

AUGUST 2025

## CURRICULUM VITAE

**Name:** Richard Joseph Antaya, M.D.

**Title:** Professor of Dermatology and Pediatrics, Clinician Educator Track

**School:** Yale University, School of Medicine and Yale School of Nursing

**Academic Address:**

Department of Dermatology  
Yale University School of Medicine  
333 Cedar St, LLC1 507A, Box 208059  
New Haven, CT 06520-8059  
Phone: 203.737.5418  
Fax: 203.785.7637

**Education:**

1981-85 B.S., Rensselaer Polytechnic Institute, Troy, NY (major: chemistry; minor: biochemistry)  
1985-89 M.D., Tufts University School of Medicine, Boston, MA (AOA)

**Career/Academic Appointments:**

1989-90.1 Intern, Pediatrics - Tripler Army Medical Center, Honolulu, HI  
1990-92.1 Resident, Pediatrics - Tripler Army Medical Center, Honolulu, HI  
1992-95 Staff Pediatrician, Bayne-Jones Army Hospital (BJACH), Fort Polk, LA  
1995-98 Resident, Dermatology - Duke University Medical Center, Durham, NC  
1997-98 Dermatology Consultant, John Umstead State Psychiatric Hospital, Butner, NC  
1997-98 Chief Resident, Division of Dermatology, Duke Univ. Medical Center, Durham, NC  
1998-99 Instructor of Dermatology and Pediatrics, Yale University, New Haven, CT  
1999-2005 Assistant Professor of Dermatology and Pediatrics (and Nursing, 2004), Yale University School of Medicine, New Haven, CT  
2005-12 Associate Professor of Dermatology, Pediatrics, Nursing; Yale University, New Haven, CT  
2012-pres Professor; Dermatology, Pediatrics, Nursing Yale University, New Haven, CT

**Administrative Positions:**

1992-93 Chief, Pediatric Service, BJACH, Fort Polk, LA  
1993 Assistant Director, Multi-specialty Clinic, BJACH, Fort Polk, LA  
1993-95 Chief, Department of Medicine, BJACH, Fort Polk, LA (internal med, pediatrics and dermatology)  
1998-pres Director, Pediatric Dermatology, Yale School of Medicine, New Haven, CT

2000-2019 Medical Director, Yale Dermatology Associates (Faculty Practice), New Haven, CT  
2019-pres Medical Director, Yale Medicine Dermatology: New Haven (Faculty Practice), New Haven, CT

**Board Certification:**

National Board of Medical Examiners, 1990  
American Board of Pediatrics, 1992, (recertification: 1999, 2006)  
American Board of Dermatology, 1998 (recertification: 2007, 2017)  
American Board of Dermatology, Subspecialty in Pediatric Dermatology (2004, recert 2014)

**Professional Honors & Recognition:**A) International/ National/ Regional

2022-25 America's Top Doctor by Castle Connolly  
2018 Presidential Citation Award, American Academy of Dermatology  
2016-pres American Dermatologic Association  
2016 America's Top Doctors by Castle Connolly, 15<sup>th</sup> Ed  
2015 America's Top Doctor by Castle Connolly, 14<sup>th</sup> Ed  
2014 Vitals Compassionate Award  
2014-15 New York Metro Area's Top Doctors, Castle Connolly, 18th Ed  
2014-15 Marquis Who's Who in America  
2013 Special Achievement Award, American Academy of Pediatrics, CT Chapter  
2012-14 New York Metro Area's Top Doctors, Castle Connolly  
2012 America's Top Dermatologists of the Consumers' Research Council of America  
2011 Martin Sklaire School Health Award, CT Chapter, American Academy of Pediatric  
2010 Case of the Year Award, New England Dermatologic Society  
2009-25 Connecticut Magazine Top Docs (Dermatology/ Pediatric Dermatology)  
2008 Connecticut Magazine Top Docs (Dermatology), *received most votes in CT by peers*  
2006 Connecticut Magazine Top Docs (Dermatology)  
2006 Quiz Winner - Society for Pediatric Dermatology Annual Meeting  
2005-20 Best Doctors in America  
2002 Best Doctors in America  
2001 National Registry of Who's Who, Life Member  
2001 Top Doctors Connecticut (Dermatology)  
2000 Top Doctors (Dermatology)  
1989 AOA, Tufts University School of Medicine  
1986-89 Health Professions Scholarship (United States Army)  
1984 Alpha Epsilon Delta, Nat'l Health Preprofessional Honor Society, Rensselaer Polytechnic Inst.  
1981 National Honor Society  
1981 Kopplemann Scholarship  
1981 Williams College Book Award

