Challenge, Health Care Innovation, United Health, Finalist (top 2% of >200 applications), 2014

Greater New Haven Chamber of Commerce, Leadership in Healthcare Award, 2014

Connecticut Business News, *Healthcare Hero*, Community Service, 2013

Muhlenberg College, Honorary Degree Recipient, Doctor of Science, 2012

William Caspar Graustein Memorial Fund: Courageous Community, 2011; Community Leadership Program, 2009

Yale University, Seton Elm and Ivy Award, 2003

Selected for outstanding contributions towards improved relations between New Haven and Yale University, for community-based research on women's health

American Psychological Association, Early Career Award for Distinguished Contributions to Psychology in the Public Interest, 2000

American Psychological Association, Committee on Women in Psychology, Distinguished Emerging Leader Award, 1999

Sara Lee Foundation, National Frontrunner Protegee Award (Science and Humanities), 1999

Dean's Award for contributions made to excellence in medical student education, 1996-1997

Scholar, American Foundation for AIDS Research, 1993-1996

Distinguished Publication Award, Association for Women in Psychology, 1991. *American Psychologist*, *Women's Health: Review and Research Agenda as We Approach the 21st Century*, with Judith Rodin

Fellow, MacArthur Foundation Network on Health and Behavior, 1989-1993

Woodrow Wilson National Fellowship Foundation, Doctoral Dissertation Award, Finalist, 1989

Graduate Fellow and Teaching Fellow, George Washington University, 1984-1987

B.A., Magna Cum Laude, Muhlenberg College, 1984

The Carol Hutchinson Award for Excellence in Research in Psychology, Muhlenberg College, 1984

Psi Chi (National Honor Society for Psychology), Merit Award, 1984

Omicron Delta Kappa—National Leadership and Scholarship Honor Society, 1984

RESEARCH & TRAINING GRANTS (Principal Investigator, >\$40,000,000 in grants as PI)

<p><i>Pending</i> (submit Nov 7)</p>	<p><u>NIH P20 Research Center, Exploratory Grants for Climate Change and Health Research Center</u> Director, Community Engagement Core, Total Direct Costs: \$2,550,000 Built Environment, Energy, Equity, Climate and Health MPIs: Michelle Bell, Yale School of the Environment, Nicole Deziel, Yale School of Public Health</p>
<p><i>Funded 3 years, start date TBD</i></p>	<p><u>NASA</u> Co-Investigator, Total: \$1,500,000 Assessing Access to Nature and their Benefits in Environmental Justice Communities across US Cities. PI: Dr. Clara Pregitzer, Natural Areas Conservancy</p>
<p>09/01/2023 08/31/2024</p>	<p><u>Rockefeller Foundation, Climate Exploration Fund – with Resilient Cities Network</u> Principal Investigator (Yale), Total: \$250,000 Urban Health: Scoping at the Intersection of Health, Climate and Equity in Cities</p>
<p>06/01/2023 12/31/2024</p>	<p><u>Yale Planetary Solutions Project, Climate Impact Innovation Fund</u> Co-Investigator, Total: \$80,000 Passive Cooling with Terracotta and Hydrogel PI: Celia Toche, Yale School of Architecture and Pelli Clarke & Partners Architects</p>

