

JOHN E. PACHANKIS

EDUCATION

- Ph.D. 2008 Clinical Psychology, quantitative focus, State University of New York at Stony Brook
- M.A. 2004 Psychology, State University of New York at Stony Brook
- B.A. 2002 Psychology, Loyola University, New Orleans, *summa cum laude*

CURRENT ACADEMIC APPOINTMENTS

- 2026 Visiting Professor, Department of Clinical Neuroscience, Division of Psychology, Karolinska Institutet, Stockholm, Sweden
- 2024 - David R. Kessler, MD '55 Professor, Department of Social and Behavioral Sciences, Yale School of Public Health (primary); Department of Psychiatry, Yale School of Medicine (secondary); Department of Psychology, Yale University (secondary)

CURRENT ADMINISTRATIVE APPOINTMENTS

- 2022 - Director, Development Core, Center for Interdisciplinary Research on AIDS, Yale University, New Haven, CT
- 2013 - Director, Yale LGBTQ Mental Health Initiative, Yale School of Public Health

PREVIOUS ACADEMIC AND ADMINISTRATIVE APPOINTMENTS

- 2022 - 2024 Susan Dwight Bliss Professor, Department of Social and Behavioral Sciences, Yale School of Public Health
- 2023 Visiting Professor, Williams Institute, School of Law, University of California, Los Angeles
- 2022 - 2023 Visiting Scholar, Department of Clinical Neuroscience, Division of Psychology, Karolinska Institutet, Stockholm, Sweden
- 2021 - 2022 Associate Professor, Department of Psychology, Yale University (secondary)
- 2019 - 2022 Susan Dwight Bliss Associate Professor (with tenure), Department of Social and Behavioral Sciences, Yale School of Public Health (primary); Department of Psychiatry, Yale School of Medicine (secondary)

- 2018 – 2022 Director, Community Research and Implementation Core, Center for Interdisciplinary Research on AIDS, Yale University, New Haven, CT
- 2018 - 2019 Associate Professor (with tenure), Department of Social and Behavioral Sciences, Yale School of Public Health, Yale University
- 2017 - Faculty Affiliate, Women, Gender, and Sexuality Studies, Yale University, New Haven, CT
- 2013 - Faculty Affiliate, LGBT Studies Program, Yale University, New Haven, CT
- 2013 - 2018 Associate Professor, Department of Social and Behavioral Sciences, Yale School of Public Health, Yale University
- 2012 Visiting Scholar, Department of Psychology, University of California, Los Angeles
- 2008 - 2013 Assistant Professor, Ferkauf Graduate School of Psychology, Yeshiva University
- 2007 - 2008 Pre-doctoral Clinical Intern and Fellow, Department of Psychiatry, McLean Hospital / Harvard Medical School

PROFESSIONAL LICENSES

- New York (clinical psychology) #018410
Connecticut (clinical psychology) #4198

HONORS AND AWARDS

- 2025 Research Impact Award, Yale School of Public Health
- 2025 Richard Green Founding Editor Essay on the State of Sexual Behavior Award, Archives of Sexual Behavior
- 2024 Emery Award, Hetrick-Martin Institute
- 2022 - 2023 Fulbright Scholar (Sweden), Fulbright Foreign Scholarship Board
- 2019 Distinguished Contributions to the Advancement of Psychotherapy (Mid-Career), American Psychological Association, Division 29, Society for the Advancement of Psychotherapy
- 2019 Distinguished Book Award, American Psychological Association, Division 44, Society for the Psychological Study of Lesbian, Gay, Bisexual, and Transgender

Issues

- 2018 Distinguished Contributions to Psychology in the Public Interest (Early Career), American Psychological Association
- 2017 Distinguished Scientific Contribution, American Psychological Association, Division 44, Society for the Psychological Study of Lesbian, Gay, Bisexual, and Transgender Issues
- 2016 American Psychological Association / Psychological Society of South Africa travel award
- 2016 Fellow, American Psychological Association
- 2013 Samuel M. Turner Early Career Award for Distinguished Contributions to Diversity in Clinical Psychology; APA Division 12
- 2010 Outstanding Paper by an Early Career Professional, University of Connecticut, Center for the Study of Interpersonal Acceptance and Rejection
- 2008 International LGBT Psychology Summer Institute, University of Michigan
- 2007 Departmental Award for Excellence in Research; SUNY-Stony Brook
- 2007 Distinguished Contribution by a Student; APA Division 44
- 2006 Malyon-Smith Award; APA Division 44
- 2004 Point Foundation Scholar
- 2002 Outstanding Senior Thesis Award; Loyola University
- 2002 Distinguished Student of Psychology; Loyola University
- 2001 Tony Martin Guerrero Memorial Scholarship; PFLAG
- 2001 Edgar Murray Scholarship; Loyola University
- 1999 Nancy H. and Joseph J. Mansfield Scholarship in Psychology; Loyola University