**B) University**

- 2024 David and Cindy Leffell Prize for Clinical Excellence, Yale School of Medicine  
2010 Nominated for Alice Bohmfalk Teaching Award in Clinical Science  
2009 Board of Directors (elected), Yale Medical Group – member at large

**Grant History:****A) Current Clinical Trials****B) Past Clinical Trials**

- 2019-2021 Verrica Pharmaceuticals, Inc. – unrestricted grant for independent research. Richard J. Antaya, M.D., Principal Investigator.
- 2020-2023 LEO Pharma A/S. Protocol: LP0133-1181. Delgocitinib cream for the treatment of moderate to severe atopic dermatitis during 8 weeks in adults, adolescents, and children. Richard J. Antaya, M.D. Principal Investigator and International Coordinating Investigator.
- 2019-2023 LEO Pharma A/S. Protocol: LP0162-1337. Long-term extension trial in subjects with atopic dermatitis who participated in previous tralokinumab trial - ECZTEND Richard J. Antaya, M.D. Principal Investigator.
- 2018-2022 LEO Pharma A/S. Protocol: LP0162-1334. Tralokinumab monotherapy for adolescent subjects with moderate to severe atopic dermatitis. Richard J. Antaya, M.D. Principal Investigator.
- 2017-2019 Ferndale Labs – grant for investigator-initiated, proof of concept trial. A study of the efficacy of an occlusive heat patch in the treatment of verruca. Richard J. Antaya, M.D., Principal Investigator.
- 2017 Regeneron Pharmaceuticals, Inc. EudraCT Number: 2015-004458-16, Yale HIC # 2000020527A randomized, double-blind, placebo-controlled study to investigate the efficacy and safety of dupilumab monotherapy in patients  $\geq 12$  to  $< 18$  years of age, with moderate-to-severe atopic dermatitis. Richard Antaya, MD, Principal Investigator.
- 2013-2017 Ferndale Labs – grant for investigator-initiated, proof of concept trial. A Comparative Study of Occlusive Heat Patch Versus No Treatment in the Treatment of Verruca. Richard J. Antaya, M.D., Principal Investigator.
- 2013-2014 Pierre Fabre Dermatology Laboratories. Yale HIC # 1309012649. Burden of infantile hemangioma on family: An international observational cross-country study. Richard Antaya, MD, Principal Investigator.