07/01/2022 12/31/2023	<u>Hecht Faculty Network Research Grant</u> Principal Investigator, Total: \$50,000 Resilient Cities Network and Yale University: Building a Collaborative Framework to Identify Urban Health and Health Equity Solutions
12/01/2016 05/31/2019	<u>Merck for Mothers</u> Principal Investigator, Total: \$500,000 Pregnant Women with Chronic Disease: Evaluating Community-based Program Models
08/15/2015 06/30/2020	<u>National Institutes of Health. National Institute of Diabetes and Digestive and Kidney Diseases</u> Investigator, Total: \$3,012,819; Prevention of Lower Urinary Tract Symptoms in Women: Yale Bladder Health Clinical Center PI: Leslie Rickey (Yale School of Medicine), Multi-site collaborative center, 1U01 DK106908
04/01/2015 03/31/2017	<u>Health Research Services Administration</u> Principal Investigator, Total: \$100,000 Maternal and Child Health Research [Secondary data analysis grant/"big data"], R40MC28308
03/01/2015 07/31/2015	<u>National League of Cities/Children and Nature Network [JPB Foundation]</u> Principal Investigator/Evaluator, Total: \$44,000 Cities Promoting Access to Nature
01/01/2014 12/31/2014	<u>Center for Business and the Environment at Yale, School of Forestry and Environmental Studies</u> Principal Investigator, Total: \$55,000 Natural Environment and Human Health: Is increasing access to the natural environment to improve health a viable strategy for reducing health-related costs for businesses?
09/01/2013 06/30/2014	<u>Universal Healthcare, Connecticut Health and Donaghue Foundations</u> Principal Investigator, Total: \$115,000 Implementation of the Affordable Care Act: "Real Time" Assessment
01/01/2013 03/31/2017	<u>UnitedHealth Foundation</u> Principal Investigator, Total: \$4,448,936 Developing a Nationally Scalable Model of Group Prenatal Care to Improve Birth Outcomes
09/18/2012 09/17/2014	<u>Newman's Own Foundation</u> Principal Investigator, Total: \$100,000 Supplemental Nutrition Assistance Program (SNAP) Outreach Project
06/01/2011 10/31/2015	<u>Centers for Disease Control and Prevention</u> Evaluator/Sub-Contractor, Total: \$375,000, with CT Women's Equity and Legal Fund Hartford Teen Pregnancy Prevention: Promoting Science-Based Approaches to Teen Pregnancy Prevention Using Getting to Outcomes.
04/08/11 03/31/17	<u>National Institute of Child and Human Development</u> Principal Investigator, Direct: \$2,097,808; Total: \$2,952,958 School Wellness Policy: RCT to Implement and Evaluate Impact on Childhood Obesity In collaboration with New Haven Public Schools and the Rudd Center on Food Policy and Obesity (Jeannette Ickovics and Marlene Schwartz, Multiple PIs, 1R01 HD070740)
04/01/11 09/30/12	<u>The Aetna Foundation</u> Principal Investigator, Total: \$150,000 Childhood Obesity: Exploring Environmental Context on Risk Behaviors and Health Outcomes

11/01/10 10/31/13	<p><u>The Kresge Foundation, Emerging and Promising Practices</u> Principal Investigator, Total: \$750,000 A Comprehensive Multi-Sector Approach to Improve Community Health</p>
09/01/08 06/30/18	<p><u>National Institute of Mental Health</u> Deputy Director (since 2008); Director, Development Core (2001-2007) Total: \$19,126,404 [over two cycles] Center for Interdisciplinary Research on AIDS (PI, Dr. Paul Cleary 2P30MH062294)</p>
11/01/08 10/31/15	<p><u>The Patrick and Catherine Weldon Donaghue Medical Research Foundation</u> Principal Investigator, Direct: \$1,356,500; Total: \$1,680,000 Community Interventions for Health</p>
09/30/06 09/29/11	<p><u>National Center for Research Resources</u> Deputy Director, Investigator, Mentor; Director, Community Alliance for Research and Engagement (CARE); charged with university-community interface regarding research and translation/dissemination initiatives. Direct: approximately \$34,700,000; Total: \$57,300,000 Clinical & Translational Science Award (PI, Dr. Robert Sherwin, 1TL1RR024137, 1UL1RR024139). Objectives are to: train investigators in interdisciplinary clinical research, stimulate extension of research from laboratory to community, and forge research partnerships to improve health.</p>
08/18/06 01/31/13	<p><u>National Institute of Mental Health</u> Principal Investigator, Direct: \$3,058,317; Total: \$5,056,486 Integrating Prenatal Care to Reduce HIV: A Translational Study (R01-MH074399) Linked R01 with Dr. Jonathan Tobin, Clinical Directors Network, New York NY (R01-MH074394)</p>
09/30/06 09/15/11	<p><u>National Institute of Mental Health</u> Investigator, Direct: \$1,743,611; Total: \$2,848,264 HIV/STD Risk among Young Expectant Fathers: Relationship Attachment & Transition (PI, Dr. Trace Kershaw; 1R01MH075685)</p>
9/30/04 9/29/19	<p><u>Centers for Disease Control and Prevention</u> Principal Investigator (beginning September, 2012) 2009-2014, Direct: \$3,642,802; Total: \$4,601,158 Prevention Research Center: Meeting Community Needs across the Prevention Spectrum Identify and support research in health promotion and disease prevention (5U48DP000053)</p>
07/01/04 06/30/19	<p><u>National Institutes of Health/National Institute of Mental Health</u> Principal Investigator, Director of Education and Training (2004-2014); Co-Director (2015-2019) Total: \$4,893,603 Interdisciplinary HIV Prevention Training Program (T32-MH20031)</p>
09/20/04 08/31/09	<p><u>National Institute on Drug Abuse</u> Co-Investigator Psychosocial Research to Improve Drug Treatment in Pregnancy (PI, Dr. Kimberly Yonkers; R01DA019135)</p>
09/30/03 09/29/08	<p><u>National Institute on Drug Abuse</u> Co-Investigator/Associate Director, Direct: \$5,832,189; Total: \$6,703,160 Sexual Acquisition and Transmission of HIV Cooperation Agreement Program: Sexual Transmission of HIV among Drug Users (PI, Dr. Robert Heimer; U01 DA017387)</p>

09/30/01 **National Institute of Mental Health**
02/28/07 **Co-Investigator/Director, Development Core/Director, Education and Training Total: approximately \$12,000,000**
Center for Interdisciplinary Research on AIDS (PI, Dr. Michael Merson; P30MH062294)

04/24/01 **National Institute of Mental Health**
03/31/06 **Principal Investigator, Direct: \$3,057,832; Total: \$3,646,845**
Intervention to Reduce HIV/STD Risk in Teen Pregnancy (R01MH/HD61175).