CURRENT RESEARCH GRANTS AS PRINCIPAL INVESTIGATOR

- 2023 – 2028 Principal Investigator. National Institute of Mental Health. "Implementing sustainable evidence-based mental healthcare in low-resource community

settings nationwide to advance mental health equity for sexual and gender minority individuals." (PI: Pachankis) R01 MH133543 \$4,175,940.

2022 – 2027 Principal Investigator. National Institute on Alcohol Abuse and Alcoholism. "A unified protocol to address sexual minority women's minority stress, mental health, and hazardous drinking." (MPI: Pachankis, Hughes) R01 AA029088 \$3,748,017.

2023 – 2026 Principal Investigator. National Institute of Mental Health. "Development and initial trial of brief interventions to help parents of stigmatized youth reduce distress and strengthen attachment." (MPI: Pachankis, Dougherty) R21 HD110617 \$463,390.

2020 - 2026 Principal Investigator. Fogarty International Center and National Institute of Mental Health. "Preparing for pre-exposure prophylaxis implementation in Central-Eastern European countries with low access to biomedical prevention." (MPI: Lelutiu-Weinberger, Pachankis) R21/R33 TW011752 \$1,439,333.

2019 – 2026 Principal Investigator. National Institute of Mental Health, "Biopsychosocial mechanisms underlying internalizing psychopathology in prospective, population-based cohorts of sexual minority young adults." (MPI: Pachankis, Hatzenbuehler, Bränström). R01 MH113939. \$3,652,000.

2022 – 2027 Principal Investigator. Israeli Science Foundation. "Parent-related minority stress, maladaptive stress responses, and psychological symptoms among sexual minority adults receiving attachment-based family therapy or CBT." (MPI: Diamond, Pachankis). \$250,000

CURRENT RESEARCH GRANTS AS CO-INVESTIGATOR OR CONSULTANT

2025 – 2026 Co-Investigator. American Psychological Foundation. Using community-engaged, participatory methods to increase measurement-based care in low-resource community mental health settings. (PI: Last), \$20,000

2024 – 2029 Co-Investigator. National Institute of Mental Health. Targeting minority stressors to improve eating disorder symptoms in sexual minority individuals with eating disorders. (PI: Brown, Blashill). R61MH133710 \$978,986.

2023 – 2027 Consultant. National Institute of Minority Health Disparities. Sexual minority couples' health during the transition to marriage. (PI: Perry). R01 MD018167 \$3,065,896.

2024 – 2027 Co-Investigator. National Institute of Mental Health. Feasibility, acceptability, and preliminary efficacy of an adapted online group-based mental health

promotion intervention for Arab immigrant sexual minority men in the US. (PI: Abboud). R34MH134603 \$759,489.

2024 – 2028 Co-Investigator. Veterans Administration. Equity-focused implementation of LGBTQ-affirmative CBT: A hybrid implementation-effectiveness trial. (PI: Wilson). I01HX003702

2024 – 2027 Co-Investigator. California Initiative to Advance Precision Medicine. California Health and Human Services Agency. Personalized and scalable interventions for reducing depression among LGBTQ+ adolescents: Combining novel digital therapeutics and peer counseling (PI: Hajcak). \$3,000,000

2023 – 2025 Co-Investigator. China Medical Board. “Efficacy and implementation potential of an online CBT-based counseling program for HIV-positive MSM patients: A randomized controlled trial of *iESTEEM*.” (PI: Li). 22-465 \$80,000