- 2006-2018 Leo Pharm. APPLES: A Prospective Pediatric Longitudinal Evaluation to Assess the Long-Term Safety of Tacrolimus Ointment for the Treatment of Atopic Dermatitis. Richard J. Antaya, M.D., Principal Investigator.
- 2005-2006 Fujisawa Healthcare, Inc. Protocol #20-04-002. A multicenter study to assess the impact of topical corticosteroids on the safety and efficacy of Protopic® (Tacrolimus) ointment in the short-term treatment of atopic dermatitis and to assess Protopic® in the long-term management of atopic dermatitis.
- 2004-2006 3M Pharmaceuticals. 1494-IMIQ MC, Yale HIC #26504. Phase III Vehicle-controlled, Double-blind Study to Assess the Safety and Efficacy of Imiquimod Cream, 5% for the Treatment of Molluscum Contagiosum in Pediatric Subjects. Yale Children's Clinical Research Center. Richard Antaya, MD, Principal Investigator.
- 2002-2004 Fujisawa Healthcare, Inc. Protocol 20-02-006. Randomized, Investigator Blinded, Study of Tacrolimus (Protopic®) Ointment vs. Pimecrolimus (Elidel®) Cream In Pediatric Patients With Mild Atopic Dermatitis Phase IV. Yale Children's Clinical Research Center and Yale Dermatology Associates, PC. Richard Antaya, MD, Principal Investigator.
- 2002-2003 Fujisawa Healthcare, Inc. Protocol 20-02-005. A Randomized, Investigator Blinded, Study Of Protopic® (Tacrolimus) Ointment vs. Elidel® (Pimecrolimus) Cream In Pediatric Patients With Moderate To Severe Atopic Dermatitis Phase IV. Yale Children's Clinical Research Center and Yale Dermatology Associates, PC. Richard Antaya, MD, Principal Investigator.
- 2002-2003 Pfizer -A0561015 A Randomized, Partially Double-Blind, Multicenter Trial Comparing the Efficacy and Safety of Diflucan® (fluconazole) for 3 Weeks Versus Diflucan® for 6 Weeks Versus Grifulvin V® (griseofulvin) for 6 Weeks Given Once Daily to Pediatric Patients with Tinea Capitis. Yale Children's Clinical Research Center. Richard Antaya, MD, Principal Investigator.
- 1999-2001 Fujisawa Healthcare, Inc. Protocol 99-0-054. An open-label study to evaluate the safety of topically applied Tacrolimus ointment for the treatment of atopic dermatitis. Yale Children's Clinical Research Unit. Richard Antaya, MD, Principal Investigator.

### **Lectures, Courses, Web-based Education:**

#### **Connecticut and Regional**

- 2025 Starting from Scratch: Common Pediatric Dermatoses. Yale Pediatric Community Education Series. *virtual* Bridgeport, CT
- 2024 Red Flags: Cutaneous Vascular Lesions in Childhood. Connecticut Children's Medical Center. Ask the Expert. *virtual* Hartford, CT.

- 2023 Bathing to Biologics and Beyond: Managing Eczema for Everyone. Pediatric Grand Rounds, Department of Pediatrics St. Joseph's Children's Hospital, *virtual* Paterson, NJ
- 2022 Bathing to Biologics and Beyond: Managing Eczema for Everyone. Department of Pediatrics Stony Brook University, Grand Rounds, *virtual* Stony Brook, NY
- 2021 Bathing to Biologics and Beyond: Managing Eczema for Everyone. Yale Allergy and Immunology Grand Rounds. *virtual* New Haven, CT
- 2021 Bathing to Biologics and Beyond: Managing Eczema for Everyone. Yale Pediatric Community Education Series. *virtual* New Haven, CT
- 2021 Alternative Therapies for Warts: Immunotherapy & Local Hyperthermia. New England Dermatological Society Meeting. *virtual* New Haven, CT
- 2021 Lessons from the Other Side of *the Exam Table*. Dermatology Grand Rounds. University of California San Francisco. *virtual* San Francisco, CA
- 2021 Lessons from the Other Side of the Exam Table. Virtual Pediatric Grand Rounds, Department of Pediatrics, Bay State Medical Center, Tufts University, Springfield, MA
- 2021 Bathing to Biologics and Beyond – Managing Eczema for Everyone. Virtual Yale Primary Care Spring Educational Evening Lecture Series, New Haven, CT
- 2021 Therapeutic Update for Pediatric Skin Disorders. Virtual Pediatric Grand Rounds, Department of Pediatrics, Bay State Medical Center, Tufts University, Springfield, MA
- 2020 TeleDerm in times of Covid and the Five E's of an Exceptional Eczema Experience. Connecticut Childrens' Medical Center Virtual Grand Rounds. Hartford, CT.
- 2020 Biologics in Pediatric Skin Diseases. Pediatrics Grand Rounds. Montefiore Hospital-Einstein Medical School. New York City, NY.
- 2020 Fire, Ice and the Immune System: An Evidence-based Appraisal of Wart Therapy. Department of Dermatology, Montefiore Hospital-Einstein Medical School. New York City, NY.
- 2020 Lessons from the Other Side of the Exam Table. Pediatrics Grand Rounds. Northwestern University, Ann & Robert H. Lurie Children's Hospital, Chicago, IL
- 2019 Acne: A Clear Path to Clear(er) Skin. 17<sup>th</sup> Annual Yale Pediatric Update. Woodbridge, CT
- 2019 Biologics in Pediatric Skin Diseases. Dermatology Grand Rounds. Dartmouth University-Hitchcock Hospital, Hanover, NH