07/01/01 **National Institutes of Health/Fogarty International Center**
06/30/06 **Co-Investigator, Direct: \$1,383,182; Total: \$1,295,325**
Training in HIV Prevention Research in South Africa (PI, Dr. Michael Merson; D43 TW05808)

07/01/01 **Health Resources and Services Administration, Maternal & Child Health Bureau**
05/31/03 ***Subcontract from the Community Foundation of Greater New Haven***
Principal Investigator, Direct: \$274,314; Total: \$301,745 (CFDA 93.926E)
Eliminating Disparities in Perinatal Health (New Haven Healthy Start, Evaluation)

09/30/00 **National Institutes of Health/National Institute of Mental Health**
08/31/04 **Co-Investigator, Direct: \$1,413,003; Total: \$1,806,734**
Intervention for Coping with HIV and Trauma. (PI, Dr. Kathleen Sikkema; R01 MH62965)

09/22/00 **National Institute of Arthritis and Musculoskeletal and Skin Disorders**
09/21/05 **Principal Investigator, Direct: \$1,853,261; Total: \$2,254,092**
Knee Surgery: Mechanisms of Recovery Following Sports Injury (R01-AR-46299)

09/30/99 **National Institutes of Health/Office of AIDS Research**
09/29/00 **Principal Investigator, Direct: \$75,956; Total: \$97,831**
Intervention to Reduce HIV/STD Risk among Pregnant Teens; research supplement to NIMH grant—Identity and Pregnant Teens: Prospective Study of HIV Risk

07/01/99 **National Institutes of Health/National Institute of Mental Health**
06/30/04 **Training Director, Direct: \$950,454; Total: \$1,021,716**
Interdisciplinary HIV Prevention Training Program (T32-MH20031)

08/01/97 **National Institute of Mental Health/National Institute on Drug Abuse**
07/31/01 **Center for Interdisciplinary Research on AIDS**
Jointly funded by NIMH and NIDA to establish an Interdisciplinary AIDS Research Center at Yale University. Dean Michael Merson, PI for Center. (#PO1 MH/DA56826-01A1 -- Total: \$10,760,588)
Associate Director, Direct: \$1,481,526; Total: \$1,955,614 [Administrative Core]
Project Director, Direct: \$1,129,662; Total: \$1,491,154
Identity and Pregnant Teens: Prospective Study of HIV Risk
Co-Investigator, Direct: \$1,010,654; Total: \$1,334,063
Message Framing and HIV Prevention/Detection in Low Income Women

07/01/97 **Gaylord Rehabilitation Research Institute**
06/30/99 **Principal Investigator, Direct: \$85,000; Total: \$100,000**
Rehabilitation Following Orthopedic Surgery: Interdisciplinary Assessment of Mechanisms of Recovery

01/01/96 **National Institute of Allergy and Infections Disease, AIDS Clinical Trials Group**
8/31/01 **Adherence Committee, Founding Co-Chair, Total: approximately \$250,000**
Responsibility to develop and implement a national research agenda in the recruitment, adherence and retention of patients in AIDS clinical trials.

10/01/95	<u>Centers for Disease Control and Prevention</u>
09/30/00	Principal Investigator; Direct: \$1,038,000; Total: \$1,338,800 Determinants/Consequences of HIV C&T for Pregnant Women in Connecticut (#U64CCU112274).
07/01/95	<u>MacArthur Foundation, Working Group on Socioeconomic Status and Health</u>
06/30/99	Investigator; Direct: \$114,617; Total: \$114,617 Funding for three projects related to social class and health: (1) Heart rate variability—Recovery following myocardial infarction; (2) The effects of chronic stress on cortisol recovery; (3) neuroendocrine and immune mechanisms in recovery following surgery.
09/30/93	<u>National Institute on Drug Abuse</u>
08/31/97	Principal Investigator; Direct: \$270,535; Total: \$451,099 Recruitment/Retention of IDUs in AIDS Clinical Trials (#1 R01 DA08143).
07/01/93	<u>American Foundation for AIDS Research Scholar Award</u>
06/30/96	Principal Investigator; Direct: \$102,000; Total: \$112,200 Clinical Trials: Enhancing Recruitment/Retention (#70350-14-RF).
04/01/92	<u>National Institute of Allergy and Infectious Disease</u>
01/31/96	Program Director; Direct: \$107,988; Total: \$142,544 Predicting Recruitment/Retention in AIDS Clinical Trials [Program, Adult AIDS Clinical Trials Units, Gerald Friedland, M.D., Principal Investigator] (#5 U01 AI32766).
04/01/92	<u>National Institutes of Health, Office for Research on Women's Health</u>
01/31/94	Program Director; Direct: \$75,758; Total: \$100,000 Supplemental research award for National Institute on Drug Abuse, Recruitment/Retention of IDUs in AIDS Clinical Trials (#1 R01 DA08143).
03/01/91	<u>American Foundation for AIDS Research</u>
02/28/93	Co-PI/Project Director; Direct: \$100,000; Total: \$120,000 HIV Testing/Serostatus: Effects on Women's Behavior (00156212RGR; 00142110RGD).
12/01/91	<u>World Health Organization/Global Program on AIDS</u>
11/31/92	Collaborator; Total: \$49,882 AIDS Prevention: Community-Based IEC Strategies in Rural Communities in Northern Thailand. [CARE International in Thailand with NorthNET].