CURRENT FOUNDATION AND MENTEE TRAINING GRANTS

2023 – 2028 Advisor. Veterans Administration, Clinical Science Research & Development. “Expressive writing to reduce depressive and anxiety symptoms among sexual minority veterans.” (PI: Harper). K2CX002629 \$1,031,069

2023 – 2025 Primary Mentor. National Institute on Alcohol Abuse and Alcoholism. Stigma, romantic relationships, and alcohol use among transgender and nonbinary young adults. (PI: Murchison). K99AA030601. \$260,811.00

2021 – 2025 Primary Mentor. National Institute of Mental Health. Predicting and preventing suicidal ideation among high-risk sexual and gender minority adolescents. (PI: Clark). K01MH125073. \$693,488

2020 – 2025 Primary Mentor. National Institute of Mental Health. Intersectional stigma, mental health, and HIV risk among us gay and bisexual men of color. (PI: Jackson). K01MH122316-01A1. \$669,391

PAST RESEARCH GRANTS

2021 – 2025 Primary Mentor. National Institute on Alcohol Abuse and Alcoholism. Testing a biopsychosocial model of violence exposure, minority stressors, and hazardous drinking among sexual minority women. (PI: Scheer). K01AA028239-01A1. \$864,111

2021 – 2025 Primary Mentor. National Institute of Mental Health. Development of a training intervention to improve mental health treatment for gender minority youth (PI: Price). K23MH124670. \$775,000

2021 – 2024 Principal Investigator. Swedish Research Council for Health, Working Life, and

- Welfare. "Explaining health inequalities based on sexual orientation across the life course: A prospective longitudinal study of risk and protective factors in a representative population-based study." (MPI: Bränström, Pachankis) 2021-01967 \$571,857
- 2018 – 2024 Principal Investigator. National Institute of Mental Health, "Building mobile health HIV prevention and mental health in low-resource settings." (MPI: Lelutiu-Weinberger, Pachankis). R01 MH116829. \$3,621,525
- 2022 – 2024 Co-Investigator. Swedish Research Council for Health, Working Life, and Welfare. "Influences of stigma-based discrimination, policies, and cultural norms on the health and wellbeing of LGBTQ people in 28 European countries." (PI: Bränström). 2021-00604. \$250,786
- 2023 – 2024 Faculty Sponsor. Yale Fund for Lesbian and Gay Studies Research Award. Yale University. "Sexual orientation differences in ensemble perception of facial threat." (PI: Maiolatesi) \$5,000.
- 2022 – 2023 Faculty Sponsor. Yale Fund for Lesbian and Gay Studies Research Award. Yale University. "Sexual orientation differences in negative evaluations of ambiguous facial expressions." (PI: Maiolatesi) \$5,000.
- 2020 – 2024 Primary Mentor. National Institute of Alcohol Abuse and Alcoholism. A mixed-methods approach to understanding stress and hazardous drinking among same-sex female couples. (PI: Veldhuis). K99AA028049.
- 2020 - 2023 Principal Investigator. Fogarty International Center and National Institute of Mental Health. "Developing efficient intervention technologies to reduce stigma-related stress, mental health problems, and HIV risk among young Chinese MSM." (MPI: Pachankis, Li) R21 TW011762 \$437,150
- 2021– 2022 Co-Investigator and Faculty Sponsor. Yale Fund for Lesbian and Gay Studies Research Award. Yale University. "LGBTQ-affirmative cognitive behavioral group therapy for youth: A pilot study." (PI: Seager van Dyk) \$4,999
- 2019 – 2023 Primary Mentor. National Institute on Drug Abuse. "Mental illness stigma as a risk factor for substance use among adults with depression." (PI: Wang). K01DA045738-01A1. \$885,918
- 2019 – 2021 Co-Investigator. Swedish Research Council for Health, Working Life, and Welfare. "Victimization, discrimination, and life-satisfaction among lesbian, gay, bisexual, and transgender individuals across Europe and the influence of discriminatory laws, policies, and attitudes." (PI: Bränström). 2018-01876 \$220,000