- 2019 Red Flags: Cutaneous Vascular Lesions in Childhood. 3<sup>rd</sup> Annual Fairfield County Pediatric Education Day, Westport, CT
- 2018 Biologics in Pediatric Skin Diseases. Dermatology Grand Rounds. Harvard University-Massachusetts General Hospital. Boston, MA
- 2018 Lessons from the Other Side of *the Exam Table*. Connecticut Dermatology and Dermatologic Surgery Society Annual Education Meeting and Expo
- 2018 Pediatric Dermatology Update V.2018. Dermatology Grand Rounds. Penn State Department of Dermatology. Hershey, PA.
- 2018 Lessons from the Other Side of *the Exam Table*. Penn State Dermatology. Hershey, PA.
- 2018 Earn an A+: Acne and Atopic Dermatitis. 40<sup>th</sup> Annual School Health Conference, AAP Critical Issues in School Health. Cromwell, CT.
- 2017 Pediatric Dermatology Update V.2017. 15<sup>th</sup> Annual Yale Pediatric Update. Woodbridge, CT
- 2016 Pediatric Dermatology Update. 4<sup>th</sup> Annual Rhode Island Dermatology Society. Providence, RI.
- 2016 Red Flags: Cutaneous Vascular Lesions in Children. Long Island Dermatological Society Meeting. Woodbury, NY.
- 2016 Starting from Scratch: Common Pediatric Dermatoses. 38<sup>th</sup> Annual School Health Conference, AAP Critical Issues in School Health. Cromwell, CT.
- 2014 Rashes, Rashes and More Rashes. 12<sup>th</sup> Annual Yale Pediatric Update. New Haven, CT
- 2014 Hemangiomas and Vascular Birthmarks: How to Diagnose and When to Worry. Hot Topics in Pediatric and Adolescent Dermatology 2014. Mount Sinai St. Luke's and Mount Sinai Roosevelt Hospitals. New York, NY
- 2014 Atopic Dermatitis. Hot Topics in Pediatric and Adolescent Dermatology 2014. Mount Sinai St. Luke's and Mount Sinai Roosevelt Hospitals. New York, NY.
- 2014 Great Cases from Connecticut. Hot Topics in Pediatric and Adolescent Dermatology 2014. Mount Sinai St. Luke's and Mount Sinai Roosevelt Hospitals. New York, NY
- 2014 Starting From Scratch: Common Pediatric Dermatoses. 36th Annual School Health Conference, AAP Critical Issues in School Health. Cromwell, CT
- 2014 The Five E's of an Exceptional Eczema Experience. Connecticut Chapter American Academy of Pediatrics. CME Teleconference, State of CT AAP. Feb 25, 2014.