Connecticut Department of Public Health and Addiction, Statewide HIV Counselors meeting. *ACTG 076: Implications for clinical care and clinical research*. Middletown CT, February 1996.

Connecticut HIV Prevention Community Planning Group. *ACTG 076: Empirical Findings, Clinical Implications, Ethical Considerations*. Waterbury CT. February 1996.

Graduate Center and City University of New York. *Women and AIDS*. New York NY, February 1995.

New England AIDS Education and Training Center, Substance use and AIDS: A course for primary care providers.
Ethical dilemmas in the management of persons with substance abuse and AIDS. Avon CT. April 1994.

Indiana State University, Department of Psychology. *Women's Health Research*. Keynote Address.
Growing Older, Getting Better: Health Issues for Women in their Prime. Terre Haute IN. October 1992.

Association for Women in Psychology. Award address: *Women's Health Research: AIDS as Metaphor*.

Long Beach, CA. February 1992.

VIIIth International Conference on AIDS. Women and high-risk behavior. Amsterdam. July, 1992.

TEACHING EXPERIENCE

- Frontiers in Public Health – Executive MPH and MS Epidemiology/Biostatistics/Health Informatics
- Social and Cultural Factors in Mental Health and Illness
- Social and Behavioral Foundations of Health
- Behavioral Medicine/Health Psychology
- Community Health Assessment and Improvement
- Research Methods & Study Design
- Health Disparities
- Resilience and the Human Condition: Psychology, Health and Literature

POST-DOCTORAL AND PRE-DOCTORAL TRAINING

Director of Education and Training, Yale University Center for Interdisciplinary Research on AIDS 1999-2015. Oversaw supervision of ten Pre- and Post-Doctoral Fellows annually for a total of nearly 100 since inception. Facilitate seminars on research in progress and professional development. Direct supervision and mentorship for undergraduate and graduate students at Yale as well as post-doctoral fellows and faculty.

Post-Doctoral Fellows:

1. ANDREW MEISLER, Ph.D. (Syracuse University) 1991-1992. Director, Post-Traumatic Stress Disorder Unit, Connecticut Veterans Administration Hospital.
2. ALLISON MORRILL, Ph.D. (Boston College) 1993-1994. Associate Dean for Research, New England University. [Retired]
3. JENNIFER DRULEY, Ph.D. (Kent State University). 1996-1997. Associate Professor, Cleveland State University. [Deceased]
4. ELISSA EPEL, Ph.D. (Yale University) 1996-1998. Professor, University of California, San Francisco.
5. KATHLEEN ETHIER, Ph.D. (Graduate Center, City University of New York) 1996-1999. Director, Division of Adolescent and School Health. US Centers for Disease Control and Prevention.
6. LAURA BAYER, Ph.D. (Virginia Commonwealth University) 1997-1999. Clinical Psychologist, VA Community-based Outpatient Clinics, Veterans Affairs Connecticut Healthcare System.
7. MICHELLE CALLAHAN, Ph.D. (University of Michigan) 1998-2000. Senior Consultant. NuBrick Partners, consulting firm; national media.
8. LINDA NICCOLAI, Ph.D. (Tulane University) 2000-2002. Professor, Yale School of Public Health.
9. TRACE KERSHAW, Ph.D. (Wayne State University) 2000-2003. Professor, Yale School of Public Health.
10. STEPHANIE MILAN, Ph.D. (Vanderbilt University) 2002-2004. Associate Professor and Director of Clinical Psychology, University of Connecticut, Department of Psychology.
11. ELIZABETH REED, Sc.D. (Harvard University). 2007-2008. Associate Professor of Global Health, San Diego State University.
12. AMY CARROLL SCOTT, Ph.D. (UCLA). 2008-2011. Associate Professor and Chair Department of Community Health and Prevention, Drexel University.
13. LISA ROSENTHAL, Ph.D. (SUNY Stony Brook). 2011-2013. Associate Professor, Pace University.
14. VALERIE EARNSHAW, Ph.D. (Univ. of Connecticut). 2011-2014. Associate Professor, University of Delaware.
15. LORI WALLACE, Ph.D. (University of Michigan). 2014-2015. Associate Research Scientist, Center for Outcomes Research and Evaluation, Yale University.
16. LISA BOYD, Ph.D. (Penn State University). 2016-2018. Associate Research Scientist, Department of Urology, Yale University.