- 2019 – 2020 Co-Investigator and Faculty Sponsor. Yale Fund for Lesbian and Gay Studies Research Award. Yale University. “The daily effects of trauma and minority stress among sexual minority women with posttraumatic stress symptoms.” (PI: Scheer) \$5,000
- 2019 – 2020 Faculty Sponsor. Yale Fund for Lesbian and Gay Studies Research Award. Yale University. “Understanding the impacts of incarceration on gay and bisexual men in the United States.” (PI: Harvey) \$3,900
- 2019 – 2020 Principal Investigator. The Whitney and Betty MacMillan Center for International and Area Studies at Yale. “An Initial trial of an online intervention for young gay and bisexual Middle Eastern Men to reduce social stress and co-occurring health risk behaviors.” (PI: Pachankis). \$8,000
- 2018 – 2019 Principal Investigator. Yale Fund for Lesbian and Gay Studies Research Award. Yale University. “Project EQUiP: Empowering Queer Identities in Psychotherapy.” (PI: Pachankis) \$5,000
- 2018 – 2019 Co-Investigator and Faculty Sponsor. Yale Fund for Lesbian and Gay Studies Research Award. Yale University. “Over the Rainbow: A Survey of the Post-Migration Experiences of LGBTQ Asylum Seekers in North America.” (PI: Fox). \$5,000
- 2017 – 2022 Co-Investigator. National Institute of Child and Human Development. “Using smart phones to understand the link between social and geographical context and HIV risk behavior among MSM.” (PI: Kershaw). R01 HD092185 \$4,053,636
- 2017 – 2022 Co-Investigator. National Institute of Mental Health. “Structural stigma and HIV risk in a representative cohort of gay and bisexual men.” (MPI: Hatzenbuehler and Dodge). R01 MH112384. \$3,068,202
- 2017 – 2022 Mentor. National Institute of Mental Health (PI: Batchelder). “Understanding and addressing internalized stigma and shame as barriers to engagement in HIV care among men who have sex with men who use substances.” \$1,005,345 (approx.) K23DA043418
- 2017 – 2021 Mentor. National Institute of Mental Health, “The effect of intersecting stigmas on PrEP outcomes for young Black MSM” (PI: Quinn). K01 MH112412-01A1. \$551,802
- 2016 - 2022 Principal Investigator. National Institute of Mental Health. “A unified intervention for young gay and bisexual men's minority stress, mental health, and HIV risk.” (PI: Pachankis). R01 MH109413 \$4,064,408

- 2017 - 2019 Principal Investigator. National Institute of Mental Health, "Development and preliminary trial of a brief, portable health intervention for rural sexual minority emerging adults." (MPI: Pachankis and Chaudoir). R21 MH113860. \$445,480
- 2017 - 2019 Principal Investigator. Center for Interdisciplinary Research on AIDS. Yale University. "Adapting an evidence-based intervention for stigma-related stress, mental health, and HIV risk for MSM of color in small urban areas." (MPI: Pachankis and Wagner). Pilot grant funded under NIMH parent award to the Center for Interdisciplinary Research on AIDS, P30MH062294 (PI: Cleary) \$30,000
- 2012 - 2015 Principal Investigator. National Institutes of Health. National Institute of Mental Health. "Intervention development for social stress, mental health, and HIV risk among MSM." (PI: Pachankis). R34 MH096607 \$729,352
- 2017 Principal Investigator. National Institute of Mental Health. Supplement for research on sexual and gender minority populations for "A unified intervention for sexual minority women's minority stress, mental health, and associated health risks." (PI: Pachankis). R01MH109413-02S1 \$89,704
- 2017 - 2018 Principal Investigator. Lesbian Health Fund. Gay and Lesbian Medical Association. "A unified intervention for sexual minority women's minority stress, mental health, and associated health risks." (PI: Pachankis) \$19,573
- 2017 - 2020 Co-Investigator. Netherlands Organisation for Health Research and Development. "Preventing suicidality among Dutch lesbian, gay, bisexual and transgender (LGBT) youth through a web-based intervention addressing suicidality in relation to sexual and gender identity issues" (PI: van Bergen) \$319,642
- 2017 - 2019 Co-Investigator. National Institute of Mental Health. "Increasing provider competence for treating stress-related mental health conditions in low resource settings." (PI: Lelutiu-Weinberger). R21 MH113673. \$419,119
- 2017 - 2020 Co-Investigator. Swedish Research Council. "Sexual orientation disparities in physical and mental health: the influence of minority stress, biomarkers of disease, and familial factors" (PI: Bränström). 2016-01707 \$307,048
- 2017 - 2018 Co-Investigator and Faculty Sponsor. Yale Fund for Lesbian and Gay Studies Research Award. Yale University. "Developing a transdiagnostic intervention for sexual minority women." (PI: McConocha). \$4,940
- 2017 - 2018 Co-Investigator and Faculty Sponsor. Yale Fund for Lesbian and Gay Studies Research Award. Yale University. "Self-regulatory sequelae of stigma-induced stress." (PI: Burton). \$4,745