- 2013      Evaluating Vesicular and Pustular Eruptions in the Neonate and Infant. Grand Rounds, Department of Pediatrics, Bay State Medical Center, Tufts University, Springfield, MA
- 2013      The Five E's of an Exceptional Eczema Experience. Grand Rounds, Department of Pediatrics, Bay State Medical Center, Tufts University, Springfield, MA
- 2013      Red Flags: Cutaneous Vascular Lesions in Children. Grand Rounds, Department of Pediatrics, UMDNJ Robert Wood Johnson Medical Center, New Brunswick, NJ. May 23, 2013.
- 2013      Pediatric Dermatology Critical Concepts. Bridgeport Pediatrics Grand Rounds. Bridgeport, CT. April 24, 2013
- 2012      Red Flags: Cutaneous Vascular Lesions in Children. Connecticut American Academy of Pediatrics. CME Teleconference, October 2, 2012.
- 2012      Red Flags: Cutaneous Vascular Lesions in Children. Grand Rounds, Department of Pediatrics, Stony Brook University. Stony Brook, NY.
- 2012:      Liu L, Sokoloff D, **Antaya R**. Initial 24-hour hospitalization for patients beginning systemic propranolol therapy for hemangiomas of infancy – is it indicated? (Poster presentation #59) Student Research Day, Yale Medical School, New Haven, CT.
- 2012:      Great Cases in Pediatric Dermatology. Hot Topics in Pediatric and Adolescent Dermatology. St Luke's and Roosevelt Hospitals. New York, NY.
- 2012:      The Five E's of an Exceptional Eczema Experience. Hot Topics in Pediatric and Adolescent Dermatology. St Luke's and Roosevelt Hospitals. New York, NY.
- 2012:      Starting From Scratch: Common Pediatric Dermatoses. 34<sup>rd</sup> Annual School Health Conference, AAP Critical Issues in School Health. Cromwell, CT.
- 2011:      The Five E's of an Exceptional Eczema Experience. 9<sup>th</sup> Annual Yale Pediatric Update. New Haven, CT.
- 2011:      Starting From Scratch: Common Pediatric Dermatoses. 33<sup>rd</sup> Annual School Health Conference, AAP Critical Issues in School Health. Farmington, CT.
- 2011:      Evaluating Vesicular and Pustular Eruptions in the Neonate. Bridgeport Hospital Pediatric Grand Rounds. Bridgeport, CT
- 2010:      Red Flags: When Cutaneous Vascular Lesions are More than Skin Deep. Yale University, Department of Pediatrics Grand Rounds. New Haven, CT.

- 2010: Starting From Scratch: Common Pediatric Dermatoses. 32<sup>nd</sup> Annual School Health Conference, AAP Critical Issues in School Health 2009. Farmington, CT.
- 2009: Great Cases in Pediatric Dermatology. Current Trends in Pediatric Dermatology. St Luke's and Roosevelt Hospitals. New York, NY.
- 2009: Atopic Dermatitis: What's New, What's Not, Current Trends in Pediatric Dermatology. St Luke's and Roosevelt Hospitals. New York, NY.
- 2009: Four Instructive Cases in Pediatric Dermatology. Connecticut Dermatology and Dermatologic Surgery Society. Southington, CT.
- 2009: Treatment of Recalcitrant Atopic Dermatitis. Connecticut Dermatology and Dermatologic Surgery Society. Southington, CT
- 2009: Dermatology Puzzlers: Don't Be Fooled. 7<sup>th</sup> Annual Yale Pediatric Update. New Haven, CT
- 2009: Wart's Up? An Analysis of Wart Treatments. Annual Yale General Pediatric Faculty Seminar. New Haven, CT.
- 2009: Discovering a New Dermatology Summer Camp. New England Dermatological Society Meeting. Yale University. New Haven, CT.
- 2009: Pediatric Dermatology Potpourri - News and Novelties for Your Practice." Best of Bogin" The Maxwell Bogin Pediatric Seminar. Shelton, CT.
- 2009: Pediatric Dermatology Potpourri. University of Connecticut. Pediatrics Residency Lecture Series. Hartford, CT.
- 2009: Introduction to Pediatric Dermatology. Connecticut Department of Children and Families Educational Conference. Rocky Hill, CT.
- 2009: Starting From Scratch: Common Pediatric Dermatoses. 31<sup>st</sup> Annual School Health Conference, AAP Critical Issues in School Health 2009. Farmington, CT.
- 2008: Starting From Scratch: Common Pediatric Dermatoses. 30<sup>th</sup> Annual School Health Conference, AAP Critical Issues in School Health 2008. Farmington, CT.
- 2007: Red Flags: When Cutaneous Vascular Lesions are More than Skin Deep. Organization of Neonatal Nurses Annual Meeting. Plantsville, CT.
- 2007: Dermatologic Unknowns: What's in a Rash. 5<sup>th</sup> Annual Yale Pediatric Update. New Haven, CT.