Dissertation Advisor:

1. ELISSA EPEL, Ph.D. candidate, Department of Psychology (1998). The effects of chronic stress on cortisol recovery among healthy women. *Winner of the 1996 American Psychological Association, Division of Health Psychology, Student Research Award; 1998 Society of Behavioral Medicine Dissertation Award; and the Woodrow Wilson Dissertation Award on Women's Health.*
2. MICHAEL RODRIGUEZ, Ph.D. candidate, Department of Psychology (2000). Identity and Mental Health among Gay Men with HIV/AIDS. *Winner, 1996 Society for General Internal Medicine Linn Trust Award.*
3. KRISTIN MATTOCKS, Ph.D. candidate, Yale School of Public Health/Chronic Disease Epidemiology, Yale University Graduate School of Arts and Sciences (2004). Mental and Physical Health Consequences of HIV-Related Stigma.
4. STEFANIE RUSSELL, DDS, Ph.D. candidate, Yale School of Public Health/Chronic Disease Epidemiology, Yale University Graduate School of Arts and Sciences (2004). Social Class and Oral Health in US Adults.
5. ALISON NORRIS, MD, Ph.D. candidate, Yale School of Public Health/Chronic Disease Epidemiology, Yale University Graduate School of Arts and Sciences (PhD awarded 2007; MD 2008). Making Ends Meet: Ethnographic and Epidemiologic Study of Poverty, Sexuality and HIV on a Sugar Plantation in Northern Tanzania. *Recipient of a Fulbright Foundation Dissertation Award.*
6. ENRIQUE POUGET, PhD candidate, Yale School of Public Health/Chronic Disease Epidemiology, Yale University Graduate School of Arts and Sciences (2009). Sex segregation and HIV risk. *Recipient of an NIH National Research Service Award.*
7. KATIE BROOKS BIELLO, PhD candidate, Yale School of Public Health/Chronic Disease Epidemiology, Yale University Graduate School of Arts and Sciences (2011). Residential Racial Segregation and Sexual Risk in the United States.
8. HEATHER COLE-LEWIS, Yale School of Public Health/Chronic Disease Epidemiology, Yale University Graduate School of Arts and Sciences (2012). Examining the Relationship between Pregnancy Anxiety and Preterm Birth among Urban Adolescents and Young Women.
9. KATHLEEN O'CONNOR DUFFANY, Yale School of Public Health/Chronic Disease Epidemiology, Yale University Graduate School of Arts and Sciences (2015). Maternal Obesity and Related Conditions: Risk Factors for Childhood Delays.
10. ISABEL MARTINEZ, Yale School of Public Health/Chronic Disease Epidemiology, Yale University Graduate School of Arts and Sciences (2016). Acculturation, Immigration and Adolescence: Exploring Substance Use, Violence and Depression as a Syndemic for HIV Risk among Black and Latina Adolescents.
11. RENEE MEHRA, Yale School of Public Health/Chronic Disease Epidemiology, Yale University Graduate School of Arts and Sciences (2020). Institutional Racism and Adverse Birth Outcomes.

Doctoral Committee Member:

1. ALLISON MORRILL, Ph.D. candidate, Department of Psychology, Boston College (1993). Interpersonal relationships and heterosexual behavior among women at risk for HIV.
2. KAVEH KHOSHNOOD, Ph.D. candidate, Department of Epidemiology and Public Health, Yale University (1995). Client Based Evaluation of New Haven's Needle Exchange Program.
3. SUSAN BEREN, Ph.D. candidate, Department of Psychology, Yale University (1996). Stigmatization and shame as determinants of subclinical eating disorder pathology: Comparison of gay and heterosexual men.
4. CHLOE MARTIN, Ph.D. candidate, Department of Psychology, Yale University (1999). Psychological Aspects of Genetic Counseling and Testing for Melanoma Predisposition.
5. LAURA STROUD, Ph.D. candidate, Department of Psychology, Yale University (1999). Sex Differences in Adrenocortical Responses to Achievement and Interpersonal Stressors.
6. WILLIAM NICHOLAS, Ph.D. candidate, Yale School of Public Health/Chronic Disease Epidemiology, Yale University Graduate School of Arts and Sciences (1999). Policy analysis of U.S. Public Health Service Guidelines on HIV counseling and testing of pregnant women.
7. AMANDA DURANTE, Ph.D. candidate, Yale School of Public Health/Chronic Disease Epidemiology, Yale University Graduate School of Arts and Sciences (2001). Studies of the early natural history of anal HPV infection in HIV-infected women: from infection to the development of anal cytologic abnormalities.

