

CURRICULUM VITAE

Date of Revision: July 1, 2025

Name: Paul L. Aronson, M.D., M.H.S.

Academic Title: Professor, Department of Pediatrics, Section of Emergency Medicine, Clinician-Educator Scholar Track, with a Secondary Appointment in the Department of Emergency Medicine

Term: July 1, 2025 to June 30, 2030

School: Yale School of Medicine

Education:

B.A.	Duke University (Drama, Cum Laude) 2000
M.D.	New York University School of Medicine 2005
Certificate	Center for Clinical Epidemiology and Biostatistics, Perelman School of Medicine at the University of Pennsylvania (Clinical Research) 2011
M.H.S.	Yale School of Medicine 2019

Career/Academic Appointments:

2005-12	Instructor, Department of Pediatrics, Perelman School of Medicine at the University of Pennsylvania, Philadelphia, PA
2005-08	Resident, Department of Pediatrics, The Children's Hospital of Philadelphia, Philadelphia, PA
2008-09	Chief Resident, Department of Pediatrics, The Children's Hospital of Philadelphia, Philadelphia, PA
2009-12	Fellow, Pediatric Emergency Medicine, The Children's Hospital of Philadelphia, Philadelphia, PA
2012-18	Assistant Professor, Department of Pediatrics, Yale School of Medicine, New Haven, CT
2015-18	Assistant Professor, Department of Emergency Medicine, Yale School of Medicine, New Haven, CT (secondary appointment)
2018-2025	Associate Professor, Department of Pediatrics, Yale School of Medicine, New Haven, CT
2018-2025	Associate Professor, Department of Emergency Medicine, Yale School of Medicine, New Haven, CT (secondary appointment)
2025-present	Professor, Department of Pediatrics, Yale School of Medicine, New Haven, CT
2025-present	Professor, Department of Emergency Medicine, Yale School of Medicine, New Haven, CT (secondary appointment)

Administrative Positions:

2012-2025	Director, Pediatric Emergency Medicine Elective, Yale School of Medicine, New Haven, CT
2013-15	Associate Director, Pediatric Emergency Medicine Fellowship, Yale School of Medicine, New Haven, CT
2013-17	Faculty Mentor, Pediatric Residency Program, Yale School of Medicine, New Haven, CT

- 2014-16 Associate Director, Pediatric Residency Program, Yale School of Medicine, New Haven, CT
- 2016-present Deputy Director, Pediatric Residency Program, Yale School of Medicine, New Haven, CT
- 2020-present Director, Research Track, Pediatric Residency Program, Yale School of Medicine, New Haven, CT
- 2024-present Co-Research Director, Section of Pediatric Emergency Medicine, Yale School of Medicine, New Haven, CT

Board Certification:

American Board of Pediatrics, General Pediatrics, 2008

American Board of Pediatrics, Pediatric Emergency Medicine, 2013

Professional Honors & Recognitions:

International/National/Regional

- 2025: Castle Connolly 2025 Top Doctors
- 2024: Castle Connolly 2024 Top Doctors
- 2023: Connecticut Magazine 2023 Top Doctors
- 2012: Eastern Society for Pediatric Research Travel Award
- 2011: American Academy of Pediatrics Section on Hospital Medicine 2011 Pediatric Hospital Medicine Abstract Research Award

University

- 2021-2025: Faculty Honor Roll, Department of Pediatrics, Yale School of Medicine
- 2020: Norm J. Siegel Faculty Award (Co-Awardee with all pediatric faculty), Department of Pediatrics, Yale School of Medicine
- 2020: Faculty Honor Roll, Department of Pediatrics, Yale School of Medicine
- 2019: Faculty Honor Roll, Department of Pediatrics, Yale School of Medicine
- 2018: Mae Gailani Junior Faculty Award, Department of Pediatrics, Yale School of Medicine
- 2018: Faculty Honor Roll, Department of Pediatrics, Yale School of Medicine
- 2017: Faculty Honor Roll, Department of Pediatrics, Yale School of Medicine
- 2016: Howard A. Pearson, M.D. Pediatric Faculty Teaching Award, Department of Pediatrics, Yale School of Medicine
- 2016: Faculty Honor Roll, Department of Pediatrics, Yale School of Medicine
- 2010: William Pottash Fellow Teacher of the Year Award, The Children's Hospital of Philadelphia
- 2008: Senior Resident Teaching Award, The Children's Hospital of Philadelphia
- 2005: Alumni Association Award, New York University School of Medicine
- 2005: Rosa Lee Nemir Award, New York University School of Medicine
- 2005: Alpha Omega Alpha, New York University School of Medicine

