

CURRICULUM VITAE

PERSONAL STATEMENT

Dr. Elisha Jackson specializes in female pelvic floor disorders. She is a fellowship trained Urogynecologist skilled in both conservative and surgical management of pelvic organ prolapse, urinary/fecal incontinence, overactive bladder, and painful bladder syndrome. Her clinical research interests focus on patient education, patient satisfaction, and quality improvement.

NAME: Elisha Jana Jackson MD

BIOGRAPHICAL:

05/05/1984, US Citizen

816-686-0222

elisha.jackson815@gmail.com

EDUCATION:

Doctor of Medicine, University of Kansas School of Medicine
Graduation Date 12/31/2011

Post-Baccalaureate Program, University of Kansas
Completion Date 06/30/2007

Bachelor of Science, Xavier University of Louisiana, Major: Biology
Graduation Date 08/05/2006

TRAINING (GME):

Fellowship Training in Female Pelvic Medicine and Reconstructive Surgery University of South Florida
Morsani College of Medicine
Graduation Date 06/30/2019
Residency Training in Obstetrics and Gynecology, Texas Tech University Health Sciences Center at El Paso, TX
Graduation Date 06/30/2016

BOARD CERTIFICATION:

Diplomate of the American Board of Obstetrics & Gynecology
Obstetrics & Gynecology Certification
12/11/2017
Urogynecology and Pelvic Reconstructive Surgery Subspecialty Certification
04/19/2024

LICENSURE INFORMATION:

State of Texas Medical License
2019-Currently active

State of Florida Medical License
2016-2020

PROFESSIONAL WORK HISTORY AND TEACHING EXPERIENCE:

Assistant Professor
Yale School of Medicine 09/2025-

Assistant Professor
University of Texas Medical Branch 07/2012-07/2025

Assistant Professor
Baylor College of Medicine Houston, TX
08/2019-06/2020

TEACHING/MENTORING RESPONSIBILITIES

A. TEACHING/MENTORING RESPONSIBILITIES AT UTMB:

- a. Urogynecology/Robotics Acting Internship Director
- b. Urogynecology Clinic Competency Committee Chair

Didactics

| | |
|---------|--|
| 05/2013 | “Normal Menstrual Cycle,” Texas Tech University Health Sciences Center at El Paso, Obstetrics and Gynecology Grand Rounds |

HONORS:

2016 Golden De Alvarez Award Recipient
Award given by the Division of Female Pelvic Medicine and Reconstructive Surgery at Texas Tech Health Science Center-El Paso, Texas

2015 AUGS EXCELLENCE IN UROGYNECOLOGY RESIDENT AWARD
Voted by the Division of Urogynecology at Texas Tech Health Science Center-El Paso, Texas

2014 Most Compassionate Resident Award
Unanimously voted by peers

2012 University of Kansas School of Medicine Perseverance Award
Award given by Office of Dean to student who pursued medical degree with tenacity and commitment in the face of obstacles

2010 Gold Humanism Award, University of Kansas School of

Medicine Chapter
Nominated and selected by peers and physicians for outstanding patient care and teamwork during third year clinical rotations

ADDITIONAL INFORMATION:

Patient Care Responsibilities

Evaluation and management of patients with pelvic floor disorders
Conservative management of pelvic floor disorders
Native tissue and mesh-augmented repair of POP
Uterine preservation suspension
Incontinence surgery
Urodynamics (perform study and interpret results of study)
Sacroneuromodulation
Intradetrusor botox injections
Posterior tibial nerve stimulation
Myofascial trigger point injections and release
Intravesical instillations