8. LISA CALVOCORESSI, Ph.D. candidate, Yale School of Public Health/Chronic Disease Epidemiology, Yale University Graduate School of Arts and Sciences (2003). Psychosocial influences on non-adherence to mammography screening guidelines among African American and White women, ages 40-79.
9. KRISTOPHER FENNIE, Ph.D. candidate, Yale School of Public Health/Chronic Disease Epidemiology, Yale University Graduate School of Arts and Sciences (2003). HCV sero-prevalence and sero-incidence in Connecticut's sole correctional facility for women.
10. JOSEPH GOULET, Ph.D. candidate, Yale School of Public Health/Chronic Disease Epidemiology, Yale University Graduate School of Arts and Sciences (2003). The long-term effects of mental and drug disorder comorbidity on alcohol disorders and mortality outcomes.
11. SUSAN HARDY MD, Ph.D. candidate, Department of Investigative Medicine, Yale University School of Medicine (2004). Patterns of recovery from disability in older adults.
12. CHRISTINA MEADE, Ph.D. candidate, Department of Psychology, Yale University (2006). Severe mental illness and HIV risk. *Recipient of NIH National Research Service Award.*
13. ALLISON AMEND, Ph.D. candidate, Yale University School of Nursing (2006). Psychosocial factors related to dietary intake in Black women with Type 2 diabetes.
14. KATE ELLINGSON, Ph.D. candidate, Department of Epidemiology and Public Health, Yale University School of Medicine (2006). Evaluating the combined impact of formal and informal "connectedness" on mental health services and public program participation for at-risk children.
15. LISA CADMUS, Ph.D. candidate, Department of Psychology, Yale University (2007). Exercise and quality of life for breast cancer survivors.
16. KATIE McLAUGHLIN, Ph.D. candidate, Department of Psychology, Yale University (2007). A public health approach to the study and prevention of adolescent depression and anxiety.
17. TRACI GREEN, Ph.D. candidate, Yale School of Public Health/Chronic Disease Epidemiology, Yale University Graduate School of Arts and Sciences (2009). Modeling substance use and health outcomes among adults from the Veterans Administrative Cohort Study (VACS). *Recipient of an NIH National Research Service Award.*
18. MARK HATZENBUEHLER, Ph.D. candidate, Department of Psychology, Yale University Graduate School of Arts and Sciences (2009). Mental health disparities in LGB populations: Moving from markers of risk to mediating pathways. *Recipient of an NIH National Research Service Award.*
19. HEATHER SIPSMA, Ph.D. candidate, Yale School of Public Health/Chronic Disease Epidemiology, Yale University Graduate School of Arts and Sciences (2010). Pregnancy intendedness, reproductive risk, and birth outcomes.
20. ODAYME QUESADA, MD candidate, School of Medicine, Yale University (2012). Prenatal hazardous substance use and adverse infant birth outcomes.
21. JENNY CARILLO, Ph.D. candidate, Department of Psychology, Yale University Graduate School of Arts and Sciences (2012). Psychological and social factors contributing to depressive symptoms among Asian and Latino first-generation immigrants.
22. AMANDA TRIPP, Ph.D. candidate, Health Policy and Management, Yale University Graduate School of Arts and Sciences (2016). Evaluating health decisions and spending behaviors among low-income consumers participating in federal nutrition programs. [Reader]
23. ALEXANDER BAZAZI, MD and Ph.D. candidate, Schools of Medicine and Public Health, Yale University (2016). Characterizing and responding to the epidemics of HIV and injection drug use in Malaysia. [Reader]

Other student thesis advising (Primary advisor only):

1. TARYN P. HA (Yale School of Medicine, 1996), Advisor for Student Thesis: Physician Preparedness for the AIDS Epidemic in Vietnam. *Winner of the Downs International Fellowship, Yale School of Medicine.*
2. BEATRICE THAYAPARAN (Yale College 1996), Advisor for independent study on women and AIDS. Ms. Thayaparan is co-author an invited chapter on women and AIDS for the Handbook of Health Psychology. *For this work, she is the winner of the Edward A. Bouchet Undergraduate Research Fellowship, and a 1996-1997 Fulbright Fellowship to study women and AIDS at the National Research Council, Division of Public Health & Laboratory Sciences, London, England.*

