

**James R. Gill, M.D.**  
**Connecticut Office of the Chief Medical Examiner**  
11 Shuttle Rd  
Farmington, CT 06032  
(860) 679-3987  
jgill@ocme.org

**Professional Experience:**

**Connecticut Office of the Chief Medical Examiner.** Farmington, CT  
Chief Medical Examiner  
July 26, 2013 to present  
**Office of Chief Medical Examiner.** New York, NY  
Deputy Chief Medical Examiner, Bronx County  
September 2002 to July 2013  
City Medical Examiner, Manhattan Office  
July 1997 to August 2002  
**Office of Chief Medical Examiner.** Farmington, CT  
Regional Medical Examiner, New Haven County, July 1995 to June 1997

**Primary Academic Appointments:**

**Yale University, School of Medicine.** New Haven, CT  
Clinical Associate Professor, Department of Pathology, 2018-current  
Clinical Assistant Professor, Department of Pathology, 2004-2017  
**New York University School of Medicine.** New York, NY  
Clinical Associate Professor, Department of Forensic Medicine, 2008-2013  
Clinical Assistant Professor, Department of Forensic Medicine, 1998-2007

**Education:**

**University of Connecticut School of Medicine.** Farmington, CT  
M.D. Degree, 1992  
**Massachusetts Institute of Technology.** Cambridge, MA  
B.S. Degree in Biology, 1988

**Post Graduate and Laboratory Training:**

**New York City Office of Chief Medical Examiner, New York, NY**  
Forensic Pathology Fellow  
July 1997 to June 1998  
**Memorial Sloan-Kettering Cancer Center.** New York, NY  
Chief Fellow, Oncologic Pathology  
July 1996 to June 1997  
**Yale-New Haven Hospital.** New Haven, CT  
Chief Resident and Resident, Anatomic Pathology  
July 1993 to June 1996

**Medical Center Hospital of Vermont.** Burlington, VT

Internship, Internal Medicine

June 1992 to June 1993

**Yale University School of Medicine.** New Haven, CT

Conducted research on mitochondrial DNA using quantitative PCR.

November 1994 to June 1996

**Office of the Chief Medical Examiner.** Farmington, CT

Summer research fellowship.

July and August, 1989

**Massachusetts Institute of Technology.** Cambridge, MA

Conducted research on the down modulation of MHC I expression in neuroblastomas expressing N-myc.

Spring, 1987

**Connecticut State Police Forensic Laboratory.** Meriden, CT

Interned in the serology division. Implemented a new electrophoretic method for the simultaneous separation of red blood cell isoenzymes.

Summer, 1986

### **Medical Licensure:**

Connecticut (#034498), since July, 1995.

New York (#206274), since July, 1996.

### **Certifications:**

United States Medical Licensing Exam, Parts 1, 2, and 3.

American Board of Pathology in Anatomic Pathology (11/19/1997)

and Forensic Pathology (9/15/1998).

### **Medical Societies and Organizations:**

College of American Pathologists, Fellow

American Academy of Forensic Sciences, Fellow

National Association of Medical Examiners, Fellow

United States and Canadian Academy of Pathology (USCAP), Member

Sigma Xi (1988)

### **Other Professional Activities:**

**American Board of Pathology:**

Test Development and Advisory Committee on Forensic Pathology

2010-2019

**College of American Pathologists:**

CAP Forensic Pathology Committee, Chair, 2021-

CAP Forensic Pathology Committee, 2013-2019

Co-Lead editor, 2017-2019

CAP member research panel, 2008

**National Association of Medical Examiners (NAME):**

President, 2021  
Vice President, 2020  
Chair, Standards Committee, 2018-2020  
Member, Standards Committee, 2012-2018  
Member, NAME Education/Program Committee, 2014-2020  
Member, Awards Committee, 2016-present  
Chair, Annual NAME Meeting, Charlotte, NC October 2-6, 2015  
Chair, Ad Hoc Committee for Bioterrorism and ID, 2009-2016  
Chair, Committee for a position paper on the proper autopsy examination of fatal pediatric head injury, 2012-2013  
Chair, Ad Hoc State Medical Examiner Committee, 2013-2016  
Member, Board of Directors, 2011-2016  
Member, Subcommittee on Education, 2008-2009  
Member, Nominating Committee, 2014-2015  
Member, Executive Committee, 2015-2016, 2020-2021  
Received NAME Outstanding Service Award, September 13, 2016

**American Registry of Pathology**

Board of Directors (2017-2019)

**National Institute of Standards and Technology (NIST):**

-Organization of Scientific Area Committee (OSAC) 2014-2016  
-Crime Scene/Death Investigation Scientific Area Committee  
-Medicolegal Death Investigation, subcommittee member  
-Co-Chairman, Autopsy Standards

**United States and Canadian Academy of Pathology (USCAP)**

-Reviewer of Autopsy abstract submissions to annual meeting, 2015-2018

National Association of Medical Examiners (NAME) and American College of Medical Toxicology Expert Panel on evaluating and reporting opioid deaths (CDC grant), Member, 2012-2013

New York University, School of Medicine, Faculty Council, 2000-2013

Recipient of the Distinguished Forensic Science Award (Arnold Markle), University of New Haven and the Henry C. Lee Institute of Forensic Science (2013).

Recipient of certificate of appreciation from *Formación Continuada en Patología Forense*, Institute of Legal Medicine, Malaga, Spain (2010).

Educational Counselor, MIT (2006 to present)

Community Advisory Council, New York State Center for Sudden Infant Deaths Sudden unexpected death in epilepsy (SUDEP) Surveillance Workshop, NYU, June 16, 2013.

**Journal Editorial Board/Manuscript Reviewer:**

Editorial Board, Journal of Forensic Sciences (Feb 16, 2008-September 16, 2021)  
Editorial Board, Forensic Science, Medicine, and Pathology  
Editorial Board, Academic Forensic Pathology (Jan 1, 2015-Jan 1, 2019)  
Guest Editor, Academic Forensic Pathology 3(1):2013, Extremes of Weight issue.  
Guest Editor, Academic Forensic Pathology 6(2):2016, Endocrine.  
Reviewer, Academic Forensic Pathology  
Reviewer, Archives of Pathology & Laboratory Medicine  
Reviewer, Journal of Pediatric and Developmental Pathology  
Reviewer, Journal of CNS Drugs  
Reviewer, Indian Journal of Medical Sciences  
Reviewer, BMC Clinical Pathology  
Reviewer, Australian and New Zealand Journal of Psychiatry  
Reviewer, American Society of Clinical Pathology Check Sample Series  
Reviewer, Diagnostic Pathology  
Reviewer, Journal of Pediatrics  
Reviewer, American Journal of Public Health  
Reviewer, The Quarterly Update  
Reviewer, JAMA  
Reviewer, New England Journal of Medicine

**Personal:** Born in New Haven, Connecticut.

## **Publications:**