Grant/Clinical Trials History

Current Grants

Agency: ACGME

I.D.# Back to Bedside Initiative

Title: "Standardizing pediatric trainee use of shared decision-making"

P.I.: Amanda R. Quijano, MD, PhD and Karen J. Campoverde Reyes, MD
Role on Project: Faculty Mentor
Percent effort: 0%
Direct costs per year: \$7,500
Total costs for project period: \$15,000
Project period: 08/01/24-07/31/26

Agency: NIAID
I.D.# 1R01AI179874-01
Title: “Real-world effectiveness of perinatal RSV immunoprophylaxis”
P.I.: Carlos R. Oliveira, MD, PhD
Role on Project: Co-Investigator
Percent effort: 5%
Direct costs per year: \$495,040
Total costs for project period: \$2,477,200
Project period: 12/08/23-10/31/28

Agency: NIMHD
I.D.# 1K23MD018639-01
Title: “Implicit racial bias in pediatric emergency medicine: A foundational investigation of physician behaviors”
P.I.: Colleen K. Gutman, MD
Role on Project: Advisor
Percent effort: 0%
Direct costs per year: \$144,098
Total costs for project period: \$718,180
Project period: 08/11/23-02/29/28

Agency: Gerber Foundation
I.D.# 9940
Title: “Epidemiology, biomarkers and risk stratification of young infants presenting to the emergency department with hypothermia”
P.I.: Sriram Ramgopal, M.D.
Role on Project: Co-Investigator
Percent Effort: 2.5%
Total costs for project period: \$341,990
Project Period: 01/01/2023-12/31/2025

Agency: NIAID
I.D.# 1R01AI151180-01A1
Title: “Comparative effectiveness and complications of intravenous ceftriaxone compared with oral doxycycline in Lyme meningitis in children”
P.I.: Lise E. Nigrovic, MD, MPH
Role on Project: Site PI
Percent effort: 1%
Direct costs per year: \$1,402,891
Total costs for project period: \$5,449,835
Project period: 09/01/21-08/31/26

Past Grants

Agency: NICHD
I.D.# 1R03HD110741-01
Title: “Derivation and validation of a clinical prediction rule to identify febrile infants 61 to 90 days old at low and non-negligible risk of invasive bacterial infections”
P.I.: Paul L. Aronson, MD, MHS
Percent effort: 10%
Direct costs per year: \$64,407
Total costs for project period: \$200,110 (direct plus indirect)
Project period: 05/01/23-04/30/25

Agency: DeLuca Center for Innovation in Hematology Research
I.D.# DeLuca Pilot Award
Title: “Development of a videogame intervention for improving transition readiness in adolescents and young adults with sickle cell disease”
P.I.: Cecelia Calhoun, MD, MPHS, MBA and Paul L. Aronson, MD, MHS
Percent effort: 1%
Direct costs per year: \$50,000
Total costs for project period: \$50,000
Project period: 04/01/22-03/31/23

Agency: NIH/NCATS
I.D.# University of Florida Center for Clinical and Translational Research (KL2 TR001429)
Title: “Disparities in the management of febrile infants at low risk for invasive bacterial infection”
P.I.: Colleen K. Gutman, MD
Role on Project: Mentor
Percent effort: 0%
Direct costs per year: \$151,315
Total costs for project period: \$302,629
Project period: 7/1/2021 – 6/30/2023

Agency: AHRQ
I.D.# 1K08HS026006–01A1
Title: “Development and pilot trial of a web-based tool to facilitate shared decision-making with parents of febrile infants”
P.I.: Paul L. Aronson, M.D.
Percent effort: 75%
Direct costs per year: \$153,390
Total costs for project period: \$460,170
Project period: 9/30/2018 – 9/29/2021

Agency: NCATS/CTSA
I.D.# Yale KL-2 Mentored Clinical Scholar Award (KL2 TR001862)
Title: “Improved prediction model to identify febrile young infants with invasive bacterial infection”
P.I.: Paul L. Aronson, M.D.
Percent effort: 75%
Direct costs per year: \$119,669

Total costs for project period: \$239,338

Project period: 10/1/2016 – 9/29/2018

Agency: Gerber Foundation

I.D.# 1827-3835

Title: “Improving Febrile Infant Diagnosis and Treatment”

P.I.: Russell McCulloh, M.D.