3. ERIC HANSEN (Yale College 1998), Advisor for thesis on the impact of exercise on the physical and mental health of disabled athletes. *Winner of the Silliman College Master's Award for summer research.*
4. RUTH POTE (Yale School of Medicine, 1999), Advisor for Student Thesis: *Maternity and Medicine*; developing retrospective and prospective studies of combining families and medical careers among 1,200 Yale School of Medicine graduates. *Ms. Pote won a 1997 Research Grant from the Society for the Psychological Study of Social Issues, and received additional support from the Dean of Students' Office and the Office for Women in Medicine at Yale.*
5. SUNG-JAE LEE (MPH, Yale School of Medicine, Department of Epidemiology and Public Health, 1998), Advisor for Masters Thesis: Assessment of the HIV/AIDS Epidemic in Northern Thailand.
6. JOHN SANCHEZ (MPH, Yale School of Medicine, Department of Epidemiology and Public Health, 1998), Advisor for Masters Thesis: The Impact of Identity on HIV-Care Seeking Behavior of Latino Men Who Have Sex with Men.
7. JAKLEN TUYEN (MPH, Yale School of Medicine, Department of Epidemiology and Public Health, 1998), Advisor for Masters Thesis: Zidovudine Compliance to Prevent Perinatal HIV Transmission (Thailand).
8. GEORGE MELIKIAN (MPH, Yale School of Medicine, Department of Epidemiology and Public Health, 1999), Advisor for Masters Thesis: HIV seroprevalence among commercial sex workers in Armenia. *Winner of the Downs International Fellowship from the Yale University School of Medicine.*
12. STACY GRILL (MPH, Yale School of Medicine, Department of Epidemiology and Public Health, 1999), Advisor for Masters Thesis: [Contraception coverage by managed care organizations.]
13. SARAH STANTON (MPH, Yale School of Medicine, Department of Epidemiology and Public Health, 1999), Advisor for Masters Thesis: Abstinence-only education: Effects of federal policy on state sex education.
14. ANNABELLE SOL CRUZ BLEZA (MPH, Yale School of Medicine, Department of Epidemiology and Public Health, 2002), Advisor for Masters Thesis: Breast cancer patients who agree to be randomly assigned to psychosocial treatment differ from patients who simply join.
15. MIGHTY FINE (MPH, Yale School of Medicine, Department of Epidemiology and Public Health, 2005), Advisor for Masters Thesis: Men who have sex with men and women: men on the down low. What are the public health implications?
16. CHRISTINA HOLUB (MPH, Yale School of Medicine, Department of Epidemiology and Public Health, 2005), Advisor for Masters Thesis: Synergistic effects of prenatal and parenting stress on adolescent maternal adjustment : identifying a high-risk subgroup
17. ZOE HARRIS (MPH, Yale School of Medicine, Department of Epidemiology and Public Health, 2006), Advisor for Masters Thesis: Incarceration as a treatment window: Health-related complaints of inmates in the District of Columbia penal system.
18. EMILY STASKO (MPH, Yale School of Medicine, Department of Epidemiology and Public Health, 2006), Advisor for Masters Thesis: Determinants and consequences of HIV-related stigma: A systematic review.
19. JOCELYN BENSON (MPH, Yale School of Medicine, Department of Epidemiology and Public Health, 2006), Advisor for Masters Thesis: The association of maternal pre-pregnancy BMI and pregnancy weight gain with pregnancy outcomes: Use of Nebraska PRAMS 2000-2002.
20. LISA BONO-CORREDOR (MPH, Yale School of Medicine, Department of Epidemiology and Public Health, 2006), Advisor for Masters Thesis: Epidemiology of herpes simplex virus, United States 1990-2002.
21. HALA IMAM (MPH, Yale School of Medicine, Department of Epidemiology and Public Health, 2007), Advisor for Masters Thesis: An assessment of domestic violence aid in the courts.
22. CYNTHIA SHIN-YEE TSAI (MPH, Yale School of Medicine, Department of Epidemiology and Public Health, 2007), Advisor for Masters Thesis: Douching and risk of sexually transmitted infections: A prospective study in high-risk adolescents.
23. ANN BELLENGER (MPH, Yale School of Medicine, Department of Epidemiology and Public Health, 2007), Advisor for Masters Thesis: Exercise decline in the perinatal and postpartum periods: Observations from an urban cohort of young pregnant women.
24. WING YU TANG (MPH, Yale School of Public Health, 2011), Advisor for Master's Thesis: Posttraumatic Growth: Predictors and Moderation of Psychosocial States among Urban Adolescents.
25. REBEKAH WHEELER (MPH, Yale School of Public Health, 2011, and joint degree with Yale School of Nursing, CNM, MSN), Advisor for Master's Thesis: Postpartum Sexually Transmitted Infections:

Redefining the High-Risk Population.