- 2016 - 2020 Co-Investigator. National Institute of Mental Health. "Developmental changes in reward responsivity: Associations with depression risk markers." (PI: Olino). Administrative supplement for Research on Sexual and Gender Minority Populations, to R01 MH107495-01A1-S1. \$346,112
- 2016 - 2018 Faculty Sponsor. National Institute of Minority Health and Health Disparities. "Intervention to overcome mental health disparities in criminally-justice involved transgender women." (PI: White Hughto). F31 MD011203 \$87,152
- 2016 - 2017 Co-Investigator. National Institute of Mental Health. "Temperamental emotionality in preschoolers and depression risk." (PI: Klein). Administrative supplement for Research on Sexual and Gender Minority Populations, to R01 MH069942-12S1. \$100,000
- 2016 - 2018 Principal Investigator. Yale Fund for Lesbian and Gay Studies Research Award. Yale University. Student training supplement to "A unified intervention for young gay and bisexual men's minority stress, mental health, and HIV risk" (PI: Pachankis). \$12,950
- 2016 - 2019 Principal Investigator. National Institute of Mental Health. Research supplement to promote diversity in health-related research for "A unified intervention for young gay and bisexual men's minority stress, mental health, and HIV risk." (PI: Pachankis; recipient: Dr. Katie Wang). R01 MH109413-01-S1 \$534,153
- 2016 Co-Investigator and Faculty Sponsor. Yale Fund for Lesbian and Gay Studies Research Award. Yale University. "Migration risks of gay and bisexual Asian men in the U.S." (PI: Cai). \$3,500
- 2016 Faculty Sponsor. Clara Mayo Award, Society for the Psychology Study of Social Issues, APA Division 9. "Improving prison medical provider knowledge on transgender health." (PI: Kirsty Clark). \$1,000
- 2015 - 2019 Co-Mentor. National Institute of Health. National Institute on Drug Abuse. Developing a mobile emotion regulation intervention for HIV-positive men (PI: Rendina). K01 DA039030; \$719,064.
- 2015 Principal Investigator. Yale Fund for Lesbian and Gay Studies Research Award. Yale University. "Building mobile health HIV-prevention capacity for MSM in Romania" (travel supplement). \$2,500
- 2015 - 2016 Principal Investigator. National Institutes of Health. Fogarty International Center. Administrative supplement to "Building mobile health HIV-prevention capacity for MSM in Romania." (MPI: Lelutiu-Weinberger and Pachankis) R21 TW 009925 \$85,327

- 2014 – 2016 Principal Investigator. National Institutes of Health. Fogarty International Center. "Building mobile health HIV-prevention capacity for MSM in Romania." (MPI: Lelutiu-Weinberger and Pachankis) R21 TW 009925 \$421,900
- 2014 – 2017 Co-Investigator. Swedish Research Council for Health, Working Life, and Welfare. "Factors influencing inequalities in physical and mental health among sexual minorities and heterosexuals – a minority stress model." (PI: Bränström). 2014-0173 \$181,323
- 2014 Principal Investigator. Center for Interdisciplinary Research on AIDS. Yale University. "HIV prevention needs among MSM in small urban areas." (MPI: Pachankis and Keene). Pilot grant funded under NIMH parent award to the Center for Interdisciplinary Research on AIDS, P30MH062294 \$20,000
- 2012 - 2017 Co-Investigator. National Institutes of Health. National Institute on Alcohol Abuse and Alcoholism. "Intervention to enhance PrEP uptake and adherence in a community-based setting." (PI: Golub) R01 AA 022067-01 \$3,100,000 (estimated)
- 2012 - 2014 Co-Investigator. National Institutes of Health. National Institute on Drug Abuse. "A theoretically driven study of substance use and HIV decision-making." (PI: Wells) R03 DA 033868-01 \$287,231
- 2011 - 2013 Co-Investigator. National Institutes of Health. National Institute of Drug Abuse. "Peer-delivered HIV prevention intervention using social networking technology." (PI: Lelutiu-Weinberger) R03 DA 031607-01 \$292,962
- 2012 - 2017 Co-Investigator. National Institutes of Health. National Institute of Drug Abuse. "Multi-component intervention to reduce sexual risk and substance use." (PI: Parsons) R01 DA034661 \$3,705,778
Co-I Pachankis' effort on this project ended 4/2015
- 2010 - 2015 Co-Investigator. National Institutes of Health. National Institute of Mental Health. "Compulsive behaviors, mental health, and HIV risk." (PI: Parsons) R01 MH 087714 \$3,656,077
Co-I Pachankis' effort on this project ended 4/2015
- 2009 - 2015 Recipient. National Institutes of Health, National Institute on Drug Abuse. National Center for Advancing Translational Sciences. Loan Repayment Program and renewal. "Incorporating social-cognitive mechanisms underlying the stigma-health relationship into effective health interventions." \$69,490