Role on Project: Co-Investigator

Percent Effort: 0%

Total costs for project period: \$19,996

Project period: 7/1/2014 – 6/30/2016

Invited Speaking Engagements, Presentations, Symposia & Workshops Not Affiliated with Yale:

International/National

- 2024: Georgetown University, Department of Pediatrics Grand Rounds, Washington, DC, “Management of the Febrile Young Infant in 2024: Can We Safely Do Less?”; Grand Rounds Presenter
- 2024: EB Medicine, EMplify Podcast, “Febrile Infants Aged ≤ 60 Days: Evaluation and Management in the Emergency Department”; Invited Speaker
- 2024: Society for Pediatric Urgent Care, National Webinar, “Management of the Febrile Young Infant in 2024: The AAP Guidelines and Beyond”; Invited Speaker
- 2023: Lund University, PhD Thesis Defense, Lund, Sweden; Faculty Opponent
- 2023: Pediatric Academic Societies Annual Meeting, Healthcare Value SIG, Washington, DC, “Implementation of the AAP CPG for Well-Appearing Febrile Infants 8-60 days old: Lessons from Reducing Excessive Variability in Infant Sepsis Evaluation (REVISE II)”; Invited Speaker
- 2022: American College of Emergency Physicians (ACEP) Pediatric Emergency Medicine Section, Webinar, “Ask the Expert: Management of the Well-Appearing Febrile Young Infant: Integrating the AAP Guideline into Practice”; Invited Speaker
- 2022: New Jersey Chapter of the American College of Emergency Physicians (NJ-ACEP), 2022 Scientific Assembly, Somerset NJ, “Management of the Febrile Young Infant in 2022: Can We Safely Do Less?”; Invited Speaker
- 2022: University of Minnesota, Department of Pediatrics Grand Rounds, Minneapolis, MN, “Management of the Febrile Young Infant in 2022: Can We Safely Do Less?”; Grand Rounds Presenter
- 2022: Goryeb Children’s Hospital, Department of Pediatrics Grand Rounds, Morristown, NJ, “Management of the Febrile Young Infant in 2022: Can We Safely Do Less?”; Grand Rounds Presenter
- 2022: American Academy of Pediatrics, Value in Inpatient Pediatrics (VIP) Network Webinar, “Reducing Excessive Variability in Infant Sepsis Evaluation (REVISE II): Aggregate Data Review”; Co-Presenter
- 2022: Alberta Children’s Hospital, Department of Pediatrics Grand Rounds, Annual Don Clogg Lecture, Calgary, Alberta, Canada, “Management of the Febrile Young Infant in 2022: Can We Safely Do Less?”; Grand Rounds Presenter
- 2022: Children’s Hospital & Medical Center, Pediatric Hospital Medicine Journal Club/Case Review, Omaha, NE, “Focal neonatal infections”; Invited Panelist
- 2021: Penn State College of Medicine, Virtual Pediatric Grand Rounds, Hershey, PA, “Management of the Febrile Young Infant in 2021: Can We Safely Do Less?”; Grand Rounds Presenter