KRYSTA TITEL (MPH, Yale School of Public Health, 2011), Advisor for Master's Thesis: Raising Healthy Kids: Family Support as a Means of Curbing the Childhood Obesity.

26. RACHEL CHEN (BA, Yale University, 2011), Advisor for Senior Thesis: Understanding How Healthcare Reform Can Stem the Obesity Epidemic: Systematic Review of Dietary and Physical Activity Interventions.
27. ANNA ZONDERMAN (MPH, Yale School of Public Health, 2012), Advisor for Master's Thesis: Perinatal Predictors of Psychosocial Outcomes among Infants Born to Young Urban Mothers.
28. BIANCA CARRION (MPH, Yale School of Public Health, 2013), Advisor for Master's Thesis: Housing Instability and Birth Weight among Young Urban Mothers.
29. STACEY KALLEM (MD, Yale School of Medicine, 2013), Advisor for one-year research fellowship and thesis (required for medical school degree): Childhood Obesity: Opportunities for Clinical Intervention.
30. IRIS CHANDLER (MD, Yale School of Medicine, 2014), Advisor for one-year research fellowship and thesis (required for medical school degree): Social and Behavioral Factors that Impact Use of the Emergency Department for Children and Adults.
31. ABIGAIL TAYLOR (MPH, Yale School of Public Health, 2014), Advisor for Master's Thesis: Prenatal Depression and Sexual Risk.
32. SOPHIA HUA (BS, Psychology 2015; MPH Yale School of Public Health, 2016), Advisor for Undergraduate Honor's Thesis: Healthy Vending: A Randomized Controlled Trial or Healthier Products, Price and Promotional Signs.
33. SARAH MAVER (MPH, Yale School of Public Health, 2016), Advisor for Master's Thesis: Health for Achievement: Greater Health Assets Related to Standardized Test Scores among Eighth Grade Students.
34. MELODY KINGSLEY (MPH, Yale School of Public Health, 2016), Advisor for Master's Thesis: E-Cigarette Use among Urban Adolescents: A Longitudinal Study of Prevalence and Predictors of Uptake.
35. REBECCA BAKAL (MPH, Yale School of Public Health, 2017), Advisor for Master's Thesis: *Expect With Me* Group Prenatal Care: Multi-Method Analysis of Factors Influencing Implementation.
36. KELLY FLANAGAN (MPH, Yale School of Public Health, 2017), Advisor for Master's Thesis: Sexual and Reproductive Health: WHO Factors Related to Access for Adolescents in New York City.
37. KALYA KEE (BA, Yale-NUS College, 2018). Advisor for Senior Capstone: Academic Stress, Grit and Determination among College Students: Role of Collectivist Culture.
38. CHEONG ZI GI (BA, Yale-NUS College, 2018). Advisor for Senior Capstone: Responses to Climate Change: How Environmental Concerns Influence Pro-Environmental Behaviors.
39. KALLA SY (BA, Yale-NUS College, 2021). Advisor for Senior Capstone: Societal Narratives of Pregnancy across Twenty Countries: Applied Computational Linguistics on a 1.5 Billion-Word Corpus.

EDITORIAL ACTIVITIES

Senior Editor (2016-2017), Progress in Preventive Medicine

Editorial Board (1995-1997); Associate Editor (1998-1999), Women's Health: Research on Gender, Behavior and Policy

Editorial Review (select)

JAMA, British Medical Journal, American Journal of Public Health, Social Science and Medicine, Journal of Clinical Epidemiology, Psychological Bulletin, Psychological Science, American Psychologist, Health Psychology, Journal of Personality and Social Psychology, Journal of Consulting and Clinical Psychology, Journal of General Internal Medicine, AIDS, Journal of Acquired Immune Deficiency Syndrome, Archives of Pediatrics and Adolescent Medicine, Journal of Urban Health, Millbank Quarterly

MEDIA

Hodder Communications. Developed patient and provider videos for *Expect With Me*, group prenatal care.

Vida Health Communications, Inc. NIH SBIR Grant to develop and evaluate website training course, Managing Risks in Pregnancy. Boston MA.

Clinical Directors Network. Nationwide Webcasts: Bundling Prenatal Care and HIV Prevention; and, Window of Opportunity: Preventing HIV/STD among Pregnant Teens.

Centers for Disease Control & Prevention. Nationwide Teleconference, Preventing Perinatal Transmission of HIV. Advisory Board, State of the Art (Academy Award winning producers of health-related films and video), Washington DC.

New York Public Television with Alvin H. Perlmutter Inc. Consultant on proposal for a nationally-syndicated television program on women's health, *Health in Our Hands: Women's Health Communications Project*.