- 2006 State University of New York at Stony Brook, Psychology Department Retirees' Dissertation Fellowship, "Mental and physical health benefits of disclosing gay-related stress." \$1,000
- 2006 American Psychological Association, Society for the Psychological Study of Lesbian, Gay, and Bisexual Issues, "Mental health and sexual risk-taking correlates of rejection sensitivity in gay men." \$1,000
- 2005 Department of Psychology, SUNY-Stony Brook, Summer Research Funding, "Mental health and sexual risk-taking correlates of rejection sensitivity in gay men." \$1,000
- 2005 American Psychological Association, Society for the Psychological Study of Social Issues, "Mental health and sexual risk-taking correlates of rejection sensitivity in gay men." \$1,000
- 2004 - 2008 The Point Foundation, "Mental and physical health benefits of disclosing gay-related stress." \$68,000

PRESENTATIONS

Pachankis, J. E. (2025). Developmental antecedents and biopsychosocial mechanisms underlying the disproportionate mental health burden of the LGBTQ population: From theory to solutions. Invited grand rounds presentation. Department of Psychiatry, Weill Cornell Medicine, New York-Presbyterian. New York, New York.

Pachankis, J. E., Chiaramonte, D. M., Baldwin, H., Wilkins, L, Zhou, X., Jackson, S. D. Harkness, A., Soulliard, Z., Matsuno, E., Li, D., & Mustanski, B. (2025). Implementing LGBTQ-affirmative CBT in 90 LGBTQ Community centers nationwide: A comparison of three strategies. Presentation at the Association for Behavioral and Cognitive Therapies Annual Convention, New Orleans, Louisiana.

Last, B.S., Burger, J., Baldwin, H., Esteva Hache, R., Kurade, P., Chiaramonte, D., & **Pachankis, J. E.** (2025). Determinants and use of evidence-based case formulation across 90 LGBTQ+ community centers. Presentation at the Association for Behavioral and Cognitive Therapies Annual Convention, New Orleans, Louisiana.

Last, B.S., Higa-McMillan, C., Park, A., Jensen-Doss, A., & **Pachankis, J. E.** (2025). Implementing contextually sensitive, evidence-based case formulation at scale. Panel discussion at the Association for Behavioral and Cognitive Therapies Annual Convention, New Orleans, Louisiana.

Last, B.S., Brandt, S., Davila, J., Skinta, M., Freeman-Coppadge, D., Hart, T., Pantalone, D. W., Paveltchuk, F., Poupard, M., Williamson, N. Scheinfeld, L., & **Pachankis, J. E.** (2025). Identifying the harms associated with sexual orientation and gender identity and expression change efforts: A systematic review. Research presentation at the Association for Behavioral and Cognitive Therapies Annual Convention, New Orleans, Louisiana.

Kirakosian, N., Bowick, C., Robertson, L., Glynn, T. R., Liu, Q., Stanton, A. M., & **Pachankis, J. E.** (2025). Surviving sociopolitical challenges: Leveraging clinical and analytic strategies to address suicide disparities in sexual and gender minoritized communities. Panel discussion at the annual convention of the Association for Behavioral and Cognitive Therapies, New Orleans, Louisiana.