- 2021: Visiting Professorship, Nemours/A.I. duPont Hospital for Children, Wilmington, DE, “A Febrile 6 Month Old Girl”; Invited Speaker
- 2021: Nemours/A.I. duPont Hospital for Children, Virtual Pediatric Grand Rounds, Wilmington, DE, “Management of the Febrile Young Infant in 2021: Can We Safely Do Less?”; Grand Rounds Presenter
- 2021: PHM from Pittsburgh, Podcast, “Review of the New Well-Appearing Febrile Infants 8 to 60 Days Old Guideline”; Invited Speaker
- 2021: The Cribsiders, Pediatric Podcast, “Febrile Infant – When Babies Are Too Hot”; Invited Speaker
- 2021: Society for Pediatric Urgent Care, National Webinar, “Management of the Febrile Young Infant in 2021: Can We Safely Do Less?”; Invited Speaker
- 2021: National Pediatric Emergency Medicine Fellows Conference, Virtual Meeting; Faculty Mentor for Fellow Research Presentations
- 2015: American Academy of Pediatrics (AAP) National Conference & Exhibition, Washington, DC, “Are You Ready? Office Emergency Procedures”; Workshop Facilitator
- 2014: Pediatric Emergency Medicine in Historic Philadelphia, National CME course, The Children’s Hospital of Philadelphia, Philadelphia, PA; Facilitator for Diagnostic Simulations and Facilitator for Advanced Simulation Exercises
- 2014: American Academy of Pediatrics (AAP) National Conference & Exhibition, San Diego, CA, “Are You Ready? Office Emergency Procedures”; Workshop Facilitator
- 2014: National Pediatric Emergency Medicine Fellows Conference, Philadelphia, PA; Faculty Mentor for Fellow Research Presentations
- 2013: Pediatric Emergency Medicine in Historic Philadelphia, National CME course, The Children’s Hospital of Philadelphia, Philadelphia, PA; Facilitator for Diagnostic Simulations
- 2012: Pediatric Emergency Medicine in Historic Philadelphia, National CME course, The Children’s Hospital of Philadelphia, Philadelphia, PA; Facilitator for Meet the Specialist: Dermatology Workshop and Facilitator for Diagnostic Simulations
- 2012: The Children's Hospital Association: Pediatric Health Information System Journal Club Presentation, National Webcast, “Epidemiology and Management of Eczema Herpeticum”; Invited Speaker
- 2012: Pediatric Emergency Medicine at Walt Disney World Resort, National CME course, Orlando, FL; Lecturer, “The Febrile Young Infant”, Facilitator for Diagnostic Simulations, and Facilitator for Visual Diagnosis
- 2012: Oakstone Institute Pediatric Emergency Medicine Board Review CME course, Philadelphia, PA, “Biostatistics and Epidemiology”; Lecturer
- 2011: Pediatric Emergency Medicine in Historic Philadelphia, National CME course, The Children’s Hospital of Philadelphia, Philadelphia, PA; Lecturer, “The Febrile Young Infant”, Facilitator for Meet the Specialist: Infectious Disease Workshop, Facilitator for Diagnostic Simulations, and for Facilitator, for Airway Skills Station
- 2010: Pediatric Emergency Medicine in Historic Philadelphia, National CME course, The Children’s Hospital of Philadelphia, Philadelphia, PA. Lecturer for Pediatric Board Review, Facilitator for Meet the Specialist: ENT Workshop, Facilitator for Simulation in Procedural Skills, and Facilitator for Advanced Simulation Scenarios
- 2009: Pediatric Emergency Medicine in Historic Philadelphia, National CME course, The Children’s Hospital of Philadelphia, Philadelphia, PA. Lecturer for Pediatric Board Review and Facilitator for Airway Skills and Central Line Access Workshop

