

# MEGAN LODOLCE, MA

E: megan.lodolce@uconn.edu • P: 203-314-2572  
New Haven, CT 06511

Research Associate with 14 years of experience in an academic research setting (13+ at Yale). Demonstrated ability to function independently and effectively in any role on a prolific research team. Skilled in study design, protocol development and management, IRB oversight, staff hiring and management, writing for reports and scientific publication, public speaking, media interviews, and all aspects of conducting research. Looking for a challenging role with opportunities to further hone skills and gain responsibilities. Eager to be an integral part of a prolific team conducting important human-subjects research in the field of psychology or public health.

## TECHNICAL SKILLS

Microsoft office • SPSS • Qualtrics • MTurk • Endnote • Refworks • INFOEd • CITI Certified  
• Proficient in Spanish

## RESEARCH EXPERIENCE

### **Rudd Center for Food Policy and Obesity**

Yale University/UConn, New Haven/Hartford, CT

2008–2014 (Yale) 2015-current (UConn)

#### *Research Associate*

- Leadership role on team of 7 under the direction of the Director of Marketing Initiatives.
- Study scope and impact of food marketing to children to engage policy-makers, parents, communities, advocates, the media, and the food industry.
- Expert in content analysis and qualitative study design.
- Skilled in all aspects of conducting research from study design through publishing of findings.
- Screen all research staff applicants. Interview, hire, train, supervise students and staff.
- Skilled in creating presentations, public speaking in various venues, giving media interviews.
- Published writer in peer-reviewed journals, books, magazines, newsletters.
- Peer-reviewer for academic journals.
- Experience in grant proposal writing and submission

### **Center for the Advancement of Perioperative Health (CAPH)**

Yale University School of Medicine, New Haven, CT

2000–2008

#### *Research Assistant promoted to Laboratory Director in 2004*

- Leadership role under Vice-Chair of Department of Anesthesiology.
- Conducted clinical research studies to reduce preoperative anxiety and improve postoperative outcomes for patients undergoing surgery and their families.
- Assisted in conceptualization, design, and practice of biopsychosocial interventions to reduce anxiety associated with surgery and improve overall recovery.

- Co-authored several academic papers.
- Human Investigation Committee liaison for the team. Maintained all research protocols.
- Extensive experience running multiple studies simultaneously in high volume surgery setting.
- Maintained relationships and excellent rapport with a multidisciplinary staff of nurses, surgeons, co-investigators, and patients.
- Highly knowledgeable in best research practices and research methods, and assisted various PI's in research pursuits.
- Managed the lab, including hiring and supervising, tracking and organizing, and reporting progress to PI regularly. Ran lab independently for months while PI took a position as Anesthesiology Chair on the West Coast.

## CLINICAL EXPERIENCE

### Cornerstone Continuous Care

Middlebury, CT

1999-2000

#### *Substance Abuse Counselor*

- Led Intensive Outpatient group therapy for a dual-diagnosed population.
- Conducted individual and family sessions.
- Provided intake assessments and made recommendations and referrals.
- Completed daily progress notes, treatment plans, discharge summaries.
- Communicated with insurance companies to develop appropriate courses of treatment.
- Corresponded with area referral sources, including the court system, rehabilitation centers, private therapists, psychiatrists, and DCF.
- Conducted relaxation/meditation sessions to promote stress relief and well-being.

## EDUCATION

Marist College, Poughkeepsie, NY

- Master of Arts, Psychology May 1999, Summa Cum Laude  
Concentration: Community/Counseling Psychology
- Bachelor of Arts, Psychology May 1998, Magna Cum Laude  
Minor: Spanish. Studied abroad in Madrid, Spain.