Pachankis, J. E. (2025). Advancing mental health equity: Synthesizing research, clinical practice and community engagement on delivering inclusive affirming care. Panel discussion chaired by Wisteria Deng at the American Association of Behavioral and Cognitive Therapies annual conference, New Orleans, Louisiana.

Pachankis, J. E. (2025). The body talks: Psychophysiological evidence of contextual embodiment as a process through which marginalized individuals thrive, survive, and heal.

Discussant on panel chaired by Nina Micanovic at the American Association of Behavioral and Cognitive Therapies annual conference, New Orleans, Louisiana.

Soulliard, Z., Dunn, N., Jackson, S., Skinta, M., Whitton, S., & **Pachankis, J. E.** (2025). Personalizing, disseminating, and implementing LGBTQ-affirmative CBT interventions. Clinical round table at the Association for Behavioral and Cognitive Therapies Annual Convention, New Orleans, Louisiana.

Pachankis, J. E. (2024). LGBTQ-affirmative cognitive behavior therapy: From theory to trials to community implementation. Invited Presentation to the workshop on LGBQ+ Veteran Health: Establishing a Research Agenda. Veteran Health Administration's LGBTQ+ Health Program. Online presentation.

Pachankis, J. E. (2024). LGBTQ-affirmative cognitive behavior therapy: From theory to trials to community implementation. Invited Presentation to the Workshop on Promoting Mental Health for Sexual and Gender Minority Youth: Evidence-Based Developmental Perspectives. National Institute of Mental Health. Online presentation.

Pachankis, J. E. (2024). LGBTQ-affirmative cognitive behavior therapy: From theory to trials to community implementation. Invited presentation, Viola Bernard Lecture, Yale Child Study Center. Department of Psychiatry, Yale University, New Haven, CT.

Pachankis, J. E. (2024). LGBTQ-affirmative cognitive behavior therapy: From theory to trials to community implementation. Invited grand rounds presentation. Department of Psychiatry, Dartmouth University. Online presentation.

Pachankis, J. E. (2024). LGBTQ-affirmative cognitive behavior therapy: From theory to trials to community implementation. Invited presentation. Santa Clara University, School of Education and Counseling Psychology. Santa Clara, CA.

Pachankis, J. E. (2024). On normalcy. Invited convocation address. Department of Psychology commencement ceremony, Stony Brook University. Stony Brook, NY.

Pachankis, J. E. (2024). LGBTQ-affirmative cognitive behavior therapy: From theory to trials to community implementation. Invited presentation. Yale-National Alliance on Mental Illness Conference on Neuroscience and Mental Health. New Haven, CT.

Pachankis, J. E. (2024). LGBTQ-affirmative cognitive behavior therapy: From theory to trials to community implementation. Invited presentation. Department of Psychiatry, Division of Addictions. Yale University, New Haven, CT.

Soulliard, Z. A., Lattanner, M. R., Bränstrom, R., & **Pachankis, J. E.** (2024). Pathways to disordered eating among sexual minority adults: A longitudinal population-based study. Paper presentation at the International Conference on Eating Disorders, New York, New York.

Pachankis, J. E. (2023). LGBTQ-affirmative mental health care: From identifying stigma mechanisms to implementing evidence-based practice. Invited presentation. National Institutes of Health, Stigma Special Interest Group. Online presentation

Mitzner, J., Denning, D. M., Hernandez Mozo, E., Soulliard, Z. A., Brown, T. A., & **Pachankis, J. E.** (2023). In J. C. Alvarez & T. A. Brown (co-chairs). Pressures from within: Associations between intra-minority gay community stress and mental health in sexual minority men. Discussant on symposium at the Association for Behavioral and Cognitive Therapies annual conference, Seattle, WA.

Soulliard, Z. A., Layland, E. K., Hatch, N., Pickering, E., Eisenstadt, B., Chiaramonte, D., Behari, K., Freeman, M., Kinkel-Ram, S. S., Harkness, A., & **Pachankis, J. E.** (2023). Mental health providers' experiences implementing LGBTQ-affirmative CBT one year after training. Symposium at the Association for Behavioral and Cognitive Therapies annual conference, Seattle, WA.