Regional

- 2024: Boston Children's Hospital, Division of Emergency Medicine Grand Rounds, Boston, MA, "Management of the Febrile Young Infant in 2024: Can We Safely Do Less?"; Grand Rounds Presenter
- 2024: Columbia University, Pediatric Emergency Medicine Division Conference, New York, NY, "The AAP Clinical Practice Guideline and Shared Decision-Making for Febrile Infants"; Invited Speaker
- 2024: New England Regional Fellows Conference (Pediatric Emergency Medicine), Twelfth Annual, Hartford, CT; Conference Co-Director and Facilitator, "Clinical Controversies: Shared Decision-Making"
- 2023: New England Regional Fellows Conference (Pediatric Emergency Medicine), Eleventh Annual, Boston, MA; Conference Co-Director and Panelist, "Clinical Controversies: Febrile Infants"
- 2022: New England Regional Fellows Conference (Pediatric Emergency Medicine), Tenth Annual, Virtual Meeting; Conference Co-Director and Conference Moderator
- 2021: Mount Sinai Hospital, Virtual Emergency Medicine Grand Rounds, New York, NY, "Management of the Febrile Young Infant in 2021: Can We Safely Do Less?"; Grand Rounds Presenter
- 2021: New England Regional Fellows Conference (Pediatric Emergency Medicine), Ninth Annual, Virtual Meeting; Conference Co-Director and Conference Moderator
- 2020: Rhode Island Hospital, Virtual Pediatric Grand Rounds, Providence, RI, "Management of the Febrile Young Infant in 2020: Can We Safely Do Less?"; Grand Rounds Presenter
- 2020: New England Regional Fellows Conference (Pediatric Emergency Medicine), Eighth Annual, Providence, RI; Conference Co-Director
- 2019: New England Regional Fellows Conference (Pediatric Emergency Medicine), Seventh Annual, New Haven, CT; Conference Co-Director and Conference Moderator
- 2019: Massachusetts General Hospital, Division of Pediatric Emergency Medicine, Boston, MA; Invited Speaker, Roundtable Discussion on Management of Febrile Young Infants
- 2019: Massachusetts General Hospital, Resident Education Conference, Department of Emergency Medicine, Boston, MA, "Management of the Febrile Young Infant in 2019....and Beyond?"; Invited Speaker
- 2019: Massachusetts General Hospital, Resident Education Conference, Department of Pediatrics, Boston, MA, "Management of the Febrile Young Infant in 2019....and Beyond?"; Invited Speaker
- 2019: PEM Echo Series webinar, American Academy of Pediatrics, Connecticut Chapter. Speaker, "Management of the Febrile Young Infant in 2019"; Invited Speaker
- 2019: Bridgeport Hospital, Grand Rounds, Department of Pediatrics, Bridgeport, CT, "Management of the Febrile Young Infant in 2019....and Beyond?"; Grand Rounds Presenter
- 2018: New England Regional Fellows Conference (Pediatric Emergency Medicine), Sixth Annual, Springfield, MA; Conference Co-Director and Panelist, "Clinical Controversies: Biomarkers"
- 2017: New England Regional Fellows Conference (Pediatric Emergency Medicine), Fifth Annual, Boston, MA. Conference Co-Director
- 2016: New England Regional Fellows Conference (Pediatric Emergency Medicine), Fourth Annual, Hartford, CT. Conference Co-Director and Panelist, "Clinical Differences: Febrile Infant"
- 2015: St. Barnabas Health System, Grand Rounds, Department of Pediatrics, Bronx, NY, "FYI....Update on Management of the Febrile Young Infant"; Grand Rounds Presenter

- 2015: New England Regional Fellows Conference (Pediatric Emergency Medicine), Third Annual, Boston, MA; Conference Co-Director
- 2014: 12th Annual Yale Pediatric Update, Plenary Session, American Academy of Pediatrics Hezekiah Beardsley Connecticut Chapter, New Haven, CT, “The Febrile Infant: 2014”; Invited Speaker
- 2014: Greenwich Hospital, Grand Rounds, Department of Pediatrics, Greenwich, CT. “The C’s of Pediatric Head Injury: CT, Concussions, Cognitive Rest”; Grand Rounds Presenter
- 2014: New England Regional Fellows Conference (Pediatric Emergency Medicine), Second Annual, Providence, RI; Conference Co-Director
- 2013: New England Regional Fellows Conference (Pediatric Emergency Medicine) First Annual, New Haven, CT; Conference Director and Lecturer, “One Minute Preceptor”
- 2012: Aria Health, Grand Rounds, Family Practice/Emergency Medicine, Langhorne, PA, “Dermatologic Emergencies”; Grand Rounds Presenter
- 2011: Emergency Department Education Conference, Hospital of the University of Pennsylvania, Philadelphia, PA, “Cardiac Emergencies: Congenital Heart Disease and Myocarditis”; Invited Speaker
- 2011: Aria Health, Grand Rounds, Family Practice/Emergency Medicine, Langhorne, PA, “The Febrile Young Infant”; Grand Rounds Presenter
- 2010: Emergency Department Education Conference, Hospital of the University of Pennsylvania, Philadelphia, PA, “The Febrile Young Infant”; Invited Speaker

Peer-Reviewed Presentations & Symposia Given at Meetings Not Affiliated with Yale