- 2007: Cutaneous Vascular Lesions of Childhood. Pediatric Grand Rounds. Bridgeport Hospital, Bridgeport, CT.
- 2007: Red Flags: Cutaneous Vascular Lesions of Childhood. Pediatric Grand Rounds. Yale University School of Medicine. New Haven, CT.
- 2006: Atopic Dermatitis. Lattanzi-Pearson Pediatric Lecture Series. St Raphael Hospital, New Haven, CT.
- 2006: Starting From Scratch: Common Pediatric Dermatoses. 28<sup>th</sup> Annual School Health Conference, AAP Critical Issues in School Health 2006. Farmington, CT.
- 2006: Pediatric Dentodermatology. Connecticut Society of Pediatric Dentists Quarterly Meeting. New Haven, CT.
- 2006: Atopic Dermatitis. Pediatric Grand Rounds. Lawrence and Memorial Hospital. New London, CT.
- 2006: Atopic Dermatitis. Pediatric Grand Rounds. Backus Hospital. Norwich, CT.
- 2005: Starting From Scratch: Common Pediatric Dermatoses. 28<sup>th</sup> Annual Maxwell Bogin Lectures in Pediatrics. Shelton, CT.
- 2005: Starting From Scratch: Common Pediatric Dermatoses. Connecticut Dermatology Physician Assistant Society, 1st Regional CME Symposium, Foxwoods Resort Casino. Mashantucket, CT.
- 2005: Starting From Scratch. West Haven School Nurses Pre-School Clinical Conference. West Haven, CT.
- 2005: Starting From Scratch: Common Pediatric Dermatoses. 27<sup>th</sup> Annual School Health Conference, AAP Critical Issues in School Health 2005. Farmington, CT.
- 2005: Atopic Dermatitis: Itching to Know More. Pediatric Grand Rounds, Hospital of St. Raphael. New Haven, CT
- 2004: Starting From Scratch: Common Pediatric Dermatoses. 26<sup>th</sup> Annual School Health Conference, AAP Critical Issues in School Health 2004. Farmington, CT.
- 2003: Hyper-Immunoglobulin E Syndrome Update: A New Robe for Job? New England Dermatological Society Meeting. Yale University.
- 2003: Pediatric Dermatology Update: Atopic Dermatitis. Dermatology Grand Rounds, University of Connecticut, Farmington, CT.

- 2001: Red Flags: When Cutaneous Vascular Lesions Are More Than Skin Deep. Connecticut Dermatology Society. Trumbull, CT.
- 2001: Starting From Scratch: Diseases of the Skin. 23<sup>rd</sup> Annual School Health Conference: Critical Issues in School Health 2001. Waterbury, CT.
- 2001: Starting From Scratch: Common Pediatric Dermatoses. New Haven School Nurses Symposium. New Haven, CT.
- 2000: Starting From Scratch: Skin Diseases of Children. Connecticut Academy of Family Physicians 2000 Scientific Symposium, Plantsville, CT.
- 2000: Starting From Scratch: Diseases of the Skin. Connecticut Chapter of Dermatology Nurses Association Annual Meeting. MidState Medical Center. Meriden, CT.
- 2000: Red Flags: Cutaneous Vascular Lesions in Children. Shoreline Pediatrics Association. Mystic, CT.
- 2000: Starting From Scratch: Diseases of the Skin. 22<sup>st</sup> Annual School Health Conference: Critical Issues in School Health 2000. Waterbury, CT.
- 2000: Common Pediatric Dermatoses. Connecticut Association of School Based Health Centers Annual Conference. Foxwoods Resort. Ledyard, CT.
- 1999: Red Flags: Cutaneous Vascular Lesions in Children. Invited lecturer. Lattanzi-Pearson Pediatric Seminar. Hospital of St. Raphael, New Haven, CT.
- 1999: Vitiligo and Alopecia Areata. Practical Pediatric Dermatology Seminar. American Academy of Pediatrics 1999 Annual Meeting. Washington, D.C.
- 1999: Psoriasis, Pityriasis Rosea and other Childhood Rashes. Practical Pediatric Dermatology Seminar. American Academy of Pediatrics 1999 Annual Meeting. Washington, D.C.
- 1999: Acne. Practical Pediatric Dermatology Seminar. American Academy of Pediatrics 1999 Annual Meeting. Washington, D.C.
- 1999: Dermatopharmacology and Common Pediatric Dermatoses. Invited lecturer. Windham Hospital. Willimantic, CT.
- 1999: Psoriasis, Pityriasis Rosea and Other Rashes of Childhood. Pediatric Ambulatory Lecture, Hospital of Saint Raphael. New Haven, CT.
- 1999: Starting From Scratch: Diseases of the Skin. American Academy of Pediatrics 21<sup>st</sup> Annual School Health Conference: Critical Issues in School Health 1999. Waterbury, CT.