International/National

- 2025: Pediatric Academic Societies’ Annual Meeting. Honolulu, Hawaii:
 - **Aronson PL**, Mahajan P, Meeks HD, Nielsen B, Olsen CS, Casper TC, Grundmeier R, Kuppermann N. “Prediction rule to identify febrile infants 61 to 90 days at low risk for invasive bacterial infections.” Platform Presentation.
 - Ruiz BA, Yankova L, McDaniel CE, Kerns EK, **Aronson PL**. “Prevalence of invasive bacterial infections in febrile infants 8-60 days with positive urinalyses and normal vs. abnormal inflammatory markers.” Platform Presentation.
 - Ramgopal S, Athanasopoulou SG, Cruz AT, Rogers A, Wilson PM, Khan NS, Zhou A, Wendt W, Bergmann KR, Hueschen LA, Money N, Sartori LF, Badaki-Makun O, Geanacopoulos A, Heyming T, Holland J, Ulrich SL, Thompson AD, **Aronson PL**. “Prevalence of urinary tract infection and invasive bacterial infections among infants presenting to the emergency department with hypothermia: a multicenter retrospective study.” Platform Presentation.
 - Yankova LC, McDaniel CE, Kerns E, Shine A, Ruiz BA, Caruso HA, **Aronson PL**. “Performance of AAP-recommended inflammatory markers in febrile infants ≤ 60 days.” Platform presentation.
- 2024: Pediatric Academic Societies’ Annual Meeting. Toronto, Canada:
 - McDaniel CE, Truchel LL, Kerns E, Ventura Polanco Y, Liang D, Gutman CK, Cunningham S, Rooholamini SN, Thull-Freedman J, Jennings B, Magee S, **Aronson PL**; for the AAP REVISE II QI Collaborative. “Quality improvement through a health equity lens: analysis of the association of race and ethnicity with

- provider adherence to a national guideline for febrile infant management.” Platform Presentation.
- Singh NV, Gutman CK, Green RS, Thompson AD, Jackson K, Kalari NC, Lucrezia S, Krack A, Corboy JB, Cheng T, Duong M, St. Pierre-Hetz R, Akinsola B, Kelly J, Sartori LF, Yan X, Lion KC, Fernandez R, **Aronson PL**; Pediatric Emergency Medicine Collaborative Research Committee Febrile Infants and Health Disparities Study Group. “Contaminant organism growth in febrile infants at low-risk for invasive bacterial infection.” Poster Presentation.
 - Quijano A, Bickerton S, Auerbach M, **Aronson PL**. “Shared decision-making: knowledge, attitudes, & practice amongst pediatric trainees.” Poster Presentation.
- 2023: **Aronson PL**, Nolan SA, Schaeffer P, Hieftje K, Ponce KA, Calhoun C. “Perspectives of adolescents and young adults with sickle cell disease and clinicians on improving transition readiness with a video game intervention.” American Society of Hematology Annual Meeting. San Diego, CA. Poster Presentation.
- 2023: McDaniel CE, Kerns E, Jennings B, Magee S, Flores R, Biondi E, **Aronson PL**; for the AAP REVISE II QI Collaborative. “Impact of a quality improvement collaborative on guideline-concordant management of well-appearing febrile infants.” Pediatric Hospital Medicine Conference. Philadelphia, PA. Platform Presentation.
- 2023: Pediatric Academic Societies’ Annual Meeting. Washington, DC
- **Aronson PL**, Louie JP, Kerns E, Jennings B, Magee S, Wang ME, Gupta N, Kovaleski C, McDaniel LM, McDaniel CE; for the AAP REVISE II QI Collaborative. “Prevalence of urinary tract infection, bacteremia, and meningitis in febrile infants 8 to 60 days old with SARS-CoV-2.” Platform Presentation.
 - McDaniel CE, Kerns E, Jennings B, Magee S, Flores R, Biondi E, **Aronson PL**; for the AAP REVISE II QI Collaborative. “Impact of a quality improvement collaborative on guideline-concordant management of well-appearing febrile infants.” Platform Presentation.
- 2022: Yankova LC, Neuman MI, Wang ME, **Aronson PL**. “Absolute neutrophil count and height of fever for identifying invasive bacterial infection in febrile infants 22-60 days old.” Pediatric Academic Societies’ Annual Meeting. Denver, CO. Platform Presentation.
- 2021: Stephens JR, Hall M, Cotter JM, Molloy MJ, Tchou MJ, Markham JL, Shah SS, Steiner MJ, **Aronson PL**. “Trends and variation in length of stay for hospitalized febrile infants ≤60 days.” Pediatric Hospital Medicine Annual Meeting. Virtual Meeting. Poster Presentation.
- 2021: Pediatric Academic Societies’ Annual Meeting. Virtual Meeting:
- Wang ME (Moderator/Chair), Newman TB, **Aronson PL**, Schroeder AR, Chang PW (Panelists). “Controversies in the Diagnosis and Management of Urinary Tract Infection in Infants <2 Months old.” Panel Discussion (Scholarly Session).
 - Yankova LC, Neuman MI, Wang ME, DePorre AG, Desai S, Sartori LF, Marble RD, Nigrovic LE, Leazer RC, Pruitt CM, Woll C, Rooholamini SN, Balamuth F, **Aronson PL**. “Use of clinical criteria for prediction of invasive bacterial infection in febrile infants: evaluation of the PROS criteria.” Platform Presentation.
- 2020: **Aronson PL**, Politi MC, Schaeffer P, Fleischer E, Shapiro ED, Niccolai LM, Alpern ER, Bernstein SL, Fraenkel F. “Development of an app to facilitate communication and shared decision-making with parents of febrile infants ≤60 days old.” 42nd Annual Meeting of the Society for Medical Decision Making. Virtual Meeting.
- 2020: Pediatric Academic Societies’ Annual Meeting. Philadelphia, PA:

- Wang ME (Moderator/Chair), Newman TB, **Aronson PL**, Schroeder AR, Chang PW (Panelists). “Controversies in the Diagnosis and Management of Urinary Tract Infection in the <2 month old Infant.” Panel Discussion (Scholarly Session). *Due to COVID-19 related conference cancellation, this peer-reviewed presentation was disseminated on 4/30/2020 to the PAS 2020 Meeting Program Guide.*
 - Wang ME, Neuman MI, Nigrovic LE, Pruitt CM, Desai S, Rooholamini SN, DePorre AG, Balamuth F, Woll C, Marble RD, Sartori LF, Leazer RC, **Aronson PL**. “Characteristics of afebrile infants ≤ 60 days of age with invasive bacterial infections.” Poster Presentation. *Due to COVID-19 related conference cancellation, this peer-reviewed abstract was disseminated on 4/30/2020 to the PAS 2020 Meeting Program Guide.*
- 2019: Pediatric Academic Societies’ Annual Meeting. Baltimore, MD:
- **Aronson PL** (Moderator/Chair), Greenhow TL, Neuman MI, Kuppermann N, Shah SS (Panelists). “Management of the Febrile Young Infant in 2019: What’s New and What Should We Do?” Panel Discussion (Scholarly Session).
 - **Aronson PL**, Cruz AT, Freedman SB, Balamuth F, Grether-Jones KL, Lyons TW, Fleming AH, Louie J, Mistry RD, Garro AC, Shah SS, Nigrovic LE; Pediatric Emergency Medicine Clinical Research Network (PEM CRC) Herpes Simplex Virus (HSV) Study Group. “Impact of herpes simplex virus testing on hospital length of stay for infants ≤ 60 days old undergoing evaluation for meningitis.” Poster Presentation.
- 2018: Pediatric Academic Societies’ Annual Meeting. Toronto, Canada:
- Pruitt CM, Neuman MI, Shah SS, Woll C, Wang ME, Alpern ER, Shabanova V, Williams DJ, Sartori L, Desai S, Leazer RC, Marble RD, McCulloh RJ, DePorre AG, Rooholamini SN, Lumb C, Balamuth F, Shin S, **Aronson PL**. “Factors associated with adverse outcomes among infants ≤ 60 days of age with invasive bacterial infections.” Platform Presentation.
 - Woll C, Neuman MI, Pruitt CM, Wang ME, Shapiro ED, Shah SS, McCulloh RJ, Nigrovic LE, Desai S, DePorre AG, Leazer RC, Marble RD, Balamuth F, Feldman EA, Sartori L, Browning WL, **Aronson PL**. “Epidemiology of invasive bacterial infection in infants ≤ 60 days old treated in emergency departments.” Poster Presentation.
 - **Aronson PL**, Wang ME, Nigrovic LE, Shah SS, Desai S, Pruitt CM, Balamuth F, Sartori L, Marble RD, Rooholamini SN, Leazer RC, Woll C, DePorre AG, Neuman MI. “Time to pathogen detection for infants ≤ 60 days old with invasive bacterial infections.” Poster Presentation.
- 2017: **Aronson PL**, Lyons TW, Cruz AT, Freedman SB, Okada PJ, Fleming AH, Arms JL, Thompson AD, Schmidt SM, Louie JP, Alfonzo MJ, Monuteaux MC, Nigrovic LE, for the PEM CRC HSV Study Group. “Impact of cerebrospinal enteroviral testing on length of stay for hospitalized infants ≤ 60 days.” Pediatric Academic Societies’ Annual Meeting. San Francisco, CA. Platform Presentation.
- 2016: **Aronson PL**, Feldman EA, Tieder JS, McCulloh RJ, Alpern ER, Nigrovic LE, Leazer RC, Balamuth F, Browning WL, Neuman MI, for the Febrile Young Infant Research Collaborative. “Application of the Rochester criteria to identify young infants with invasive bacterial infection.” Pediatric Academic Societies’ Annual Meeting. Baltimore, MD. Poster Presentation.
- 2015: Pediatric Academic Societies’ Annual Meeting. San Diego, CA:

- Chua KP, Neuman MI, McWilliams JM, **Aronson PL**. “Association between cerebrospinal fluid testing guidelines and clinical outcomes among febrile infants aged 29-56 days.” Poster Presentation.
 - Zoltowski KSW, Mistry RD, Brousseau DC, Whitfill T, **Aronson PL**. “What parents want: an analysis of parental expectations and satisfaction in the pediatric emergency department.” Poster Presentation.
- 2014: **Aronson PL**, Thurm C, Alpern ER, Alessandrini EA, Williams DJ, Nigrovic LE, Shah SS, Tieder JS, McCulloh RJ, Myers AL, Balamuth F, Schondelmeyer AC, Browning WL, Hayes K, Neuman MI. “Variation in care of the febrile young infant < 90 days of age in U.S. pediatric emergency departments.” American Academy of Pediatrics National Conference & Exhibition. San Diego, CA. Poster Presentation.
- 2014: **Aronson PL**, Mahajan P. “Recent Advances in Evaluation and Management of the Febrile Young Infant: Viral Infections and Biosignatures.” Society for Academic Emergency Medicine Annual Meeting. Dallas, TX. Didactic Presentation.
- 2014: **Aronson PL**, Ludwig S. “Teach the Teacher: Delivering High Yield Education in Multiple Settings.” 2014 National Pediatric Emergency Medicine Fellows Conference. Philadelphia, PA. Workshop.
- 2012: Pediatric Academic Societies’ Annual Meeting. Boston, MA:
- **Aronson PL**, Yan AC, Mittal MK, Mohamad Z, Shah SS. “Empiric antibiotics and outcomes of children hospitalized with eczema herpeticum.” Poster Presentation.
 - **Aronson PL**, Henderson AA, Anupindi SA, Servaes S, Markowitz RI, Aronson PL, McLoughlin RJ, Mistry RD. “Comparison of clinicians to radiologists in assessment of abdominal radiographs for suspected intussusception.” Poster Presentation.
- 2011: **Aronson PL**, Yan AC, Mittal MK, Mohamad Z, Shah SS. “Delayed acyclovir and outcomes of children hospitalized with eczema herpeticum.” American Academy of Pediatrics National Conference & Exhibition. Boston, MA. Poster Presentation.
- 2009: **Aronson PL**, Yau J, Helfaer M, Morrison W. “The impact of family presence during Pediatric Intensive Care Unit (PICU) rounds on family satisfaction and team function.” Pediatric Academic Societies’ Annual Meeting. Baltimore, MD. Poster Presentation.

Regional

- 2024: Ponce KA, Nolan SA, Schaeffer P, Hieftje K, Calhoun C, **Aronson PL**. “Adolescents and young adults with sickle cell disease and a video game intervention to improve transition readiness.” Academic Pediatric Association Regions 9 & 10 Meeting. San Diego, CA. Table Top Presentation.
- 2018: Woll C, Neuman MI, Pruitt CM, Wang ME, Shapiro ED, Shah SS, McCulloh RJ, Nigrovic LE, Desai S, DePorre AG, Leazer RC, Marble RD, Balamuth F, Feldman EA, Satori L, Browning WL, **Aronson PL**. “Epidemiology of invasive bacterial infection in infants ≤60 days old treated in emergency departments.” Eastern Society for Pediatric Research Annual Meeting. Philadelphia, PA. Platform Presentation.
- 2012: **Aronson PL**, Yan AC, Mittal MK, Mohamad Z, Shah SS. “Empiric antibiotics and outcomes of children hospitalized with eczema herpeticum.” Eastern Society for Pediatric Research Annual Meeting. Philadelphia, PA. Platform Presentation.