1999: Starting From Scratch: Diseases of the Skin. New Haven area school nurses' continuing education curriculum invited lecture. ACES, Hamden, CT.

1999: Evaluating Vesicular and Pustular Eruptions in the Neonate. Greenwich Hospital, Staff Pediatricians CME. Greenwich, CT.

- 2006: Avances en dermatología – Dermatitis atopica. XXVI Congreso Colombiano de Dermatología. Cartagena, Colombia.
- 2006: Year in Review: Dermatology. Society for Pediatric Dermatology 32<sup>nd</sup> Annual Meeting, Montreal, Canada.
- 2005: Atopic Dermatitis in Children – “Special Issues”. 7<sup>th</sup> Asian Congress of Dermatology incorporating 5<sup>th</sup> Regional Conference of Pediatric Dermatology. Plenary session. Kuala Lumpur, Malaysia.
- 2005: Treating Atopic Dermatitis with Tacrolimus. 7<sup>th</sup> Asian Congress of Dermatology incorporating 5<sup>th</sup> Regional Conference of Pediatric Dermatology. Topical calcineurin inhibitor symposium. Kuala Lumpur, Malaysia.

- 2005: Meet the Experts Session: Pediatric Use of Tacrolimus Ointment. Kuala Lumpur, Malaysia.
- 2005: Randomized comparative trials of Tacrolimus ointment and Pimecrolimus cream for atopic dermatitis. Scientific session. Latin-American Protopic Launch meeting. New Orleans.
- 2004: Tacrolimus ointment is more effective than Pimecrolimus cream with a similar safety profile in patients with atopic dermatitis. (Poster presentation). World Congress of Pediatric Dermatology. Rome, Italy.
- 2001: The Role of Physical Barriers. Controversy 5: Sun protection in children, Pros and cons. IX World Congress of Pediatric Dermatology, Cancun, Mexico.
- 2001: Should Children with Skin Types IV and V Use Sunscreen? Controversy 5: Sun protection in children. Pros and cons. IX World Congress of Pediatric Dermatology, Cancun, Mexico.
- 1997: Dermatology graduate medical education in the United States. Department of Dermatology, University of Aarhus, Denmark.

## **PROFESSIONAL SERVICE:**

### **Peer Review Groups/Grant Study Sections**

- 2011 Pediatric Dermatology Expert Working Group. Dermatology Topic Advisory Group, World Health Organization (WHO), International Classification of Disease (ICD) Revision Project
- 2007-11 Global Data Safety Monitoring Board (DSMB) for pimecrolimus (Elidel) cream
- 2006-pres Dermatology Consultant for TROPIC (TRading Of Pediatric International Cases)

### **Journal Service**

- 2008-pres Associate Editor, *Case Reports in Dermatology* (Denmark)
- 2006-2012 Editorial Board, *Pediatrics in Review*
- 2004-2008 Editorial Board, *Journal of the American Academy of Dermatology*
- 2001-pres Peer Reviewer for *Journal of the American Academy of Dermatology*, *Pediatric Dermatology*, *Archives of Dermatology*, *Journal of Pediatrics*, *Journal of Investigative Dermatology*, *Pediatric Infectious Disease Journal*, *American Journal of Clinical Dermatology*, *Pediatric Research*, *Acta Dermato-Venereologica*

### **Professional Organizations**

#### **Society for Pediatric Dermatology**

- 2015-2023 Member, Patient and Practice Advocacy Committee
- 2014-17 Chair, Scientific Program Committee, World Congress of Pediatric Dermatology 2017
- 2014-15 Immediate Past President

2013-14	President
2013	Member, Strategic Planning Retreat, Miami, FL
2012-13	President elect
2011-13	Member, Education Taskforce
2010	Member, Strategic Planning Retreat, Miami, FL
2009-12	Member at Large, Executive Committee
2006-13	Chair, Task Force for Pediatric Dermatology Manpower
2006	Member, Strategic Planning Retreat, San Francisco, CA
2005-09	Member, International Relations Committee
2001-02	Website Committee, Society of Pediatric Dermatology
1995-pres	Fellow

### **Pediatric Dermatology Research Alliance (PeDRA)**

2013	Member, membership committee
2012	Member, Founding planning meeting, Monterey, CA

### **International Society for Pediatric Dermatology**

2004-10	Fellow
---------	--------

### **American Academy of Dermatology**

2017-pres	Camp Discovery Work Group
2014-pres	Community Outreach Programs Committee
2012-14	Camp Discovery Committee
2010-pres	Co-Director and co-founder, (Camp Discovery, CT)
2005-13	Workforce Taskforce
1995-pres	Fellow

### **American Academy of Pediatrics**

2015	Walter Tunnessen Visiting Prof, Section on Dermatology, Univ South Florida
2009	Walter Tunnessen Visiting Professor, Section on Dermatology, SUNY Albany
2008-14	Executive Committee, Section on Dermatology
2008	Walter Tunnessen Visiting Professor, Section on Dermatology, Baystate Hosp
1989-pres	Fellow

### **Dermatology Foundation**

2006	Vice Chair, Connecticut, Leaders Society
2005	Vice Chair, Connecticut, Leaders Society
2003-pres	Leaders Society

### **Connecticut Dermatology and Dermatologic Surgery Society**

2006-09	Member, Speakers Committee
1999-pres	Fellow

### **New England Dermatological Society**

1999-pres	Fellow
-----------	--------

## **Yale University Service**

### **Medical School Committees**

- 2011-pres      Yale Medical Group Epic EHR Clinical Leadership Committee  
 2005-2007      Yale Medical Group - Clinical Chiefs Committee  
 2003      Content Review Committee, *Yale Medical Group Pediatric Dermatology website*  
 2001-2003      Member Advisory Board, Yale Children's Clinical Research Center

### **Departmental Committees**

- 2023-pres      Chair, Dermatology Advanced Practice Practitioner Program  
 2001-pres      Director, Medical Compliance, Yale Dermatology Associates  
 2000-pres      Medical Director, Yale Dermatology New Haven (Yale Dermatol Assoc, PC)

### **Hospital Boards & Committees**

- 2022-pres      Member, [Children's Hospital Perioperative Performance Improvement & Patient Safety Committee \(PIPS\)](#)  
 2013-17      Member, Finance Committee, Yale Medical Group  
 2009-pres      Laser Safety Committee, Yale-New Haven Hospital, New Haven, CT  
 2006      Authored Pamphlets on Infant Skin care and disease for YNHCH, PCC

## **University Service**

- 1999-2008      Director, Dermatology Clinical Elective, Yale Physician Associate Program  
 1998-2012      Director, Dermatology Didactic Course, Yale Physician Associate Program  
 1998-pres      Lecturer, Yale University Graduate School of Nursing, APRN program

## **Public Service**

- 2009-pres      Founding member and Co-director of American Academy of Dermatology's Camp Liberty, a Camp Discovery Summer Camp for children with chronic skin disease  
 2004-2007      Faculty Captain, Department of Dermatology, Yale University United Way Campaign  
 1993-1995      Family Advocacy Case Management Team, Ft. Polk, LA, member  
 1993-1995      Risk Management Committee, BJACH, member
